No Dull Season in "This Store"

Business with us this summer has been remarkably good. But how often do we hear the cry that business is dull at this season of the year. Not so with us. We haven't time to think of dull days.

We've Got a Cure for the Dull Days.

> Would you like to know the secret of it? If so just step into our store, look around, price the goods, and if the dull days don't fly away from you we will lose the prescription.

Why is it that Ayer's Hair Vigor does so many remarkable things? Because it is a hair food. It feeds the hair, puts new life into it. The hair

cannot keep from growing. And gradually all the dark, rich color of early life comes

back to gray hair. "When I first used Ayer's Hair Vigor my hair was about all gray. But now it is a nice rich black, and as thick at I could wish."

Medals

The time has almost come when the reports of the Entrance Examinations will be out. The teachers of those winning medals will be kind enough to send their names and addresses to us as soon as they know so that we can send the medals to the schools.

It must be thoroughly understood that these medals are given FREE by us and that they are not to be given till the certificates are given out. Teachers will kindly let us know a few days before hand so that we can send the medals to the schools.

2

These are the first medals that were ever given; in South Grey and we sincere ly hope that the winners will prize them as such.
