

# Ayer's Sarsaparilla

Impure blood always shows somewhere. If the skin, then boils, pimples, rashes. If the nerves, then neuralgia, nervousness, depression. If the stomach, then dyspepsia, biliousness, loss of appetite. Your doctor knows the remedy, used for 60 years.

Retraining from the Cuban war, I was a perfect wreck. My blood was bad, and my health was gone. But a few bottles of Ayer's Sarsaparilla completely cured me.

J. C. AYER & CO., Lowell, Mass.

### AN EARTHQUAKE FELT IN ONTARIO.

Several Places Felt Tremor Which Was Probably Due to Crust of Earth Settling.

Ottawa, Sept. 15.—An earth tremor lasting eleven seconds was felt here last night at 52 minutes 45 seconds past eight o'clock. Two distinct shocks were felt, the first being the more severe. Objects in houses were shaken and even displaced. On Sandy Hill people were so much alarmed that they ran out of their residences. The vibrations were in south-westerly direction. No rumbling noise was heard. Dr. Ami of Geological Survey, who was interviewed, expressed the opinion that the shock was due to the adjustment and settlement of the large blocks of rock constituting the earth's crust in this vaulted region of Eastern Ontario.

At Buckingham, Que. one of the heaviest earthquakes ever experienced in that place was felt. It commenced with two heavy shocks, and the vibration continued for upwards of a minute. Reports received from Notre Dame de la Salette indicate that it was felt very severely in that district.

The earthquake was distinctly felt at Montreal, the time being put at 9.10 o'clock, but it was very mild, and lasted only about ten seconds. Many citizens felt the shock.

### Flesherton.

The residence of Mr. George Wood near Stratford, was the scene of a pretty wedding at 6.30 o'clock on Wednesday evening of last week when his daughter, Jeanette, was united in marriage to Mr. Harry Stewart, youngest son of the late George Stewart Esq., of this place. Under a beautiful arch of white chrysanthemums and asters the marriage ceremony was performed by the bride's pastor, Rev. J. A. Graham, B. A. of Avonton, assisted by the groom's pastor, Rev. R. Stewart B. A. of Avonbank. The bride was given away by her father and was hand somely gowned in white silk voile with pretty lace yoke and carried a bouquet of carnations and smilax. She was attended by her sister Miss Bessie Wood, who wore a becoming gown of cream voile and carried pink carnations. Mr. McIntyre of St. Marys, acted as best man. The bride's cousin Miss Francis, of St. Mary's played the Wedding March. The bride's travelling suit was of garnet eolienne with hat to match. After the ceremony and congratulations a repast of rare excellence was served and pleasing congratulatory speeches were given by Revs. Graham and Stewart, who spoke in most praise worthy terms of the newly wedded couple. About one hundred guests were present from Galt, Kintore, Carthago, Avonbank, St. Marys and Flesherton. The bride was the recipient of a large number of beautiful wedding presents that of the groom being a beautiful pearl crescent pin. To the bridesmaid he gave a gold ring and to the groomsmen a gold locket. The young couple made a short visit to London before settling in their new home near Avonton. Mr. Stewart was a very highly esteemed young man here and it gives us pleasure to tender our congratulations on this happy event in his life.

At the call of the trustee's Board a meeting of ratepayers was held in the school on Wednesday evening of last week to discuss much needed improvements in the heating of the building the present system by hot air not proving satisfactory. Mr. M. K. Richardson was voted to the chair and after full discussion a resolution was adopted authorizing the Board to discard the present system and have installed a steam heating plant. The contract amounting to something over \$700 has been let to F. G. Karstedt and the Gurney company who are to have the work completed in thirty days.

Mr. Wesley Buskin, of the back line had a close call one day last week in an encounter with his bull which becoming free from the lead stick attacked him in a vicious manner. In short order Mr. Buskin was pinned to the ground with the animals horns astride his breast and but for the timely help of neighbors who heard Mrs. Buskin cry for help would in all probability have been gored to death. Mr. Buskin was bruised in body and so crushed in the chest as to be made expectorate some blood, but he has almost recovered from his soresness, and thankful he escaped so well.

The union evangelistic services in progress here are being well attended and growing in interest. Never before we believe were more powerful sermons given here night after night than are now being delivered by Rev. Mr. Ranton who is an impressive and convincing speaker making clear his subject by apt illustrations and at times arresting the attention of his audience through humorous but pointed anecdotes through which he presses home the truth.

Services were held last week from Tuesday till Friday night in the Presbyterian church and on Saturday evening at Ceylon. On Sunday morning service was held in the Methodist church and in the evening in the Presbyterian church which was crowded to the doors. Next Sunday the order will be reversed, Monday, Tuesday and Wednesday of this week the meetings continue in the Presbyterian church after which, excepting Sunday morning they will be held in the Methodist church till Wednesday evening of next week when Mr. Ranton closes here. On Saturday evening Mr. Ranton, who before his conversion was a bartender at Barrie and Owen Sound, will deliver his temperance lecture "From Bar to Pulpit" which is said to be a masterly and captivating production. A large audience will doubtless be present to hear it.

A quiet marriage took place at the manse here on Wednesday of last week when Rev. L. W. Thom joined in wedlock Mr. Geo. A. Gibson and Miss Jennie Tador, from near Kimberly. Mr. Edward Turner and Miss Edith Carr, of Eugenia, acted as groomsmen and bridesmaid. The young couple left the same day to visit friends near Brantford.

Messrs. Herb Smith, W. L. Wright, John Whitten, Mrs. Bant and two Chard boys ill with fever are under Dr. Carter's care, we are pleased to learn, all recovering. A trained nurse is waiting on Mr. Smith, who was dangerously ill for some days.

Reeve Muir is at present superintending the job of bridge building at the Saugen washout on the Toronto line. Tenders were called for some time ago but none were offered.

East Grey Exhibition will be the attraction here on Tuesday and Wednesday next week. Good weather is hoped for and is believed to be all that will be necessary to make this annual event a great success.

McArthur Bros., on the 4th, James Bartley and gang, on the 6th, and Joe McNally's outfit further north, are quickly changing the stacks from one side of the barns to the other.

Mrs. Richard Haley passed away very suddenly this (Monday) forenoon. She has been very unwell all summer with a badly swollen arm; but the end was not expected. Her patience and sunniness under suffering was a lesson to everyone near. We are not in possession of facts relating to a history of deceased's life, but for the many years she has lived amongst us, the home has been noted for its true Irish hospitality and her social and intellectual powers were above the ordinary. To her husband and her was given one child, Johnnie, now verging into manhood, and husband and son have won the praise of the neighborhood by their devotion to her during the past months. Deceased was a fond mother and true wife. The sympathy of the neighborhood goes out to husband and son. That is the 3rd death on the 6th con. within the past five weeks. Who next?
