Darling's DRUG STORE.

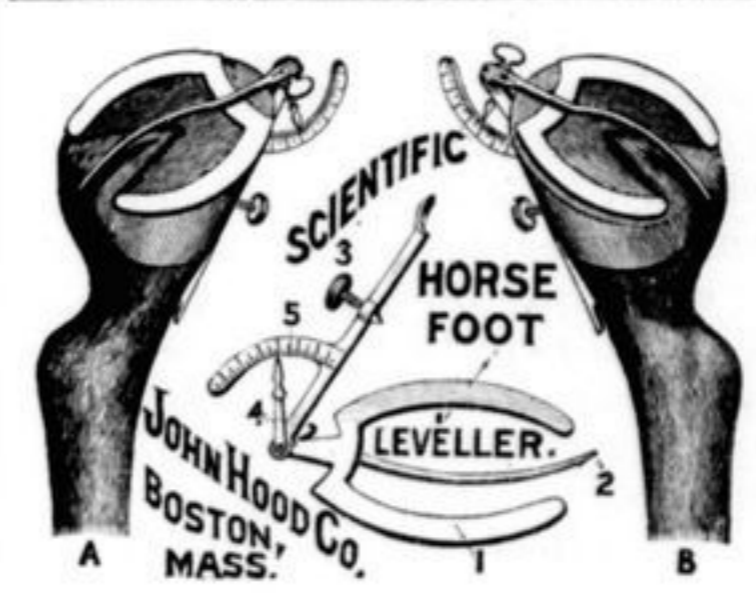

What Makes Thirst?

We wish we knew. We would give a good deal for a receipt that would enable us to keep all the inhabitants of Durham thirsty all the time. A good thirst is a thing to be treasured. Never waste one on a poor drink. It will pay you every time to wait till you reach our Fountain. Our store is easy to reach, and once there your waiting is ended. We keep no one waiting at our Fountain. Promptness does not come first, neither does it come last. Two considerations only are ahead of it—cleanliness and quality.
