Flesherton.

About six o'clock on Thursday morning last the frame barn on Mr. W. G. Pickell's farm near the village was discovered to be on fire and soon after with its contents was reduced to ashes. We understand Mr. Pickell had about twenty tons of hay in the barn. Mr. Chas. Stewart had also stored there a quantity of threshed grain and other articles. There was also a quantity of unthreshed grain belonging to Mr. A. Carr and M. W. Reid of this place. We believe there was some insurance on the building have not learned the amount The loss to Mr. Pickell as well as the others is heavy. The origin of the fire is a mystery. Some attribute it is tramps sleeping in the building.

On Saturday night last the Methodist church here was packed to the doors and some unable to get in to hear Rev. A. H. Ranton deliver his lecture "From Barroom to Pulpit." Mr. Ranton briefly outlined his life saying that forty years ago he was born in the city of St. John, N. B.; at seven years of age he lost his mother a year later his father, after which till he was about seventeen years of age he lived with relatives near Barrie. About two years were then spent attending bar in Owen Sound and Barrie, after which he was converted, taught school for a short time and then felt his call to the ministry which he entered and has since been actively engaged in the work of saving souls. Mr. Ranton is a divinely gifted man and for an hour and a half thrilled and swayed his audience at will while under the following heads - The social economic and legal aspect of the question, he dealt with the evils of the liquor traffic. Large congregations continue to attend the union evangelistic services and the interest deepens under the powerful preaching of Rev. Mr. Ranton. On Sunday morning the Presbyterian church was filled to the doors and the service was very impressive. In the evening though extra seats were provided the Methodist church could not contain all who sought admittance. The service given was very impressive and a large number were seekers after light.

Mr. Andrew Carr who lost his grain by fire has this week had his loss lightened by a contribution of about thirty dollars from sympathizing friends who were waited on by Messrs. Andy Wilson and D. Leitch. The Canadian Jubilee Singers are looked for here on October 30th under the auspices of the Methodist Ladies' Aid.

On Wednesday of last week there took place at the home of the bride's parents, Mr. and Mrs. George Glassford, of Maxwell, the marriage of their daughter, Burnice Mary to Mr. Wm. J. Moreton, of Toronto, the ceremony being performed by Rev. L. W. Thom, of this place. Mr. E. P. Glassford and Miss Emma Henry discharged the duties of groomsmen and bridesmaid. A sumptuous wedding dinner was served after which the young couple left for Toronto.

Miss Martin, of our public school staff, received the sad news on Thursday last of the sudden death of her mother at Preston. She left on the evening train to attend the funeral and has the sympathy of her many friends here in her sorrow. Rev. L. W. Thom, moderator of the Presbyterian congregations at Maxwell, Feversham and McIntyre, was in that field Sunday preaching and citing the congregations for a meeting to call a minister. Mr. Carr, of Knox College, supplied Mr. Thom's work at Eugenia and Proton Station.

F. VanDusen were up on Sunday for the same purpose.

Mr. Charles Richardson, who has been for a few weeks visiting friends in England, returned home Monday accompanied by his sister, Miss Jossie, who has spent the past four years there.

Proper Treatment for a Sprained Ankle

As a rule a man will feel well satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied a complete cure has been effected in one week's time, and in some cases within three days. For Sale by H. Parker.-2
