School Medals
 The time has almost come when the reports of the Entrance Examinations will be out. The teachers of those winning medals will be kind enough to send their names and addresses to us as soon as they know so that we can send the medals to the schools.
 It must be thoroughly understood that these medals are given FREE by us and that they are not to be given till the certificates are given out. Teachers will kindly let us know a few days before hand so that we can send the medals to the schools.
 These are the first medals that were ever given in South Grey and we sincerely hope that the winners will prize them as such.

Mull Corners.
 Threshing is pretty well wound up for this fall and people are getting down to their fall ploughing.
 Hugh McCormick left last week for Pitsburg where he has secured a good position.
 Miss Lottie Fletcher has gone to Providence Bay, Manitoulin, to spend a few weeks with her sister, Mrs. Chas. McDougall.
 James Ewen, of Aberdeen, has rented his brother Robert's farm here and intends taking possession shortly.
 Miss Christina McCormack arrived home this week after spending a few weeks with friends at the county capital.
 A number from this part are not favorably impressed with the Durham Exhibition this year.
 Miss Laura Hill is spending a month or two with her mother and other friends here after being absent for some time in Uncle Sam's domain.
 We neglected to mention in our last budget that Malcolm McLean has gone to Dakota where he has secured a position with the Campbell Bros., formerly of Aberdeen.
 Mr. Caswell came within an ace of losing his pig pen last week. In some way the pen took fire from the threshing engine and only for the heroic services of the threshing hands the pen would be a complete loss.
 Thomas Hill leaves for Georgia this week. He is foreman over the grinding department in the cement plant there. Tom is a steady fellow and is working his way to the top.
 Thomas Campbell is again sojourning in our midst, after an absence of a few months at Duluth.
 As news cut the cable for the time as must be scarce.

 "Yes, that's true."

Corner Concerns.
 Miss Mary Dennett is going to Durham this week to be educated in the art of dressmaking.
 Although every person in this part will attend the World's Fair at Holstein on Tuesday, we think more widely circulated notices of the date would have been beneficial. There seems too many not sure of the exact date even to the last.

Beaton, Jr., of Glenelg Centre. The Rev. W. Ebersole of Schomberg, officiated. The drawingroom was beautifully decorated with asters and ferns.
