ISA CAMPBELL, Teacher.

Glenmont.

Mrs. George Binnie and daughter, Miss May, of Bunesan, were the guests at Mrs. W. Dixon and Mrs. A. Tucker Saturday and Sunday.

We are sorry to report that three of Mr. Thomas Harrison's children are ill with diphtheria.

Mr. and Mrs. Burnett who have been visiting the latter's mother, Mrs. James Hooper for a few weeks, intend leaving this week for their home in Michigan. Mrs. Burnett is an old resident of Glenmont and her many friends here were glad to have the pleasure of her company.

The Weir, Calder and Shortreed Co. have finished their contract of improving the road up the townline. This road was in fair need of repair, at least we heard that one young man said so.

The beef ring has closed for this year. The annual meeting was held at Mr. W. Brown's on Wednesday evening last, when everything was satisfactorily arranged for the coming year. There were no complaints whatever, so the same officers were re-elected and everything is expected to go on as usual. On Tuesday night a jolly crowd of choristers and others assembled at the home of Mr. and Mrs. Edward Harrison, where they were given a hearty welcome. After the usual chit-chat and laughter had been indulged in, the choir under the leadership of Mr. Wm. Ramage, took possession of the parlor and the fine new organ, recently purchased, and they sang to their heart's content for over two hours. I think they anticipated a song service in Ebenezer in the near future and are preparing for the event. The organ being thoroughly tested by a number present was pronounced a first class instrument. After lunch various amusements were introduced which proved to be very humorous indeed. When the wee sma' hours began to dawn all departed to their homes feeling that an enjoyable and sociable time had been spent.
