Why Catarrh Poisons the System.
The Catarrhal germ excites inflammation, offensive secretions are thrown off and pass into the circulation contaminating the river of life and thus wreck the whole body. Every catarrh victim should use Fragrant healing Catarrhazole, the surest cure for every type of catarrh yet discovered. Catarrhazole can't fail to cure because its vapor kills the germs and removes the cause of the trouble. Then it soothes and heals, stops the cough and relieves the stuffed up condition of the nose and throat. Tens of thousands have been cured by Catarrhazole which is guaranteed. Use only Catarrhazole. Complete outfit \$1.00; trial size 25c.

(Intended for last week.)
The Canadian Jubilee Singers, filled their engagement satisfactorily with the Methodist Ladies Aid here on Saturday evening last. The entertainment was given in the church and the programme appropriate to the place, was during its rendition given hearty tokens of appreciation by a fair sized audience. The company is a strong musical aggregation and would perhaps have had greater freedom for their talents in a public hall. Before commencing the programme the Manager remarked that they were some things ornamental sentimental and detrimental. He referred to the millinery worn by the feminine portion of the audience and politely asked for its removal. The ladies promptly responded with hats off, which doubtless added to their comfort and for which they had the gratitude of the gentlemen present. The Company attended the Methodist church Sunday evening and gave three beautifully rendered selections which were much enjoyed by the congregation.
On Thursday last while seated near a window in the Mansie Rev. Mr. J. Little who is conducting evangelistic services here had a close call from the discharge of a rifle in the hands of Mr. Thurston's boys who were shooting at birds some distance away. The bullet which has not since been discovered, made a comparatively clean cut hole of over an inch in diameter in the pane and the shattered glass striking Mr. Little in the back of the neck indicated how dangerously near the death dealing missile had come to him.
At the monthly meeting of the Presbyterian Ladies Aid Society held at the Mansie last Friday a resolution was adopted authorizing the Secretary to send a letter of sympathy to Mrs. Alex. McKae, sen. of Ceylon, one of the oldest and most highly respected members of the Society, who has been laid aside with severe illness for some time.
Messrs. Wright and Boyce, who are this season operating a new steam thresher with straw blower attached are having a successful run in the vicinity of Ceylon where we learn the sample and yield of grain is better than last year. The blower for stacking straw is also a great labor saver and is much in favour with those who have had its use.
Mrs. W. C. Parker, of the back line has had her residence in town considerably improved and her parents Mr. and Mrs. Wm. Moore are comfortably domiciled therein.
We were pleased to have a call on Monday from Mr. Herb Smith, who that day had his first outing since the commencement of his severe illness five weeks ago. Mr. W. L. Wright also a fever victim for several weeks, is, we are pleased to see, able to be out again and give some attention business.
The stone abutments of the new bridge over the Saugeen river at Bannons have been completed and on Monday eve Mr. Lett let the contract to Mr. Ferris and Mr. Patton for the completion of the job. The filling in graving of the approaches is to be done by the former and the placing of the wooden structure on the abutments by the latter.
Miss Minnie Joy, who is soon to leave here, entertained her Sabbath School Class of girls at tea one evening last week. The same day the class had their photograph taken with their teacher, whom they are sorry to lose.
The numerous friends of Mrs. Mosier of this place sympathize with her in the bereavement which has come to her by the death recently of her second son, James H. Mosier who has been for some time living in North Dakota.
The evangelistic services in progress here are being held in the Baptist church.
Rev. H. S. Matthews of Toronto, a former pastor here from 1873 to '76, is announced to conduct anniversary services in the Methodist church on Sabbath, the 23rd inst.
A goodly number of our citizens attended the Artemesia and Osprey fall fairs held at Pricerville and Faversham on Friday last.
Mr. M. K. Richardson was in Durham on Friday last attending a meeting of the Conservative Association of South Grey.
Mr. Jas. Orr, of Toronto, paid Dr. Murray a short visit last week.
Mrs. John Wright is visiting her son, lawyer Wright, of Owen Sound. Miss Florrie Richardson is visiting friend at Durham.
Mrs. Cameron and two little daughters of Smithville visited over Sunday at Mr. W. H. Bunt's.
