## Fancy Lamps.

## Flesherton.

Mr. Noble Lawrence and son-in-law T. J. Patten have disposed of their properties near Ceylon, the former to Mr. Duncan Muir and the latter to Mr. Collinson, and will leave in a few days with their families for Nanton, Alta, where Mr. Lawrence's four sons have located and taken up six quarter sections of land. On Friday evening last a good turnout of Orangemen with their wives assembled at the home of Mr. and Mrs. Lawrence and presented the former with a beautiful gold watch and the following address which was read by Mr. E. J. Sproule who also made the presentation.

To Mr. Noble Lawrence Ceylon, Ont. Dear Sir and Brother,—We, the members of Waterville L. O. L. No. 883, have assembled at your home this evening to bid you adieu, and wish you God-speed in view of your approaching departure for the West. We beg to assure you that it has been with the sincerest regret that we have learned of your decision to leave the community and sever the very pleasant relationship we have enjoyed in the past. As a citizen you have commanded universal respect and esteem, and as a member of our beloved Order, you have ever endeavoured both by precept and example to maintain and uphold the exalted principles of Orangeism. Your genial countenance, and ever willing assistance will be greatly missed and we feel that we cannot allow you to sever your connection with us, without giving you some tangible expression of our gratitude and esteem and some little memento of your sojourn in our midst. We beg of you therefore, to accept the accompanying watch, and trust that you may long be spared to use it. We wish for yourself and family a safe and pleasant journey to your new home, abundant happiness and prosperity when you arrive there, and when life here is ended, an abundant entrance into the kingdom above.

Signed in behalf of Waterville L. O. L. No. 883.

Geo. Snell W. M. Ed Thompson, Rec. Sec.

Mr. Lawrence who was greatly surprised feelingly thanked his brethren for their very highly appreciated token of esteem. Refreshments were served by the ladies and a memorable evening was spent by all.

On Thursday evening last the home of Mr. and Mrs. Lawrence was invaded by a large number of the young people of the community who assembled to do honor to their young friends Misses Carrie and Beatrice Lawrence who go with their parents to the West. The young ladies were each presented with a beautiful biscuit jar, and an appropriate address which was read by Miss I. McMullen. Misses Annie Chislett and May Sprat presented the gifts which were a pleasant surprise for the recipients. Refreshments were served and an evening of much pleasure was spent.

On Tuesday afternoon of last week a quiet wedding took place at the residence of Mr. and Mrs. Wm. Chard 4th line, when the latter's sister Mrs. Ann Gregson became the bride of Mr. John Scilly of Osprey. Rev. L. W. Thom of this place performed the marriage ceremony in the presence of only a few immediate relatives and friends of the bride and groom who were unattended. A sumptuous wedding repast was served after which Mr. and Mrs. Scilly drove to their own home. Numerous friends wish them much happiness.

Sabbath last was Sunday School Day in the Baptist church. Instead of the regular preaching service there was a rally of the congregation and Sunday School which was very interestingly addressed by Mr. M. K. Richardson who is much at home in this line of work. Mr. A. Wilson also gave a short address, and appropriate music was rendered.

The quarterly Sacramental service was held in the Methodist church in morning when several new members were received. The sermon was on the Kingdom of Heaven Within, and was an appropriate and helpful discourse. Mr. Thompson Wilson, our enterprising mill man has been in very poor health for some time, was in Toronto last week consulting a specialist respecting his trouble which is intestinal. a line fence trouble between two of citizens.
