### Corner Concerns.

Our Sunday School Concert last Tuesday night was a great success. They had a crowded house, stables galore and a good program of speeches, recitations and songs. The Rev. D. L. Campbell spoke on the importance of taking care of the body which should prove beneficial to the entire audience. Rev. Mr. Masson, of Varney, made a good hit in analysing a plate of boarding house hash in which the ingredients used were compared to the members of society. The address was good but if he continues to compare the ladies to small potatoes he is likely to remain a bachelor for many years to come. Dr. Brown as a singer retains his popularity. The quartette of young men from Durham proved themselves vocalists of no mean order, while Mr. Saunders and Miss Warner made a reputation for themselves as singers. The home talent did well also. Superintendent Wm. Allan acted as chairman and gave a report of the school and the Teachers gave books to each of the members of their classes. The proceeds amounted to \$22.00.

We attended the Orangemen's concert at Varney last week. The lodge has been progressing very nicely of late. New members are being added. Many old ones who retired from the order have returned to enjoy something more of the good old times. To have a first class entertainment they secured the services of Miss King of Mr. Forest, who came with a dozen of her most talented pupils and gave the audience a rare treat, and did credit to themselves as well as their instructor. They were here before and we hope they'll come again. They are Varney's favorites as well as "King's Favorites".

Mr. Charles Gray lost one his team of horses last Wednesday night. The animal fell into a well.

Miss Ethel Eden is somewhat indisposed at present from Catarrh of the stomach.

Mr. Wm. Ritchie, of Edge Hill, has been engaged as teacher in our school for 1905. Salary \$335.

The turnip crop varied very much this year according to the kind of soil they were on. Light land gave the best yield.

Mr. James Eden returned from Regina last Thursday. He intends to go back in the spring.

Mr. Robert Barbour spent a few days last week visiting Traverston friends.

Mr. Wm. Marshall bought Ben Crittenden's farm last week. It was originally the front fifty of his place and it makes the hundred complete again, and a very good farm. Ben intends going west in the spring to seek his fortune, and the best wishes of all go with him.

We understand that Miss Annie Lawrence has been engaged as teacher in a neighboring school at a salary of \$365. As she has proved to be an efficient and painstaking teacher we are glad to hear of her financial success in securing an increase of salary.

### Edge Hill.

Jimmie Weir is engaged with his uncle, Mr. D. Edge for a couple of months.

James McCracken, Sr has been on the sick list for some time and is not improving very rapidly.

W. R. Edge drove over to Walkerton Saturday and returned next day. Miss Valerie went with him but will remain for a week or two with friends there.

Ronald Marten and sister, Miss Mary from the 6th visited at the hospitable home of Mr. D. McFadden recently.

Miss Martha Firth arrived home on Friday night from Rochester. Her sojourn of a year in Uncle Sam's domains seems to have agreed with her.

Dan McGregor from British Columbia, a brother of Mrs. D. McFadden is visiting in the neighborhood at present.

The Edge Hill Union Sunday School held their social in the Grange Hall on Friday night last. This is an annual event, taking place at the close of the Sunday School season, and is eagerly looked forward to by scholars, parents and teachers who all participate. The hall was comfortably filled and from 7:30 to 8:30 willing waiters passed around the delicacies, provided in abundance by the ladies, until the wants of the inner man were amply supplied. After tea Mr. R. T. Edwards was appointed chairman, which position he filled most acceptably in his usually racy manner. His short, witty stories and anecdotes interspersed throughout the program kept the audience at ways in good humor. The program was varied, consisting of readings, recitations, dialogues, and vocal and instrumental music. Miss Anna Scott gave an excellent reading entitled "A Second Trial". Wilfrid Greenwood did very well in reading "How Jimmy Tended the Baby". A dialogue by three boys showed the facility of giving too much attention to the pay and not enough to the work to be done. George Ritchie with the violin and Mrs. W. K. Edge with the organ rendered some fine instrumental selections and were heartily encored. Several choruses were much appreciated by the audience. Duets were sung by Misses Annie and Winnie Greenwood, and May Spittal and Clara Greenwood. Good recitations were given by Sam Scott, Amy Edge, Ethel Greenwood, Mary Edge, Maggie Firth, Lena Edge, Fanny Ector, Emma Ritchie,

Arthur Edge, Ernie Greenwood, N. Williams, Kate Ritchie, Alex Edge, Edith Edge, Eliza Williams and Pearl Wilson. The Superintendent's report showed an average attendance of 47 for the past season, and that about eighteen dollar's worth of books had been added to the Library during the year. Votes of thanks were tendered to the ladies, to the chairman, and those who had assisted with the program, and to the officers and teachers of the Sunday School, after which the meeting was brought to a close by singing the National Anthem. Just before closing the children were given a treat of Candies.

### For a Stiff Neck

Or any soreness in the muscles of the back or sides you can't get anything half so good as Nerviline, the most powerful liniment made. "My neck was so stiff I couldn't turn it a quarter of an inch," writes Fred T. Baldwin of Portsmouth. "I had it rubbed with Nerviline a few times and all the soreness and stiffness disappeared. I don't know another liniment you can depend on like Nerviline; it is splendid for colds, lameness and can't be beaten for cramps and internal pain." Try Nerviline yourself. Price 25cents.

### Mull Corners.

People are getting settled down again after the elections.

The warm weather of last week brought some of the plum trees out in leaf the second time.

Mr. John Craig of Sullivan spent Sunday with his sister, Mrs William Quinn.

Miss Mary Caswell left a couple of weeks ago for Albany, where she intends remaining for some time.

The roots are all housed and people are finishing up the fall ploughing.

The trustees of S. S. No. 101 have secured the services of Mr. William Ritchie of Edge Hill, as teacher for 1905.

We are anxiously awaiting the election of the Local House.

### Wakeful Children.

For a long time the two year old child of Mr. P. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her her stomach and she slept the whole night through. Two boxes of these tablets have effected a permanent cure and she is now well and strong. For sale by H. Parker.—2.

## Pimples Spoiled Her Beauty.

A SOCIETY BELLE OF KINGSTON CURED OF PIMPLES AND BLOTCHES BY USING

## Ferrozone.

Miss Evelyn M. Gaetz of Kingston, writes: "I had an attack of blood disorder which broke out in horrid looking pimples. They were ugly red disfiguring blotches that ruined the appearance of my face. I tried all sorts of medicine, but the pimples didn't leave. I was recommended Ferrozone and gave it a trial. I noticed an improvement after the second box, and kept up the treatment which finally cleared my skin. As the result of Ferrozone I have a clear healthy complexion and can recommend it to all other young women similarly affected."

Another young lady well known in society circles of Springfield, who derived exceptional benefit from Ferrozone, says, "I feel it my duty to make known the value of Ferrozone. My trouble was poor, weak blood, and as a consequence my lips were pallid, and my cheeks had no color. I wasn't at all strong and required a bracing tonic. Ferrozone soon brought color to my cheeks, improved my appetite and made me stronger than I have been in years. I favor Ferrozone because it is so simple to take and works so quickly."

Just one Ferrozone tablet at meals, that's all. Easy to take sure to cure and not expensive. Better use Ferrozone and be beautiful and strong like others that employ this splendid tonic. Price 50c. per box, or six boxes for \$2.50, at all druggists or by mail from The Ferrozone Company Kingston, Ont. Don't fail to get a supply of Ferrozone to day.

WANTED.—At this office, a good smart boy, with good head, good muscle, and not too much cheek, to learn printing.
