CONSERVATIVE CONVENTION

The Annual meeting of the South Grey Conservative Association was held here on Monday last and was largely attended. After the election of officers, the principal business was pany will be the purchase and taking to select a candidate to contest the over as a going concern of the entire constituency at the next election for the Local Legislature. President Laidlaw was in the chair and expressed it as his opinion that a large number of nominations should be made by representative men from different parts of the Riding in order that a free expression of opinion might be given and a proper decision arrived at in the selection of the best and strongest candidate. The Convention, however, put their foot down on any such movement and the voice of the audi- will enable the Directors to very much ence was for Dr. Jamieson and no one increase the scope of the old Comelse. DURHAM CHRONICLE The Farmers' Manufacturing and Supply Company, Limited November

CAPITAL STOCK, \$100,000.00. 5,000 Shares of \$20.00 each.

This Company is being organized for the purpose of carrying on business as a manufacturer and agent in machinery and general dealer in machinery, devoting its attention chiefly to trade and business among the farmers of the Province of Ontario.

One of the chief objects of the Comassets, franchises, liabilities, business and good-will of the well-known Durham Manufacturing Company, Limited, which, during the past year or more has carried on a very successful business in the manufacture and sale of the Oxford Cream Separator. This tary. Separator has had a very large sale and is recognized as the best article of its kind on the market to-day, in either the United States or Canada.

The Charter of the new Company that the new Company will be in a who will be its chief customers.

The most prominent feature in the H. Parker .- 1. new Company's business methods will be the supplying of its goods to its own Shareholders at a very small advance on the wholesale price. Custemers who are not Stockholders will be charged the ordinary market price for goods and from this source alone considerable profit should result to the Shareholders.

The Shares of the Company have been placed at \$20.00 each with a view Clark, Arthur Lunney. to having them distributed as widely as possible and in this way secure from the beginning a very large volume of trade. The holdings of each Shareholder will be limited to Five Shares or a total of \$100 until by a majority vote of all the Shareholders larger holdings are thought to be Clark, Hugh Hendry. desirable in the interests of the Com-

fact there wasn't a dissenting voice, and the success or failure of the Drs. candidature cannot in any case be ascribed to any dissentiafection on to the
