(This Week's Budget)

Mr and Mrs W. J. Greenwood took a trip down to Molesworth on Wednesday of last week and spent a few pleasant days with Mr. and Mrs. George Robertson.

George Smith of near Guelph was the guest of his uncle, Mr. Geo. Blair recently, and while here, he and Mr. Artie Blair took a trip over to Proton to visit his brother Robt. who is doing well.

This neighborhood regrets very much to lose Miss Sarah Jack, who left Tuesday morning for Rochester. A clever house-keeper, an energetic practical helper in church and social life and one of Zion's most faithful Sunday School teachers, Miss Jack's place is hard to fill.

Mr. and Mrs. A. Rutherford Sundayed at the latter's old home.

Mrs. James Nelson's sister from near Galt, accompanied by one of her three bright children spent last week with Mr. and Mrs. Nelson on the 4th.

Mrs. Henry Firth of the 4th Con. spent the greater part of last week with relatives in town.

Mr. August Diner of the 12th con. has sold his farms of 238 acres to Mr. Seneitzler of Greenock and has purchased a magnificent farm five miles west of Walkerton. His purchase consists of 100 acres, having a large bank barn, stone house with brick kitchen attached and every foot of it choice soil; also fifty acres near suitable for pasture and part wooded.

'Tis reported that Mr. Diner gets \$5000 for his property here, which is a snug one.

After suffering intensely from cancer in the lip and throat for several months, Mr. George Anderson third son of the late Thomas Anderson passed away at 4 p. m. on Wednesday of last week. Deceased was born in Dumfries Co., Scotland fifty-two years ago, and when a babe the family came to Canada. He has been a Glenelger ever since. The funeral took place from the old homestead on Friday afternoon to Zion cemetery and was largely attended. Rev. Mr. Matheson, of Prieville conducting the service at home and graveside.

The members of the family present were Mrs. Grant, of Toronto Mrs. Mantell of Tilsonburg who has assisted the aged mother through all the summer and fall. Irving of the 5th con. and Tom of the old home.

The other living members of the family are John in Wisconsin, James in Fort William, Sandy in Calgary, and the two Mrs. Simpsons not far from Calgary. Much sympathy is felt for the aged mother.

Miss Maggie McNally went to Owen Sound to assist her sister Bertha, whose baby was very ill.

Miss Stella Jack had a quilting bee on Wednesday afternoon of last week and a merry party at night.

W. L. Falkingham had the misfortune to have his leg jammed a week ago and is some what crippled yet.

(Intended for last Week)

Thanksgiving greetings to old friends far and near and to THE CHRONICLE readers nigh at hand.

Mr. Limin Sr., of town assisted Rev. Colling in Zion's afternoon ser-

vice. He is full of vim, zeal and spirit.

Mrs. John Hudson of Haover suburbs and Mrs. Robt. Millburn spent a day or so at the Peart home-stand.

Messrs. Will Kerney and Sandy Ellison arrived home from Arcola, Assa., on Election night, too late to add to Miller's majority. Both are hearty and have many good things to say about the West; but wouldn't advise any man in fair circumstances with a good home to go out there, as there are many discomforts.

Mr. John McKechnie of the 11th con., has added greatly to the appearance of his farm, by a strong wire fence across the front.

Mr. James Ross of the mill has his new sawmill boarded in and shingled. Tom Glencross took a run down into Egremont on Saturday and bought four head of good yearlings from Joe Lennox.

Mr. John McArthur's sale on Friday of last week was very successful. The cattle were in prime order and sold well. John has rented his farm for three years to Wilt Watterson, and will move the family out to Aberdeen, in Bentinck, where he is employed to attend to the electric light plant.

Zion Sunday School closed on Sunday last. It has had a most prosperous season. The average attendance was forty-two, and eight never missed a day. The receipts for the season was \$42.00 and there is a cosy balance on hand. Twenty-four new volumes were added to the library this week making a total of four hundred and ninety-four volumes in it. Hearty votes of thanks were given the teachers and officials at the closing.

On Monday morning in St. John's a very happy union took place between Mr. Micheal Quillinan and Miss Mary A. Ryan, eldest daughter of the late Timothy Ryan of the 4th con. The ceremony was performed by the Rev. A. C. Walter D. D. in the presence of a large crowd of invited guests and admiring friends and neighbors. After the marriage service, the bridal party drove to the home of the bride's mother and a dinner of the choicest of good things was most heartily enjoyed. The bride looked very bright and pretty in her hand made wedding gown, and the groom was as happy as man can be. He is a fine fellow, Mike, popular with old and young and he's to be heartily congratulated on winning such a bright cheery homemaker. A jolly crowd drove to Markdale to catch the evening train as the happy couple are to spend their honeymoon with the groom's sister in St. Louis. The bride received a lot of useful and handsome presents. May their union be a most happy and joyous one.

On Tuesday morning in Markdale, Miss Flora McDonald of the 6th con. and Mr. John O'Hanly of the 8th were made one by the Rev. A. C. Walter D. D. The young couple are widely and most favorably known. The groom is a well-to-do farmer and his bride has the reputation for being a model housekeeper. We very much regret not knowing the particulars of the happy event, but join with their many friends in wishing them life's most valued gifts.

A Good Complexion

Is a joy to every woman's heart and a man is vain enough not to despise it. Beautiful complexion means pure blood, or in other words a healthy body. Tens of thousands of women take Ferrozone because it is a splendid blood builder, keeps the system in perfect order and helps the complexion wonderfully. "I consider Ferrozone the best remedy to give you a clear ruddy complexion I know of." writes Miss Ada E. Brandon of Pembroke. "My skin used to be sallow but after taking a few boxes of Ferrozone a rosy tint was noticeable on my cheeks. I can recommend Ferrozone as a tonic also." For good health and beauty use only Ferrozone. Price 50c. at druggists.
