MISS DICK

McIntyre Block. — Durham, Ont.

Flesherton.

About three months ago Mr. and Mrs. J. W. Benson, very highly respected residents of the 8th con. Artemesia, retired from their farm to a comfortable home at Brooke, near Owen Sound. Six weeks ago Mrs. Benson, who had been in poor health was taken seriously ill and despite the best medical attendance passed away on Saturday the 19th ult. On Monday following her remains were brought to her old home now occupied by her son W. A. and from there the funeral which was largely attended, took place on Tuesday to Salem cemetery near by. An impressive service was held in Salem church conducted by Rev. J. B. Wass of this place. The deceased who was 48 years of age, was a daughter of the late John Magee one of the earlier settlers near this village. She was a very highly respected woman in the community, an affectionate wife and a devoted christian mother whose last hours were full of prayerful thoughts for the salvation of her children. Her husband four sons and two daughters survive her. James and Wm. Magee of the 8th con. and Mrs. D. Jamieson at Portlaw are the surviving brothers and sister of the deceased.

On Tuesday evening of last week L. O. L., No. 883, at Ceylon, held a very successful box social in their hall the proceeds amounting to nearly \$50.00. A pleasing programme was rendered which in part consisted of vocal solos by Mr. R. L. Pedlar, of Eugenia, Violin solos by Mr. Kennan of Owen Sound, and M. A. Park, of Proton Station, and bagpipe selections by Mr. P. McArthur, of Priceville. Mr. J. Wood occupied the chair. On the following a delegation from the Lodge visited the Industrial Home at Markdale and presented Mr. Fred Gee, an invalid who has been long a member of the Order, with an invalid's wheel chair. Mr. D. McLeod made the presentation which was gratefully and graciously acknowledged by Mr. Gee who we trust will be long spared to enjoy the gift of his brethren of 883. The Home matron kindly served refreshments to the visitors before their departure for home. It was we believe their first meal in the poor house and the matron's hospitality was much enjoyed.

In our recent notice of village improvements we omitted Mr. M. McDonald's residence neatly veneered with red and white brick. Mr. and Mrs. Andrew Carr's residence has recently undergone improvements

which will add much to their comfort especially for the latter who is in a very frail condition.

On Friday last while sleigh riding on the street near his own home Herbie, the 11 year's old son of Mr. James Sullivan, was thrown from his sleigh against a shade tree and sustained a bad fracture of the thigh bone. He was conveyed home and Dr. Carter set the broken limb which will keep master Herb in trying confinement for a few weeks to come.

A load of about a dozen young people of Dundalk and a few young friends spent an evening last week very pleasantly with Mr. and Mrs. Hickling.

Mrs. W. A. Armstrong entertained fifteen of her lady friends at a five o'clock tea on Friday last.

Mrs. (Dr) Murray is now in a private hospital in the city receiving message treatment for displacement of the stomach which if not remedied in this way may necessitate a surgical operation. Mrs. Murray's friends sincerely hope the treatment she is now undergoing may prove effective.

Mr. T. W. Wilson is reported improving in the Toronto General Hospital and Mr. D. Clayton of Collingwood, who has been ill with fever for several weeks is also recovering satisfactorily.

Miss Bella McKenzie, of near Ceylon, who has been an invalid with severe rheumatic trouble for some time is in Toronto under special treatment and we learn is being benefited thereby.

Mr. Thos. Cook is very ill at the home of his parents Mr. and Mrs. R. Cook, Ceylon, Dr. Ego of Markdale was in consultation with Dr. Carter on Sunday.

The Flesherton bus made its initial trip on runners for this winter on Saturday afternoon last. Since then sleighs and cutters have been out in abundance and good use is being made of the beautiful snow.

Messrs. Harry and Robt. Thistlewaite have returned from New York State, and have joined their brother John and the Best brothers in a wood contract with Mr. R. McGill, who is preparing for market the timber on his farm near Ceylon.

Rev. J. S. I. Wilson was at Chatsworth conducting Missionary service on Sabbath last. Rev. C. Cocking of that place supplied the Eugenia circuit and the pastor Rev. J. B. Wass took Mr. Wilson's work here. Being temperance, Sunday Mr. Wass spoke in the evening on that subject. Rev. Mr. Thom also gave a temperance sermon in the Presbyterian church in the afternoon.
