Traverston.

(Continued from last week)

Miss Lizzie Scott, the new teacher in No. 5, has made a very favorable impression on both pupils and parents. By the by, we forgot in our last budget, to say a word or two about Mr. Will Ritchie, who has taught in No. 5 the last three years. He is noted for his kindness and the relationship between teacher and pupils was most harmonious. Generously he treated them the closing day of school.

Miss Martha Anderson came up from Toronto on Saturday and returned on Tuesday. She spent three months in Dauphin, Manitoba, this fall, but did not fall in love with the country.

Misses Mary McNally and Olive Cook and Masters Roy McNally, Earnie and Tommy Cook spent a jolly New Year's Day with Bentinck friends on Monday.

Mrs. Peter Neil spent the greater part of last week in Hamilton.

Mrs. McClocklin sr enjoyed the New Year's feasting with members of her family in Durham.

On Wednesday evening of last week a very happy wedding took place between Mr. Samuel H. Edwards of Bankhead Mines, Alta, and Miss Otta MacHarrison, of Caledon suburbs. The ceremony took place in the spacious parlor of the old stone home which was beautifully decorated for the occasion. Rev. Mr. Stanley Robinson, the bride's pastor, a genial popular Presbyterian of the modern type tied the silken knot. The bride was given away by her father. She wore a lovely gown of white organdie and dotted netting trimmed with lace and baby ribbon and white silk sash. A spray of white bridal roses clustered in her hair, and she carried a shower bouquet of ferns Roman hyacinths and roses. Misses Jessie MacFarlane, niece of the groom and Alva Reid, niece of the bride were a pair of winsome flower girls, in their white costumes with their laden flower-baskets. After the good wishes, the bounteous feast of good things, then, the hurried departure to catch the C. P. R. express north and the usual big shower of rice followed. The bride received most handsome gifts, that from her hubby being a set of sable furs. They are spending a most enjoyable time with friends here, who are vying with each other to make their visit a truly joyous one. After a fortnight, they return to Caledon for some days, then, to visit relatives at Port Arthur, Murills and White Fish and from there to the Rockies, where Sam has a first class situation. His bride is a maiden of winning manner, bright gifts and they begin life together under most promising circumstances. May the sun of health and prosperity shine ever upon them.

The municipal strife is over and of the eight good men, four choice ones are happily chosen. Reeve McFadden by acclamation. Weir made a great run. Ward one holds a big vote. E. W. Hunt has reason to be proud of the result, as he polled heavy all over the township. Arrow-smith holds a warm spot in the hearts of the electors. The old, war-horse McMillan cantered easily into fourth place. The genial Mike Kenny surprised some of the old heads with the big vote he captured. His chances are good in another contest. Wm. Kerney suffered from his name being so close to Kenny's and from three men running in his own corner. M. Black's own wife didn't know he was in the field until two days before the election and his friends weren't aware of his coming

Hobbled Six Years With Rheumatism. The Remarkable Case of Mr. Cullen, A Chronic Sufferer, Who was Cured in Six Weeks by Ferrozone.

Mr. Cullen of Sturgeon Bay writes: "For six years I hobbled about like a cripple, unable to move without crutches and canes. I used quantities on medicines, and special baths, but they didn't help me very much. "On the advice of a Presbyterian minister I used Ferrozone, gave it a good trial at first, and when I saw it was helping, I bought six boxes and took one tablet at the close of each meal. I am perfectly cured, and am to day as spry as a youngster of ten. I am convinced that my recovery is entirely due to Ferrozone."

Mr. Cullen's case is a fair example of the kind of cures that Ferrozone is effecting every day. In severe cases of Neuralgia, Sciatica, Rheumatism, and Lumbago, it acts with surprising alacrity, and no case is recorded where it failed.

Ferrozone cures these diseases because it is a solvent for uric acid in the blood. Then it builds up and invigorates the system, and makes weak, sickly people strong and well enough to resist and ward off disease.

The best Rheumatism remedy is Ferrozone. It relieves quickly, and cures so perfectly that the disease never returns. After all other remedies fail, it cures, and that is the sort of medicine you want. Price 50 cents per box, or six boxes for \$2.50. Sent to your address by mail if price is forwarded to The Ferrozone Company, Kingston, Ont.

out until the last few days. He scored well taking in the situation. Mr. Sullivan is considered to be too old by the majority of electors, hence his vote is small. A more harmonious meeting on the eve of an election we never saw in our Township Hall. The defeated candidates retired most gentlemanly and in courteous language. A number of the electors made neat, pithy speeches. Reeve McFadden ably presided and wished the electors a most prosperous year.

When Your Appetite Fails.

And it makes you dizzy to even think of eating, you need Ferrozone the greatest appetizing tonic. It builds up the whole body, the taste becomes aware of new flavors in food you never noticed before. A relish and after—satisfaction in eating is another result from Ferrozone which improves the digestion and converts everything eaten into nourishment for the blood, and brain and nerves. Just one Ferrozone tablet after meals easy to take and pleasant. Try Ferrozone. Price 50c. at druggists.
