The Western Fever.

We venture to state that the "western fever" is more prevalent to-day in Canada than ever before and that it will become more acute. The agencies to that end are various. Trade expansion, following the rapid settlement of land areas is responsible for much of the movement. The branch wholesale warehouse in the prairie country affords a step upwards for the ambitious Eastern clerk. The prospective construction of the Grand Trunk Pacific will induce thousands to move towards the land of the setting sun. All classes follow a railroad; the farmer who prefers new openings, the land agent who induces settlers in settlements of his own location, and the various kinds of people who feed, clothe, and labor for the settlers at the front. In their train follow the hundred and one varieties of tradesmen and professional men who serve their fellows. The young men of the Eastern cities have a tempting prospect opening up before them. Before deciding to "settle down" they would do well to ponder over Horace Greeley's historic words of advice: "Go West young man!"-Montreal Star.

Cured His Mother Of Rheumatism.

"My mother has been a sufferer for many years from rheumatism," says W. H. Howard of Husbands, Pennsylvania. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by H. Parker.

Fewer Exhibitions Desired

The leading Agricultural societies of the Province are evincing considerable interest in the suggestions that has been made by Mr. H. B. Cowan, Provincial Superintendent of Agricultural Societies, that the number of exhibitions held annually in Ontario should be materially reduced and that Agricultural Societies should receive their grants in proportion to the amounts they expend for agricultural purposes. Such a change would do away with all distinction between the township and the district societies.

The Ontario Fruit Grower's Association has passed a resolution approving of these suggestions and expressing the belief that such a change would result in larger sums of money being expended for agricultural purposes. The Executive of the Dominion Shorthorn Breeders' Association, at its annual meeting in Toronto, on January 16th, also passed a resolution approving of these suggestions and stating its opinion that fewer exhibitions would result in larger attendances, better prizes and better exhibits, as well as a reduction in the undesirable features now so prevalent at many exhibitions.

Stomach Troubles and Constipation.

"Chamberlain's Stomach and Liver Tablets are the best thing for stomach troubles and constipation I have ever sold," says J. R. Cullman, a druggist of Pottsville, Mich. They are easy to take and always gives satisfaction. I tell my customers to try them and if not satisfactory to come back and get their money, but have never had a complaint." For sale by H. Parker.

PSYCHINE

A CANADIAN REMEDY
-HOME CURES

MISS GARRATT, Susscx, N.B.

"My daughter, when she was 5 years old, was troubled with a very bad cold for over six months. She was short of breath, and seemed to be choked up all the time. The doctor said it was catarrh of the head and throat, and gave her medicine for it, but it gave no relief. Seeing Psychine advertised, I decided to try it, and before she had finished the first bottle she was as well as ever. The catarrh never returned, although 14 years have passed away since then, and she is now grown to young womanhood."-Mrs. Wm. Garratt.
The first stages of catarrh are commonly called catching cold. It may begin in the head, nose, throat, lungs, or stomach. In the majority of cases no attention is paid to a cold until serious complications set in. Neglect is a sin against yourself, your friends, and loved ones. Symptoms of catarrh, coughs, or colds are often cured with only one bottle of Psychine. Psychine can be purchased at any drug store, at \$1.00 per bottle.

Psychine is pronounced Si-keen For sale by all druggists. For further advice and information write Dr. Slocum, Limited, 179 King street west, Toronto, Canada. Sold by all druggists at \$1.00 and \$2.00.
