**BLOOD DISEASES**

If you inherited or contracted any blood disease you are never safe unless the virus of poison has been eradicated from the system. At times you see alarming symptoms, but live in hopes no serious results will follow. Have you any of the following symptoms? Some throat ulcers on the tongue or in the mouth, hair falling out, itching pains, itches of the skin, sores or blotches on the body, eyes red and smart, dyspeptic stomach, sexual weakness—enlarged glands. Don't trust to luck. Don't ruin your system with the old fogy treatment—mercury, poisons and potent medicines, which suppress the symptoms for a time only to break out again when happy in domestic life. Don't let quacks experiment on you. Our NEW METHOD TREATMENT is guaranteed to cure you. OUR GUARANTEES ARE BACKED BY BANK BONDS that the Blood or Skin disease will never return. Thousands of patients have been already cured by our NEW METHOD TREATMENT for over 20 years, and no return of the disease. No experiment, no risk—not a "patch up," but a positive cure. The worst cases solicited.

**HAD BLOOD POISON 12 YEARS**  
The New Method Treatment Cured Him after Drugs, Mercury, Hot Springs, &c. all failed.

Wm. H. Patterson, of Saginaw, Mich., relates his experience: "I do not like notoriety and especially of this kind, but I feel I owe this much to Drs. K. & K. for the great good they have done me. I had a serious blood disease when 24 years of age. The skin and blood symptoms gradually developed. Pimples and ulcers formed, running sores broke out, hair became loose, pains in the bones and joints, dyspeptic stomach, foul breath, itchy skin, etc. It is needless for me to say I tried doctors. I grew to hate the looks of one. I visited Hot Springs twice for four months each time. It helped me temporarily, but in six months after returning home I was as bad as ever. Finally a doctor friend of mine advised me to see Drs. Kennedy & Kergan. He said he had known of them for over 20 years, and they were ought to be expert in curing them. I was afraid of advertising doctors, as they made a specialty of these diseases and treated the worst cases by the bundle. I took his advice. They agreed to treat me under a guarantee or no pay. I commenced the new method treatment. The eruptions disappeared in two weeks, the bone pains in four weeks and in four months I was entirely cured. Yes, sir, I can recommend the New Method Treatment for Blood and Skin Diseases."
