THE GENTLER SEX

A woman may know that she has ceased to be a bride only—

When she finds herself saying uncomplimentary things to her husband.

The first time her husband criticizes her frocks

When she discovers she is jealous.

When she grows economical with his kisses.

When she begins to nag.

When she becomes sarcastic about the food.

When she does not mind coming to the breakfast in curl papers.

When she tells her how pretty some other woman looks.

When she begins to eulogize his mother

When a meal becomes so quiet that she can plan a whole frock between the courses.

When he begins to go to his club

When she begins to hunt up her old friends, and enjoys calling on them.

When he comes in late to dinner.

When she forgets to come home from the matinee in time to greet him before dinner.—Minneapolis Tribune.

HOG PROFITS

The hog is a machine to make pounds of pork. In raising hogs for the market, the profit is rapid and healthy growth. Feeding to simply sustain life makes you no profit. A food that will fatten your hogs in the shortest time, and with the least waste, is the profit maker. To get the most good out of its food, the hog must thoroughly digest and assimilate it. It is this assimilated food that makes the pounds of pork. The addition of Clydesdale Stock Food will enable it to do this. It creates an appetite for a full ration. Many farmers seem satisfied to let the hog "root" for itself. There is no better money maker on the farm if given half a chance. Clydesdale Stock Food will enable you to get your hogs to the market at least thirty days sooner; this is money saved. Mr. A. D. McDonald, Jericho, Ont., says: "I fed it to six fattening hogs as a test and found the hogs that received Clydesdale Stock Food made a decided gain over those that received none." This is "WISE FEEDING." Don't neglect the "RUNTS"; they can be made to grow, and be kept growing, by using "Clydesdale Stock Food." It will also keep your hogs in such healthy condition as will enable them to withstand Hog Cholera the greatest menace to hog raising. Keep your hogs and pens clean by using Carboline Antiseptic; as hogs thrive better when clean. If not satisfied after using, your money will be cheerfully refunded by our dealers in your district namely:

Reflections of a Bachelor

A woman goes to an afternoon tea in the same state of excitement as a man does to a horse race.

If you try to whisper to a girl she acts like she was afraid she might try to kiss you against her will.

Most men are willing to let their wives train the children, but they insist on training the dog themselves.

If the house catches on fire a woman wants to save her love letters and the baby's first pair of shoes.

A man could save a lot of money by stopping smoking if he didn't have to spend much more to keep from getting mad with himself for doing it.—New York Press.

Honor is without profit in its own country.

Figure is one-quarter stays and three quarter clothes.

A girl calls it a compliment when she thinks you mean to pay it.

A man has an idea that either he will invent something some day or inherit money.

A woman can hardly ever have as much faith in her husband's judgments as in some newspaper clipping she is always cutting out.—New Press.

An Arch-Enemy of the Age

Not war, more deadly than this modern butchery—but Catarrh which leads to consumption kills annually more than famine and war combined. The doctors now successfully fight catarrh with a remedy that never fails—"Catarrhazone," it's death to every type of catarrh. It destroys every root and branch of the disease so thoroughly that a relapse need never be feared. If troubled with colds, nasal or throat catarrh, or subject to bronchitis or asthma use Catarrhazone and you'll be cured forever.

A farmer had a dream. He dreamed that he had raised a thousand bushels of wheat and he was happy over the fact. Then he dreamed he sold it for \$1 a bushel and his happiness was great. But he dreamed now that he had sold it to a thousand different people, a bushel to each one, and that nobody had paid him—and he was sad. When he awoke it was broad daylight, and, leaping out of bed, he exclaimed to his wife: "Rebecca, I have had solemn warning, and I know the meaning of it. I am going right off to town and pay the printer the money I owe him on the paper."

Mark Twain was visiting H. H. Rogers, who led the humorist into his library. "There," he said, as he pointed to a bust of white marble "what do you think of that?" It was a bust of a young woman coiling her hair, a very graceful example of modern Italian sculpture. Mr. Clemens looked at it a moment, and then he said: "It isn't true to nature." Why not?" Mr. Rogers asked. "She ought to have her mouth full of hair pins," said the humorist.

"Did I ask you to marry me last night at the dance?"

"Good gracious, no! Why?"

"Well, er—you know—got excited, and I often do silly things when I'm like that."

Truth crushed to the earth will rise again, but the public is generally too busy digesting the falsehood to notice the rise.—Cincinnati Commercial Tribune.

NO MORE PAINS IN THE STOMACH

Because the Greatest of Stomach Remedies Was Used

Ferrozone.

Mr. R. Harris of Rockwood, Ont., writes: "In regard to Ferrozone, I am glad to say it is the most excellent remedy for stomach trouble. Before using Ferrozone I was in a poor state of health, but after taking a few boxes I was cured of pains in the stomach and a soreness in the back. I am enjoying the best of health today, thanks to Ferrozone."

Mr. Ernest V. Jordan of Trenton, writes: "I had a very severe attack of stomach trouble and indigestion, which completely upset me. I was advised to try Ferrozone, and did so. Since using Ferrozone I have not had any further trouble, and can recommend it as a positive cure. My wife also found Ferrozone a good tonic and nerve strengthener."

Everybody that ever used Ferrozone speaks just as highly of it. It strengthens the stomach and digestive organs and assists them in carrying on their work. Ferrozone purifies the blood and gives new energy to the nerves. It is the best tonic and rebuilding and good for young and old alike. Just try Ferrozone; results will astonish you. Price 50c. per box, or six boxes for \$2.50, at druggists, or The Ferrozone Company, Kingston, Ont. Don't delay. Get Ferrozone to-day.

An exchange says:—"We have seen no robins, but while out for a walk we saw three games of marbles in progress; a dazo tin pedler out in the open; a pair of hobos fresh from the south land; forty women line up in front of a show window upholstered with spring millinery; and a fate defying yap wearing a suit of clothes so riotous that it scared teams in the street with a red bouquet nailed on, so we know spring is headed this way."

Chamberlain's Cough Remedy the Best and Most Popular

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for la grippe," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy for than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold at Parker's Drug Store.

A FIENDISH ACT

Tucson, Ariz., April 5.—Mr. T. C. Lamb superintendent of the Tres Amigos mine, has been blown to pieces while asleep in his house at the edge of the town. Several sticks of dynamite were placed under a corner of the house and a five-foot fuse was attached. When it exploded the house and contents were scattered all over the hillside. Fragments of Lamb's body were found in places half a mile apart. Lamb's wife and family were in the east on a visit.

At the coroner's inquest a verdict of murder by persons unknown was returned, but arrests were expected to follow. Lamb had been involved in several bitter disputes about mining properties. A strict investigation is being made.

For a Weak Digestion

No medicine can replace food but Chamberlain's Stomach and Liver Tablets will help you to digest your food. It is not the quantity of food taken that gives strength and vigor to the system, but the amount digested and assimilated. If troubled with a weak digestion, don't fail to give these Tablets a trial. Thousands have been benefited by their use. They only cost a quarter. For sale at Parker's Drug Store.

Keep your bowels regular by the use of Chamberlain's Stomach and Liver Tablets. There is nothing better. For sale at Parker's Drug Store.

A great institution is the postoffice. Here the man who doesn't believe in advertising tucks up his notice to the effect that he has lost his dog. Here the school children meet three times a day to stomp the snow or mud off their feet, playing tag to the distraction of the waiting business man, and wind up by filing calmly past the wicket, and asking, six from the one family, for the long expected post card, which never comes. Here, the older generation congregate to while away the waits for mails in learned discussion of the political issues of the day. Here dates are made between smiling damsels and their beaux, and when the day is over its here that the postmaster soliloquizes on the consideration which the public display for him and the eloquence with which the day's multitude has spit on the floor, and scattered peanut shells from corner to corner and gleefully locks the door just in time to shut out the seventh member who has designs on carrying home the family mail for the day.

Never look for birds of this year in nests of the last—Cervantes

Bill had a bill board. Bill also had a board bill. The board bill bored Bill so that Bill sold the bill-board to pay his board bill. So after Bill sold his bill-board to pay his board bill, the board bill no longer bored Bill.

An Owen Sound correspondent writes that a "Jack-the-Hugger," has appeared there, and has already strenuously kissed several ladies. The result is that the streets are crowded nightly with old maids, who are bound to catch the hugger or know the reason why.

In speaking of parents allowing their children to gad the streets at night the Hamilton police say, to save themselves from disgrace and to keep their children out of reformatories and jails, parents should keep them home at nights and know where they are when they are out.

If you observe a peculiar expression in your wife's eyes during the next few weeks do not feel alarmed. It is the wall paper stare, and is acquired by looking at a half dozen patterns at the same time, and figuring how they will look on the parlor walls.

Dropped All Others.

"I dropped all liniments but Nerviline because I found Nerviline the quickest to relieve pain," writes E.S. Benton of St. John's. "If my children are sick, Nerviline cures them. If a case of cramps or stomach ache turns up, Nerviline is ever ready. We use Nerviline for neuralgia, rheumatism and all kinds of aches and pains; it's as good as any doctor." The great Canadian remedy for the past fifty years has been Polson's Nerviline—nothing better.

A very painful accident happened at the foundry on Monday, by which Mr. John Dunn lost the fingers on his left hand. He started to work on the surface planer and while planing a board, lost his balance and his hand came in contact with the knife cutting off three fingers at the knuckle joints and mutilating the forefinger so that he had to lose it also. Much sympathy is felt for Mr. Dunn. He has worked with the same planer for many years and has been around machinery all his life and everyone regrets the sad mishap.—Tara Leader.

On Friday afternoon while Mrs. Jos. Cooper, of Salem, was cleaning off the side-board, she laid a bottle of oil of hemlock, used as a medicine for colds (one drop being a dose for a child) where her four-year-old son got hold of it and swallowed the contents. As the stuff was poison, doctors were telephoned for and everything done in the meantime to try to get the poison out of the child's stomach. He took the boy, then in convulsions, to a hotel, and after four hours' work the doctor brought him around. As he had a relapse on Saturday but is now out of danger, though he has a very close call.—Grand Valley Star-Vidette.

Rheumatic Pains Quickly Cured

The excruciating pains characteristic of rheumatism and sciatica are quickly relieved by applying Chamberlain's Pain Balm. The great pain relieving power of the liniment has been the surprise and delight of thousands of sufferers. The quick relief from pain which it affords is alone worth many times its cost. For sale at Parker's Drug Store.

FIRE CHIEF KILLED

Alexander W. Atchison of the Hamilton Brigade Hamilton, April 6—A collision occurred between Chief Alex. Atchison's buggy and a fire reel at Sir John McDonald's monument. John and King streets, yesterday forenoon while the firemen were responding to an alarm of fire. The chief was thrown up in the air and alighted on his head on the monument. His skull was crushed, and he was taken in an unconscious condition to the city hospital, where he died at noon, about an hour after the accident, without regaining consciousness. The driver of the chief's rig, Fireman Britton was thrown out and badly injured, but it is thought he may live. The chief leaves a grown-up family.

About Rheumatism

There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale at Parker's Drug Store.
