**THE LITTLE FOUR YEAR OLD SON** of Dr. McGregor, of London, was bitten by a supposedly mad dog, in London, on Thursday last. He has been taken to the Pasteur Institute, New York, for treatment. The dog has also been sent there for examination, and as a result of the case the Mayor of London has issued a proclamation, requiring all citizens who own dogs to confine them for the next six weeks or so. Dogs running at large are to be shot. This is the time of year rabies is prevalent, and we would advise all who own dogs in Durham to keep a sharp lookout for indications of the terrible disease.

**MR. JAMES LAVELLE**, recently transferred from the Durham Palmerston branch of the Grand Trunk, to the passenger run from Stratford to Owen Sound, came up on Saturday night to make arrangements for moving his family to Stratford. Mr. Lavelle is very much pleased with his new run, and though regretting to leave Durham, where he has been a resident for so many years, he feels he has a little easier position at more pay than formerly, though his expenses will be much heavier. We regret to lose Mr. and Mrs. Lavelle from our town, and join their many friends in wishing them good luck and prosperity in their new home.

**THE BASEBALL MATCH** on the Exhibition Grounds on Friday evening, was well attended, and though our boys went down to defeat at the hands of the Browns, of Harriston, the spectators were well pleased at the showing they made against, probably the best team in Western Ontario. At the close of the seventh innings, the score stood 7-4, the Harriston pitcher was being hit pretty freely and had the light permitted the game to have gone on the other two innings, indications are that if the home team had not been ahead, the score at least, would have been more even. A couple of fumbles and short throws to first, at a critical stage of the game on the home team, was partly responsible for our boys' defeat, but with a little more practice, we hope to see them among the first teams of this part of the country.

**THE 20th CENTURY FLYER**, the blue blood train of the New York Central lines, was wrecked on Wednesday of last week, at Mentor, Ohio, about 20 miles east of Cleveland, when eight persons were killed and thirteen injured. The train was running at the rate of sixty miles per hour, and ran into an open switch. Four of the five Pullmans were ditched, the fifth one remaining on the track. The switch is supposed to have been opened purposely to derail the train, as another "flyer" had passed through in safety about three quarters of an hour before, and no train, freight or passenger had passed between.

Mayor Hunter has declared Friday July 7th. as a town Holiday to meet the request of a petition from a large number of our townspeople who wish to take advantage of the cheap excursion to Niagara Falls on that date. This is the most delightful season of the year, everything looking its best. It gives a grand opportunity for the people in and around Durham to picnic together where they can spend one day in the year from business cares, viewing while at the Falls the great natural wonder, and also the great power works now under construction.

### OBITUARY.

**MRS. JOSEPH CORBETT.**

We regret this week to record the sad circumstances which led to the death of **Mrs. Joseph Corbett**.

About two weeks ago she was on the train from Gravenhurst to Toronto, intending to go to Galt to visit her daughter, **Mrs. Parker**. The train was in motion and she walked to the rear end to get a drink of water. The deceased lady was about 70 years of age, and it is supposed she did not notice that in opening the door she was going out on the rear platform, from which she slipped off, or walked off. Falling heavily to the ground she was considerably shaken up, but strange to say there were no external evidences of injury. She was again taken on board and removed to the hospital in Toronto where she died last Thursday.

The remains were taken to Durham for interment and the funeral arranged for Monday afternoon, but a short service being held at the appointed time interment was postponed to await the arrival of a son, **James**, who started from Los Angeles before his mother's death and did not arrive until Monday night.

Deceased was born on Yonge St. near Toronto, seventy years ago the 9th of next month. In 1859 she was married at Galt to **Joseph Corbett** who survives her. Next year **Mr. and Mrs. Corbett** removed to Durham and lived in the vicinity ever since until about three years ago, when they retired from farming in good comfortable circumstances, and having since been living with their children at the Sault, Gravenhurst and Galt.

Nine children remain. **Thos. B. John**, **Wm.** and **Mrs. Montgomery**, at the Canadian "Soo," **Mrs. John Armstrong** at Gravenhurst, **James** of Los Angeles, California, **Joseph** of Indianapolis, **Mrs. Parker** of Galt and **Mrs. Thos. Livingston** of Durham. All were present at the burial Tuesday morning except **William** and **Joseph**. The friends and relatives have the sympathy of the community in the sad circumstances under which they have been so suddenly and unexpectedly placed.
