Child Not Expected to Live from One Hour to Another, but Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey of Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale at Parker's Drug Store.

Flesherton.

LAST WEEK'S.

One of the prettiest June weddings in this locality was that which took place at the residence of Mr. and Mrs. Richard Hoy, Collingwood road, on Thursday afternoon last, when their only daughter, Matilda, was united in marriage to Mr. Robert C. Phillips, of Toronto. The ceremony was performed by Rev. L. W. Thom of this place, in the presence of about forty-five relatives and friends of the contracting parties. The bride, who was given away by her father, wore a very pretty dress of white silk organdie, trimmed with lace applique and carried a beautiful bouquet of white roses. Miss Effie Phillips, sister of the groom, was bridesmaid and was prettily gowned in pale green, and carried pale pink carnations. Little Miss Gertrude Maunders of Toronto, was flower girl and looked very sweet in a gown of pale blue silk and carried a basket of red roses. Master Charlie Douglas of Meaford, was ring bearer, and looked very cute in a suit of brown velvet. Mr. Alex. Hoy, bride's brother, was best man. After the ceremony a dainty wedding breakfast was served, the tables being prettily decorated with roses. The young couple left on the evening train for Toronto where they will settle in their new home. The bride's going away gown was a handsome navy blue cloth with white silk blouse and large white hat. The bride was the recipient of a large number of beautiful presents.

On Wednesday of last week, when starting for Markdale with a load of Rev. Mr. Wilson's household goods, Andy Kennedy's team became unmanageable on the incline opposite Mr. Armstrong's jewelry store and a few rods further down collided with a tie post, upsetting the wagon and load broadside on the street. The tongue and one wheel of the wagon was badly broken, but we learn only slight damage was done to the contents of the boxes. The horses were uninjured.

Thirty pupils wrote at the Entrance Exams. here last week, twelve of whom were from Flesherton school. Principal Rowe, of Markdale, presided, and gave us a pleasant call while in town.

Flesherton football club played at Priceville last week, where the score was 1-1, and also at Kimberly, where the score was 1-0 in favor of the valley boys.

S. S. No. 4, east of the village, held their annual picnic in Mr. Quigg's bush on Dominion Day. A number from here attended the Forester's picnic at Vandeleur that day.

Born—On Friday last to Mr. and Mrs. T. A. Blakely, of this place, a daughter.

Rev. Dr. and Mrs. Caldwell arrived here on Friday night last, and were given a welcome at the parsonage, where the ladies had refreshments prepared for their coming. Dr. Caldwell preached his inaugural sermon in the Methodist Church on Sunday morning and made a very favorable impression on his congregation. The speaker's theme was "the rest that remaineth to the people of God" and was especially well adapted to the worshippers at the morning service. The sermon was well delivered and was thoughtful and uplifting in character. Service in the evening was withdrawn in favour of the Presbyterian Anniversary.

Large congregations were present at the anniversary and re-opening in Chalmers Church on Sunday when Rev. Dr. R. P. McKay, of Toronto, preached very able and edifying sermons which were highly appreciated by his hearers. Dr. McKay delivers the Gospel message with fluency and power and should be again favour Chalmers Church, will receive a hearty welcome. Dr. Caldwell was present and took part in the evening service. The choir rendered excellent music at both services. A festival and entertainment is to be held in the church this (Monday) evening.

Dr. Ern Armstrong, dentist, has commenced the practice of his profession, here.

The session of Chalmers Church elected Mr. A. S. Van Dusen representative elder to Presbytery for the ensuing twelve months.

Principal Mansell recently received a tempting offer to join the staff of a business college in Toronto. The School Board here have offered him a substantial advance in salary to retain his services, and have been successful in the matter. Mr. Mansell has done excellent work in the school since coming here. He and

MAUD BALLINGTON BOOTH

The Story of One Woman's Work for Humanity

One of the greatest philanthropists of the United States is Mrs. Maud Ballington Booth, whose life has been lovingly consecrated to the cause of humanity. In the nineteenth century, Elizabeth Fry, famous as "the prisoners' friend," made existence easier for the prisoners of England while they were paying the price of their crimes. In the twentieth century, Mrs. Booth was paying the price of America's new chance to battle honestly with the world, when the prison gates open outward to let them again into the sunlight.

Mrs. Booth, the daughter of an Episcopalian clergyman, was born at Lympsefield, England. When she was three years old her father, Rev. Samuel Charlesworth, moved to a large parish in the East End of London, where, amid misery and poverty, he found a noble field of usefulness. The first barracks the Salvation Army ever had was opposite the rectory, and Mrs. Charlesworth, a broad-minded, large-hearted woman, often took her children across the street to the mission services.

Maud, a beautiful young girl of fifteen, upon whose mind spiritual truths had made little real impression, suddenly had her heart touched by the services one night, and the great privilege of living the highest life and helping others to live it came to her with the luminance of a revelation. Two years later she became a soldier in the Army and did splendid work with General Booth's eldest daughter in France and Switzerland, and among their many adventures they were expelled from the canton of Geneva.

When she was twenty-one, on her marriage to Ballington Booth, they were sent to the United States, where they carried on a most successful campaign on aggressive lines for the Salvation Army. In 1896, owing to a difference of opinion with General Booth as to the policy of the internal management of the work directed at long distance from London, Mrs. Booth and her husband resigned from the Army and organized the "Volunteers of America," of which the "Volunteer Prisoners' League" is but a part.

This latter phase of the crusade of helpfulness, with all its financial burden, its round of visits, its organization and plans, has fallen on the shoulders of Mrs. Booth. Of the 86,000 prisoners in the State institutions of the country, 14,000 are enrolled as members, and when the prisoners leave their confinement they are taken to "Hope Halls," where they can get their bearings anew on life, have influence to secure honest labor, and a helping hand and inspiring environment while struggling toward better things.

Buy It Now.

Now is the time to buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is certain to be needed sooner or later and when that time comes you will need it badly—you will need it quickly. Buy it now. It may save your life. For sale at Parker's Drug Store.

How To Get Consumption.

Ninety per cent of the "lungers" contract consumption by allowing power of resistance to fall so low that a favorable condition for the development of the bacilli is provided. In a healthy system consumption can't take root. But where there is weakness and debility, there you find tuberculosis. For developing strength and building up the week, nothing equals Ferrozone. It makes the blood nutritious and the nerves enduring. The way it converts food into nutriment, the appetite it gives is surprising. Just what the man verging on consumption needs,—that's Ferrozone. If tired and weak don't put off. Fifty cents buys a box of fifty tablets—at all dealers.

Souvenir of Willie.

Willie was a gentle lad, General regrets Were felt when Willie one day took To smoking cigarettes. Willie kept on puffing Harder every day, Sister took the coupons and She put them all away.

Willie dear has left us; 'Twas a mournful shock. Sister cashed the coupons in And got a mantel clock. Now we gather round it As the minutes fly; It is something lovely to Remember Willie by.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale at Parker's Drug Store.

Good tea must be grown under proper conditions

LOW, damp or swampy lands in a warm, humid climate produce tea of rank, rapid growth, coarse in texture, woody fibred, rudely flavored—makes a cup heavy, murky in color, rough-tasting—it is poor tea.

But the Indian and Ceylon teas used to make the Red Rose brand are grown on the high lands of India and the mountain sides of Ceylon.

These teas are grown in clear dry sunshine, they mature slowly, the leaves of the Ceylon teas are tender, delicate, finely flavored, but not strong.

The Indian teas thus grown are full bodied, richly flavored, smooth in texture, strong.

Such Indian and Ceylon teas combined in Red Rose Tea produce a cup of a rich rosy brown, strong and smooth—all the richness and strength of Indian, all the delicacy and fragrance of Ceylon teas—that "rich, fruity flavor" which belongs alone to Red Tea—more qualities of tea excellence than any Indian or brand of Ceylon alone can possess.

Red Rose Tea is good Tea
