Twine! Twine!

We have made the best arrangement this year that was ever heard of in this locality for supplying the farmers with Binder Twine at the low price. Our first consignment is exhausted, but have completed a contract for a second supply equally as large. Do not be inconvenienced in any way. Place your order with us at once for your second requirement—in justice to us—so that we can protect you. Think of the Grain Bag and Three Rope Ties with snaps and rings with every 60 lbs. We are doing something special, all the time, for our farmer friends and customers.

Do not forget that we sell a splendidly equipped Natural Crook hand made Grain Cradle Nothing to equal it.

BLACK'S SPECIAL

Buy a gallon of Black's Special Machine Oil and you will be delighted with the working of your machinery.

We have a great assortment of Girls', Boys' and Men's Harvest Mitts and Gloves.

Buy a Horse Muzzle and you will not have any trouble with your grain horse.

REFRIGERATOR

What is home without a Refrigerator. Call and examine one we have in stock.

Don't forget that we sell ready-mixed paints prepared by all the leading mixers in Canada. Serwin-Williams is the best.

We still have a supply of Screen Doors and Window Screens.

A "Square Deal."

One of President Roosevelt's favorite mottoes is, "A SQUARE DEAL FOR EVERYBODY." We believe this principle should be lived up to in business as well as in politics, and we always endeavor to do our part. But if you want the squarest kind of a "square deal," here is your opportunity. We offer this week fourteen choice Square Pianos at real BARGAIN PRICES, and on terms to suit purchaser—a "Square" proposition all around.

Here are the "Square" and the Bargain Prices. Please note that each instrument has been put in best possible condition at our Piano Factory, and is GUARANTEED exactly as represented.

- 3 STEINWAY & SONS' PIANOS—Standard of the world, cost when new \$600 to \$700. Sale price..... \$100, \$150 and \$ 200
- 1 WEBER PIANO—Unusually good square piano. Sale price only..... \$ 89
- 2 EMERSON PIANOS—Square Grands, 7½ octaves, good clear tone, very desirable, for only..... \$110 and \$ 175
- D. L. FRY & CO, PIANO—One of the old reliable makers an astounding bargain..... \$ 85
- EVANS BROS. PIANO—Square Grand, very sweet, sympathetic tone, original excellenced still retained, only..... \$ 95
- NITSCHKE PIANO—A beautiful Instrument, cost \$500, now only..... \$ 100
- HEINTZMAN & CO.—Finished back and front..... \$ 135
- CHICKERING PIANO—Full 7 octaves, splendid practice piano..... \$ 60
- Other Pianos at..... \$20, \$30 and \$ 49

This is undoubtedly the very best lot of Square pianos we have ever seen, and we are sincere in our belief that equal bargains were never before offered. If you have room for a square, by all means secure one of these beautiful-toned instruments. Uprights at double the money would not be better in tone, action or service. In fact these squares are so good that we have no hesitancy in making this proposition; Within one year from date of purchase we will exchange for a new Upright, and allow full price paid. Is not this a "Square Deal"?

The above bargains will be sold on easy terms anywhere in Ontario. Call or write for full particulars, and "do it to-day," before some one else gets the piano you wish.

A Snap!

In Unimproved Farm Lands Suitable For Wheat Growing. Following is the Land:

All section 26 in Township 27, Range 32, West of the 1st Principal Meridian, containing 540 acres, more or less.

The South half and North West quarter have Hudson Bay Company title. The price of these 480 acres is \$11 50 per acre, terms \$8870 cash, balance being payable to Hudson Bay Company in five annual instalments, bearing 7%, the first of these being payable in November 1905.

The North East quarter is a Homestead, also held by the owner of the South half and North West quarter, and will be abandoned FREE in favor of the purchaser of these 3 quarter sections. The district is well supplied with good running water, having both the Assiniboine River and Stony Creek. The Duck Mountains furnish a permanent supply of building timber, while the Valley of the Assiniboine, 6 miles distant, furnishes an ample supply of fuel.

The soil is correctly described in the official report of the Canadian Government as being of a rich alluvial nature, with a clay subsoil, considered by experts the best for wheat growing.

Not the Oldest—Not the Largest Just the Best.

If you wish to receive the Best Commercial and Shorthand Education, it is necessary that you attend the Best—

The Mount Forest Business College

This College is the Best:—

Because each student is taught separately by his own desk.

Because all difficulties are thoroughly explained as they occur, thus avoiding loss of time to the students and enabling them to accomplish more than is possible in class teaching.

Because each student receives special attention in his weak subjects and may choose his subjects.

Because each student does his work independent of all others thereby establishing confidence in himself.

Because by attending the day and evening classes, students graduate in a short time and at a small cost.

Because its graduates are enjoying the best positions in almost every Canadian and American city.

Because this College enjoys the confidence of the Business Public.

Because it teaches Actual business from start to finish.

Because its Shorthand students are doing marvellous work, some writing 200 words per minute after attending only two months.

Because at the head of it is a man whose qualifications as a teacher are unexcelled and whose ambition is to see his students become good citizens, morally, socially and financially.

ADDRESS AND PRESENTATION.

The members of the Bible Class in the Crawford Presbyterian Church assembled at the home of their teacher, Mr. Wm. Cook, on Wednesday evening last, and as an evidence of the appreciation in which his services are held presented him with a magnificently finished easy chair. Mr. Cook, who was entirely taken by surprise, expressed his thanks and admiration for such courteous treatment in a few very appreciative words. After the presentation a very enjoyable evening was spent in the usual manner. The following is the address read:

MR. WM. COOK:

DEAR FRIEND AND TEACHER.—You will have noticed by this time that this little surprise party is composed chiefly of the members of your Bible Class.

We have waited upon you this evening to express to you in a few words our appreciation of your service to us as a Bible Class Teacher, a service which has lasting results, not alone through life but through eternity.

We know by your thoughtful teaching of the lessons that you have faithfully studied them for our benefit but the study of them will bring to you its own reward, for no one can put time and thought on Bible Study without being richer toward God.

We ask you to accept this gift from us as a little memento and with it we wish you and Mrs. Cook all prosperity.

We also hope you may be able to continue with us in your present capacity for some time to come, for our mutual improvement.

Signed on behalf of the Bible Class

HE WAS MR. STERLING.

James B. Dill, whose recent speech on "Graft" at Oberlin College impressed the entire country, told recently, apropos of graft, a story about a swindling tramp.

"The tramp," said Mr. Dill, had the alert, unscrupulous, bold mind that makes grafting successful.

"He was walking down a city street one day when he saw a little boy stoop and pick up something.

"He crossed over to the boy quickly.

"You have made a find, my lad?" he said.

"Yes, sir," said the innocent boy; "I have found a silver ring."

"I thought so," said the tramp.

"It's the one I just dropped. Now ain't it lucky I had my name on it?"

"What is your name?" said the boy, suspiciously.

"Sterling, lad."

"Take it, then. It's yours," said the boy, handing over the ring with a disappointed air.—San Antonio Express.
