What Flour Granulation Means in Bread-Making. Flour is composed of myriads of tiny granules. To make good bread these granules must be uniform in size. In poorly milled flour some granules are large, some small. The small ones absorb yeast, "rise" and "ripen" before the large ones—the result is bread of coarse, poor texture. The large granules are not developed into "sponge," they bake into heavy hard particles, spoil the texture of the bread and make it harder to digest. ROYAL HOUSEHOLD FLOUR is perfectly milled—all the flour granules are uniform in size—the sponge rises uniformly—the bread is even in texture—perfect in flavor—good-looking, appetising bread—easily digested. Ogilvie's back it with their reputation by branding it. Ogilvie's Royal Household Flour.

Western Fair. THE EXHIBITION THAT MADE ALL AGRICULTURAL FAIRS POPULAR. When Governor Simcoe laid the foundation of London, Ontario, one hundred years ago he knew it would grow to be a great city, but had no thought of the Western Fair. The Western Fair gives the people of this country an excellent opportunity for a pleasant outing at a minimum of cost, and at the same time develops their store of practical and useful knowledge. Its educational features have always been carefully fostered by the Directors. This year several important improvements of an instructive nature have been added. The celebrated 9th Highland Regiment Band will give three concerts daily during the exhibition. The entertainment department will be better than ever, and will include leaping the gap in mid air on a steam automobile. FOR INFORMATION WRITE W. J. REID, PRESIDENT, OR J. A. NELLIS, SECRETARY. LONDON Sept. 8 - 16, 1905

"There's joy enough to keep the whole world dancing" "Yes; but they'll tan you out of the church for it!" "Well, you kin holler 'hal'lelujah on the highway!" "Yes but they'll arrest you for disturbing the peace!" "Don't seem to be any hope for you." "Oh, yes! You can be just as miserable as you please!"—Atlanta Constitution.

Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but the inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENNY & Co, Toledo, O. Anglican S. S. Conviction. The Annual Sunday School Convention of the Rural Deanery of Grey was held at Chatsworth Thursday Aug. 17th. Most of the clergy and an exceedingly large number of delegates from the various Sunday Schools of the county were present. At eleven o'clock enthusiastic services were held in St. Paul's Church, the sermon being presented by the Rev. R. J. Newell, rector of Markdale. At two o'clock the Convention went into session and continued until six, the Rev. W. G. Reilly, rector of the church being in the chair. Every available seat in the church was occupied. Proceedings began with devotional exercises led by Rev. Messrs. Hooper and Newell. The first paper on the program was read by Miss A. Meredith of Durham. It was entitled "Christ's Touch," and was very much appreciated. The Rev. M. M. Goloberg, rector of Dundalk, followed with an able essay on "The Training of Children." Miss McWilliams of Owen Sound, read an admirable paper on "Missions in Regard to Sunday School Work." The Rev. Dr. Tucker, General Secretary of the M. S. C. C., Toronto, followed in an eloquent address on "What Sunday Schools can do for the West." The final paper, an excellent one, was read by Miss M. Gibson, of Meaford on "The Object of Sunday School Teaching." The various papers were discussed as they were presented. At 7.30 a conference of missions was held, when the Rev. Allan P. Kennedy, rector of Santa Cruz, Jamaica, W. I., and the Rev. Dr. Tucker were the speakers. Mr. Kennedy gave a graphic description of religious conditions in Jamaica, which was most interesting and enlightening. Dr. Tucker's Review of Mission difficulties and achievements in Western Canada, and the church's successful endeavor to make up the annual apportionment, was a splendid effort. He recounted the objections offered by the bishops and leading clergy to the large amount asked for, and he showed how the apparently impossible was accomplished. Exclusive of money contributed to the Widows' and Orphans' Fund Superannuation, Theological Training, and other funds which are largely of missionary character, purely missionary contributions for the year ending 1904 amounted to \$250,000. His words left the impression on the mind that the Canadian Church is thoroughly alive to her responsibilities and opportunities. The proceedings of the entire day was most optimistic and encouraging. To the Rev. W. G. Reilly is due a great measure of praise for arranging and carrying out so elaborate a program. Without any peradventure it was the best Convention in connection with the church ever held in Grey county. Delegates were billeted at the hotel for dinner. Supper was served on the rectory grounds under the supervision of the congregation of St. Mark's church, Holland Centre, who deserve special mention for the dainty provisions supplied and the attentive way in which the waiters looked to the needs of the guests. Next year's Convention will be held at Markdale. The Rev. J. R. Newell was elected President and Miss Kells corresponding Secretary. They Appeal to Our Sympathies.
