Western Fair

THE EXHIBITION THAT HAS MADE LONDON AN AGRICULTURAL FAIR IS POPULAR

When Governor Simcoe laid the foundation of London, Ontario, one hundred years ago he knew it would grow to be a great city, but had no thought of the Western Fair.

The Western Fair gives the people of this country an excellent opportunity for a pleasant outing at a minimum of cost, and at the same time develops their store of practical and useful knowledge.

Its educational features have always been carefully fostered by the Directors. This year several important improvements of an instructive nature have been added. The celebrated 9th Highland Regiment Band will give three concerts daily during the exhibition. The entertainment department will be better than ever, and will include leaping the gap in mid air on a steam automobile.

STRATFORD HORSE SHOW.
The Horse Show at Stratford on 19th, 20th and 21st of September promises to be one of the greatest events in the history of Stratford. The citizens seem to be united in their efforts to have as great a show as possible.
The prize list which has been published covers over \$2000 in prizes besides valuable cups presented by the Manufacturers of Stratford and chartered banks.
The Hon. J. P. Whitner Premier of Ontario is to open the show on the first day. The Government having examined the prize list and investigated the conditions of the show have made a grant of \$200, perhaps the greatest inducement and the most interesting portion of the program will be the water jumps which consist of 3 feet 6 inch embankment on the off side of which is a trough running the entire length of the jump and extending 14 feet beyond it, this of course will be a great attraction.
There are special freight rates given by the Grand Trunk as well as special passenger rates.
The prize lists are now being distributed and can be furnished to those who will communicate to Secretary W. J. McCully, Stratford.

THREE JURORS CURED
Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.
Mr. G. W. Fowler, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county Alabama. He says: "While there I ate some fresh meat and some soured meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture, but the druggist sent me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy instead, saying that he had what I sent for, but that his medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale at Parker's Drug Store.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease therefore requires a constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a tea-spoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J. CHENEY & Co., Toledo, Ohio.

HAD BLOOD POISON 12 YEARS

The New Method Treatment Cured Him after Drugs, Mercury, Hot Springs, etc., all failed.

Wm. H. Patterson, of Saginaw, Mich., relates his experience: "I do not like notoriety and especially of this kind, but I feel I owe this much to Drs. K. & K. for the great good they have done me. I had a serious blood disease when 24 years of age. The skin and blood symptoms gradually developed. Pimples and ulcers formed, running sores broke out, hair dropped out, the bones ached, joints stiff. After treatment became loose, pain in the bones and joints, tried doctors. I grew to hate the looks of one. I visited Hot Springs twice for four months each time. It helped me temporarily, but in six months after returning home I was as bad as ever. Finally a doctor friend of mine advised me to see Dr. Kennedy & Kergan. He said he had known of them for over 20 years, and as they made a specialty of these diseases and treated the worst cases by the sun, I decided to try them. They agreed to treat me under a guarantee or no pay. I investigated their financial standing and found they were perfectly responsible, so I commenced the new method treatment. The eruptions disappeared in two weeks, the bone pains in four weeks and in four months I was entirely cured. Yes, the bone pains in four weeks and in four months I was entirely cured. Yes, the bone pains in four weeks and in four months I was entirely cured. Yes, the bone pains in four weeks and in four months I was entirely cured."
