# A "Square Deal."

One of President Roosevelt's favorite mottoes is, "A SQUARE DEAL FOR EVERYBODY." We believe this principle should be lived up to in business as well as in politics, and we always endeavor to do our part. But if you want the squarest kind of a "square deal," here is your opportunity. We offer this week fourteen choice Square Pianos at real BARGAIN PRICES, and on terms to suit purchaser—a "Square" proposition all around.

Here are the "Square" and the Bargain Prices. Please note that each instrument has been put in best possible condition at our Piano Factory, and is GUARANTEED exactly as represented.

- 3 STEINWAY & SONS' PIANOS—Standard of the world, cost when new \$600 to \$700. Sale price.... \$100, \$150 and \$ 200
- 1 WEBER PIANO—Unusually good square piano. Sale price only.....\$ 80
- 2 EMERSON PIANOS—Square Grands, 7 $\frac{1}{2}$  octaves, good clear tone, very desirable, for only.....\$110 and \$ 175
- D. L. FRY & CO, PIANO—One of the old reliable makers an astounding bargain.....\$ 85
- EVANS BROS. PIANO—Square Grand, very sweet, sympathetic tone, original excellent still retained, only.....\$ 95
- NITSCHKE PIANO—A beautiful instrument, cost \$500, now only.....\$ 100
- HEINTZMAN & CO.—Finished back and front.....\$ 135
- CHICKERING PIANO—Full 7 octaves, splendid practice piano.....\$ 60
- Other Pianos at.....\$20, \$30 and \$ 40

This is undoubtedly the very best lot of Square pianos we have ever seen, and we are sincere in our belief that equal bargains were never before offered. If you have room for a square, by all means secure one of these beautiful-toned instruments. Uprights at double the money would not be better in tone, action or service. In fact these squares are so good that we have no hesitancy in making this proposition: Within one year from date of purchase we will ex- for a new Upright, and allow full price paid. Is not this a "Square Deal"?

The above bargains will be sold on easy terms anywhere in Ontario. Call or write for full particulars, and "do it to-day," before some one else gets the piano you wish.

## A Snap!

In Unimproved Farm Lands Suitable For  
Wheat Growing. Following is the Land:

All section 26 in Township 27, Range 32, West of the 1st Principal Meridian, containing 540 acres, more or less. The South half and North West quarter have Hudson Bay Company title. The price of these 480 acres is \$11 50 per acre, terms \$870 cash, balance being payable to Hudson Bay Company in five annual instalments, bearing 7%, the first of these being payable in November 1905. The North East quarter is a Homestead, also held by the owner of the South half and North West quarter, and will be abandoned FREE in favor of the purchaser of these 3 quarter sections. The district is well supplied with good running water, having both the Assiniboine River and Stony Creek. The Duck Mountain furnish a permanent supply of building timber, while the Valley of the Assiniboine, 6 miles distant, furnishes an ample supply of fuel. The soil is correctly described in the official report of the Canadian Government as being of a rich alluvial nature, with a clay subsoil, considered by experts the best for wheat growing. ## The Mount Forest Business College

This College is the Best—  
Because each student is taught separately at his own desk.  
Because all difficulties are thoroughly explained as they occur, thus avoiding loss of time to the students and enabling them to accomplish more than is possible in class teaching.  
Because each student receives special attention in his weak subjects and may choose his subjects.  
Because each student does his work independent of all others thereby establishing confidence in himself.  
Because by attending the day and evening classes, students graduate in a short time and at a small cost.  
Because its graduates are enjoying the best positions in almost every Canadian and American city.  
Because this College enjoys the confidence of the Business Public.  
Because it teaches Actual business from start to finish.  
Because its Shorthand students are doing marvellous work, some writing 200 words per minute after attending only two months.  
Because at the head of it is a man whose qualifications as a teacher are unexcelled and whose ambition is to see his students become good citizens, morally, socially and financially.  
Open July and August.

## A Civil Marriage.

A Judge of the Sessions who is popular amongst those who favor speedy and sure marriage was called on the other evening at his home by a couple who wanted to be made man and wife. He had left ritual at the office and was in somewhat of a quandary, but decided to go ahead with the ceremony as the couple were leaving on the train almost immediately. After examining the license and making a few enquiries he told them to stand up and went through the following ceremony: "John Smith, farmer, as party of the first part, do you here and now covenant with Mary Johnston, the party of the second part, to take her as your lawful wife in fee simple, to and for sole and exclusive use your heirs and assigns for ever, and that you will execute such further assurances as may be legitimate in the premises?" Answer, "I do." "Mary Johnston, spinster, as party of the second part, do you hereby convey, set over and assign unto the said John Smith of the first part, yourself as his sole and lawful wife, to have and to hold for his sole and exclusive use forever. Do you covenant with him the right to convey the said property, and that he will have peaceful possession, free from all encumbrances?" Answer, "I do." Telling them to join hands he said, as though delivering sentence from the bench. "I now, therefore, solemnly pronounce you, John Smith and Mary Johnston, man and wife, and may God have mercy on your souls."
