#### What Split the Log.

There is nothing like giving a boy a little encouragement once in a while," said a wealthy downtown merchant the other day. "I know I owe a great deal to a remark a crabwas quite small. I was trying to "That's it; and the man who walks split a cross-grained hickory log, and, roadside, my efforts attracted the "That's the way: and the cripple notice of the farmer, who stopped

tention, because he was the crossest and surliest man in town and never took any notice of us boys, except to sit in his orchards with a shotgun in his hand when the apples were ripe. SoI put in my best licks and covered my hands with blisters, but the log A girl likes to have an old man refused to split. I hated to be beat-The old man noticed my chagrin.

"Humph! I thought you'd have to give it up he said, with a chuckle. "Those words were all I needed.

"I made no reply, but the way that axhead went into that log was a revelation to me. As I drove it into the knots they yielded. There was a cheerful crackle, the gap wid ened, and soon the halves lay beofre me, and the farmer drove off discom-"But I never forgot that scene.

When I first went into business l made mistakes, as every young man will. But whenever I caught myself in a doubtful enterprise I remembered that my friends were standing around waiting for the chance to say 'I thought you'd have to give it up!"

In spite of himself, that old farmer gave me the keynote of my success So, you see, that if a boy has any grit in him, he is bound to profit by the right sort of encouragement."

#### A Boy's Composition.

The following was written by a boy in one of the Boston schools: Breath is made of air. We breathe with our lungs, our lights, our liver | Staff and Equipment-The staff consists of and kidneys. If it wasn't for breath we would die when we slept. Our breath keeps the life a-going through the nose when we are asleep. Boys counties of Grey, Bruce, Wellington, Dufferin that stay in the room all day should and Simcoe, Ten Dollars; from other counties, not breathe. They should ! wait until they get cutdoors. Boys in a ion apply to room make unwholesome air .- Modern Women.
