Mr. George Binnie of Bunnessan, called here on Saturday and was accompanied home by his son Thomas, who had charge of the management of the Creamery since early spring. He has resigned this position to continue his course at the Ontario College at Guelph and left Tuesday afternoon to be there for the opening. Mr. Binnie did good work at the Creamery and turned out an article that commanded the highest price paid in Canada throughout the entire season. His place is taken for the balance of the season by a Mr. Cain, who comes highly recommended as a buttermaker.—Aytan Advance.

TERRIBLE BACK PAINS

They fairly agonize your life. Something powerful and penetrating is needed. Doctors know of nothing so swift to relieve as Nerviline a strong, penetrating liniment made to cure just such pains as yours. Nerviline is very concentrated, about four times more powerful than ordinary liniments. In the worst cases Poison's Nerviline is extraordinary good. All muscular pain flees before it. Nearly fifty years in use—a good recommendation, surely.

Judge Morrison Feted.

Judge Morrison, formerly of Owen Sound and well known here, was last Tuesday evening the guest of the business and professional men of Owen Sound at the Patterson House when they met in a body to bid adieu and present him with a memento of their esteem. Mr. James McLachlan after reading an appropriate address presented the Judge on behalf of the citizens with a handsome silver cabinet of 114 pieces. On the silver plate on the top of the oaken cabinet was the inscription: "Presented to his Honor Judge Morrison as a token of kindly remembrance from friends in Owen Sound, Ont., Sept. 7th, 1905." In addition to this elaborate token of esteem, he was presented with a gold watch-chain and locket. A diamond was set in the face of the locket while the Judge's monogram was engraved on the back. On a plate within the locket was an inscription exactly similar to that on the silver cabinet. Judge Morrison expressed his profound gratitude to the donors of the handsome gifts which he had received. He regretted leaving Owen Sound and referred to successor, Judge Widdfield, who was an estimable gentleman in every respect. He bespoke for Judge Widdfield the kindly and courteous treatment which had been accorded him during the years which he had spent in Owen Sound. He would dearly cherish the memories of his numerous friends.

THREATENED WITH PARALYSIS.

Peter E. Summers, of Kalamazoo, Mich., relates his experience: "I was troubled with Nervous Debility for many years. I lay it to indigestion and excess in eating. I became very despondent and didn't care whether I worked or not. I imagined everybody who looked at me, sneered at my secret. Imaginative dreams at night weakened me—my back ached, had pains in the back of my head, hands and feet were cold, tired in the morning, poor appetite, fingers were shaky, eyes blurred, hair loss, memory poor, etc. Numbness in the fingers set in and the doctor told me he feared paralysis. I took all kinds of medicines and tried many first-class physicians, wore an electric belt for three months, went to Mt. Clemens for baths, but received little benefit. While AFTER TREATMENT at Mt. Clemens I was induced to consult Dr. Kennedy & Kergan, though I had lost all faith in doctors. Like a drowning man I commenced the New Method Treatment and it saved my life. The improvement was like magic—I could feel the vigor going through my nerves. I was cured mentally, physically and sexually. I have sent them many patients and will continue to do so."

CURES GUARANTEED OR NO PAY. We treat and cure VARICOCELE, STRICTURE, NERVOUS DEBILITY, BLOOD DISEASES, URINARY COMPLAINTS, KIDNEY AND BLADDER DISEASES. CONSULTATION FREE. BOOKS FREE. If unable to call write for a Question Blank for Home Treatment.
