A "Square Deal."

One of President Roosevelt's favorite mottoes is, "A SQUARE DEAL FOR EVERYBODY." We believe this principle should be lived up to in business as well as in politics, and we always endeavor to do our part. But if you want the squarest kind of a "square deal," here is your opportunity. We offer this week fourteen choice Square Pianos at real BARGAIN PRICES, and on terms to suit purchaser--a "Square" proposition all around.

Here are the "Square" and the Bargain Prices. Please note that each instrument has been put in best possible condition at our Piano Factory, and is GUARANTEED exactly as represented.

- 3 STEINWAY & SONS' PIANOS--Standard of the world, cost when new \$600 to \$700. Sale price.... \$100, \$150 and \$ 200
- 1 WEBER PIANO--Unusually good square piano. Sale price only..... \$ 80
- 2 EMERSON PIANOS--Square Grands, 7 1/2 octaves, good clear tone, very desirable, for only..... \$110 and \$ 175
- D. L. FRY & CO, PIANO--One of the old reliable makers an astounding bargain..... \$ 85
- EVANS BROS. PIANO--Square Grand, very sweet, sympathetic tone, original excellenced still retained, only..... \$ 95
- NITSCHKE PIANO--A beautiful Instrument, cost \$500, now only..... \$ 100
- HEINTZMAN & CO.--Finished back and front..... \$ 135
- CHICKERING PIANO--Full 7 octaves, splendid practice piano..... \$ 60
- Other Pianos at..... \$20, \$30 and \$ 40

This is undoubtedly the very best lot of Square pianos we have ever seen, and we are sincere in our belief that equal bargains were never before offered. If you have room for a square, by all means secure one of these beautiful-toned instruments. Uprights at double the money would not be better in tone, action or service. In fact these squares are so good that we have no hesitation in making this proposition: Within one year from date of purchase we will exchange for a new Upright, and allow full price paid. Is not this a "Square Deal"?

The above bargains will be sold on easy terms anywhere in Ontario. Call or write for full particulars, and "do it to-day," before some one else gets the piano you wish.

160 Acres For Sale

160 acres of the best land in Manitoba, not away West beyond all civilized surroundings, but right in the oldest and best part of Manitoba, within a mile and a half of two different stations on the C. N. R. Main Line (Curtis & Newton Stations,) and only about 8 miles from Portage La Prairie, and about 50 miles from Winnipeg.

This soil is a deep black loam on clay subsoil and is exactly similar to that of the far famed Portage Plains, which have produced as many as 20 successive crops of wheat without fallowing or manuring. There is no better land in the wide world.

The land is covered with light scrub and small poplar, but enough cordwood could be cut to more than pay for clearing. This is in the heart of a first class settlement of English speaking farmers, who are thrifty and prosperous and who would welcome and assist any new settler.

The surrounding land is none of it held at less than \$20 per acre, but to close out an estate, we are authorized to offer this for a short time at \$15 per acre, \$1760 cash, balance in five equal annual instalments. If definite offer was made, a smaller cash payment might be arranged.

Not the Oldest--Not the Largest Underwear That Will Wear

If you wish to receive the Best Commercial and Shorthand Education, it is necessary that you attend the Best--

The Mount Forest Business College

This College is the Best:--
Because each student is taught separately at his own desk;
Because all difficulties are thoroughly explained as they occur, thus avoiding loss of time to the students and enabling them to accomplish more than is possible in class teaching;
Because each student receives special attention in his weak subjects and may choose his subjects;
Because each student does his work independently of all others thereby establishing confidence in himself;
Because by attending the day and evening classes, students graduate in a short time and at a small cost;
Because its graduates are enjoying the best positions in almost every Canadian and American city;
Because this College enjoys the confidence of the Business Public.
Because it teaches Actual business from start to finish;
Because its Shorthand students are doing marvellous work, some writing 200 words per minute after attending only two months;
Because at the head of it is a man whose qualifications as a teacher are unexcelled and whose ambition is to see his students become good citizens, morally, socially and financially.
