DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

Durham, Oct. 12, 1905

Traverston.

Most of the threshing is over in the neighborhood and the average report is about as follows: Wheat, fair; barley, good; oats, fair crop, sample excellent; peas, no good. Potatoes are a heavy crop with but little rot; man-golds are only a medium, while turnips have been ruined by the louse.

Miss Katie McNab returned home on Thursday of last week after spending the summer with relatives in the Ottawa Valley. Miss Marion, her sister, leaves next week in company with Mrs. George Morton, for Red Deer, on the line north of Calgary. Miss Marion is one of our brightest maidens and the best wishes of many go with her.

The Trustee Board of S. S. No. 5, re-engaged Miss E. Scott on Wednesday evening of last week at an increase of salary of \$15. Inspector Campbell's last report was most complimentary to teacher and trustees.

Word was received here lately, that Dr. R. A. Maitland Cook, of Mile Stone, Assa., was happily wedded on Thursday of last week. He has had a fine new home erected during the summer and has a large practice. Old school mates and friends heartily unite in sending congratulations and good wishes. Particulars are not to hand at time of writing.

Mr. Chas. McClocklin and his mother visited in Flesherton the first of the week.

Not Sleeping Well.

Without sleep there can be no bodily or mental vigor, consequently sleeplessness is a dangerous condition. Nothing so surely restores sleep as Ferrozone; it's harmless—just a nourishing strengthening tonic. Ferrozone vitalizes every part of the body, makes the nerves hardy, completely rebuilds the system. The cause of sleeplessness is removed—health is restored—you can work, eat, sleep—feel like new after using Ferrozone. Don't put off—Ferrozone costs but 50c. per box at all dealers; get it to-day.

Insomnia and Indigestion Cured.

"Last year I had a very severe attack of indigestion. I could not sleep at night and suffered most excruciating pains for three hours after each meal. I was troubled this way for about three months when I used Chamberlain's Stomach and Liver Tablets, and received immediate relief," says John Dixon, Tullamore, Ontario, Canada. For sale at Parker's Drug Store.

Sick headache is caused by a disordered condition of the stomach and is quickly cured by Dr. Chamberlain's Stomach and Liver Tablets. For sale at Parker's Drug Store.

The Laziest Man.

"Speaking of the laziest man on earth," said the colonel, "I think there was one in our town that fitted the description. He was so lazy that they had to tell him the house was on fire every morning to get him out of bed."

"Didn't he catch on after awhile?" asked the doubter.

"Don't spoil a story by going too closely into particulars," rebuked the captain.

"He was certainly lazy," said the major slowly, "but I think we had one in our town who had him beat. He was so lazy that one day when he sat down on a hornet he refused to get up again."

TIREDDNESS MEANS DANGER!

Indicates Faulty Blood and Worn-Out Nerves—Build Up, or Total Collapse will Surely Follow.

When you're tired all day, bothered by trifles, exhausted with nervousness, be sure there is something wrong.

You need bracing up, need more nourishment in the blood, need a powerful medicine to vitalize the nerves and distribute force and staying power to all over-worked organs.

The most marvelous success is Ferrozone, a nourishing tonic so scientific as to be the admiration of every physician. Ferrozone performs wonders for people in poor health; it acts directly on the blood, enriching it with strength and new life that is at once dispatched to all parts of the body. Ferrozone feeds the nerves and vital energies, supplies force, determination and joyous, buoyant spirits.

A case where there was lassitude and lack of strength is told by Mr. David Brown, of Post-office box No. 30, Beeton, Ont.: About a year ago my health commenced to fail. My hands and feet seemed always cold. I felt worn-out and exhausted, weak as a little child. My face twitched. My limbs and arms commenced to lose their sense of feeling and finally my left side was perfectly numb. All my color left. My appetite ran down. Ferrozone was first to give me any help. I improved with it very quickly. It toned up the blood and started circulation, so that the numbness gradually disappeared. My condition was perfectly cured by Ferrozone, and I have been well ever since. (Signed) "David Brown."

SPECIAL NOTICE.—To get satisfactory results be sure you get Ferrozone only. Fifty cents per box or six boxes for \$2.50, at all dealers, or N. C. Polson & Co., Kingston Ont., and Hartford Conn., U. S. A.

Letter From His Majesty The King

A few weeks ago Mrs. Edward Galbraith, of Derby, came into The Leader Office to have a letter addressed to His Majesty King Edward VII. Mrs. Galbraith said she was writing to the King in reference to the services her father had performed a great many years ago as a colonel in the British army. An envelope was addressed and the letter enclosed and forwarded on its mission to the King. On Saturday last Mr. Edward Galbraith walked into The Leader office holding a letter in his hand with the stamp of Buckingham Palace upon it. On opening it, it was found to be from the King and was a reply to Mrs. Galbraith's letter. It read as follows:—

Buckingham Palace.

"The Private Secretary is commanded by the King to acknowledge the receipt of Mrs. Galbraith's letter of the 9th inst. and in returning the enclosure, to say that all matters with reference to military services should be addressed to the War Office."

18th Sept. 1905.

Mrs. Galbraith is pleased to have her letter answered so promptly and she will now no doubt send her claim to the War Office. This, probably is the first instance of a letter being received in this locality from the King, and it is only another instance of the kind attention given to any request on the part of his subjects by His Majesty King Edward VII.—Tara Leader.

To remedy this take Dr. Hamilton's Pills which regulate the bowels and cure constipation. Taken at night you are well by morning. They purify and cleanse the system, prevent headache, biliousness and sick stomach. Prompt and certain are Dr. Hamilton's Pills of Mandrake and Butternut, 25c. per box or five for \$1.00. at all dealers.

STARVING IN DURHAM

Men and Women who are in Need—Liberal Offer.

There are scores of people in Durham and vicinity who are starving in the midst of plenty. This is not because they are in need of food, but because they cannot digest the food they eat.

To help these unfortunates our leading druggists have recently received a large supply of Mi-o-na, the most recent discovery for the cure of stomach troubles.

Mi-o-na is an unusual combination of remedies for the stomach and digestive organs that heretofore have been little known in this county. It soothes and heals the irritated mucous membrane of the stomach, stimulates the solar plexus, and strengthens the nervous system.

One little tablet out of a 50 cent box of Mi-o-na before meals, and you can eat what you like. You will have no more headaches, back-aches, heart-burn, or indigestion. Mi-o-na will give you perfect health and strength.

If you cannot obtain Mi-o-na of your druggist, it will be sent by mail post-paid, on receipt of price. Write us for advice on your case from a leading stomach specialist which will be sent free. The R. T. Booth Company, Ithaca, N. Y.
