Merchants THE HARDY LUMBERMAN A man cannot work to the best advantage in the lumber woods or about the farm in the severe Canadian winters unless his feet are warm and dry. His Rubber Shoes must be able to give great and resistance and provide sure footing. Merchants Moose Brand Shoes provide all these qualities. They are made from pure Para rubber gum, scientifically and thoroughly impregnated into strong, twisted and closely-woven cotton duck fibre. They are hand made by skilled workmen, under careful supervision and inspection and vulcanized with exacting care. If your Shoeman doesn't sell them let us know. TWO NARROW ESCAPES. On Saturday afternoon two ladies while driving into town from the north narrowly escaped an instant and horrible death at the railway crossing. Just as the horse got on the track the 3 o'clock train came along and the horse, through fright, jumped to one side, upsetting the buggy and its occupants, just as the train rushed by. Had the horse taken one step further on the crossing women and beast would have been hurled into eternity. Strange to say no damage nor injury was sustained. Truly our lives are on the verge of a great precipice. A runaway accident occurred at the railway crossing at the north end of the village on Monday. Thomas Kirby, Wm. Yandt and Jas. Robertson were coming into town and just when they had crossed the track the train pulled out from the station. Their horses took fright and became unmanageable but two of the men held on to the lines till one of the bits broke when they jumped from the vehicle. The wagon struck a telegraph pole when the harness broke leaving the horses free. Mr. Robertson sprained his thumb and sustained other slight injuries while his companions escaped unhurt.—Holstein Leader.

No Poison in Chamberlain's Cough Remedy. From Napier New Zealand Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds, croup and whooping cough. This remedy is for sale at Parker's Drug Store.

A Sunday school superintendent in one of our churches, inquired of his scholars: "Who led the children of Israel into Canaan?" Will one of the smaller boys answer? There was no reply, and the superintendent somewhat sternly continued: "Can no one tell? Little boy on that seat next to the aisle, Who led the Children of Israel into Canaan?" The little boy, who appeared badly frightened said, "It wasn't me. I—I just moved here last week from the country."
