INSIDE INFORMATION

Chronicle Readers' Chance for Profit—Everyone Ought to Grasp this Opportunity

To have a simple case of indigestion is to have "inside information" of suffering that warns of serious trouble in the future, unless the digestive system is strengthened.

If you cannot eat and digest three good, square and satisfying meals each day without discomfort, your stomach needs Mi-o-na tablets. They are not a mere temporary relief, but are composed of valuable medicinal agents which strengthen the digestive organs, and cure and prevent stomach troubles.

When there are pains or distress after eating, headaches, belching of gases, a sour taste in the mouth, dizziness, heart burn, specks before the eyes, furred tongue, sleeplessness, nervousness, or back ache, the stomach needs the help of Mi-o-na

Every reader of the Chronicle should grasp the opportunity offered to try Mi-o-na. Just one little tablet out of a fifty-cent box of this remedy before each meal for a few days, and you will soon have a strong stomach and perfect health.

If you cannot obtain Mi-o-na in your drugstore, it will be sent by mail, post-paid, on receipt of price. Write us for advice on your case from a leading stomach specialist which will be sent free. The R. T. Booth Company, Ithaca, N. Y.

A M.T. FOREST OUTRAGE.

A dastardly act was committed in town some time Sunday night, when the plate glass show window of Chapman's photo studio, owned by Mr. J. T. Skales, was shattered as though struck by a large stone. Mr. R. H. Lewis heard the noise of breaking glass at 3 o'clock Monday morning and rose thinking it was one of his windows—it was at that time, no doubt the studio window was broken. How it was done and who it was done by has not been divulged yet, but no doubt the police committee of the town council and chief will be able to fasten the act on the guilty party. If the night watchman was on duty, as he is supposed to be, he should know who was prowling around Main St. at that hour and causing disturbance and damage. If he is not able to give a simple clue as to that there must be something wrong and an investigation is in order. It is certainly up to the council to inquire into the matter and take immediate, earnest steps to punish the guilty party in this case, so that property owners will know that they are not altogether at the mercy of wanton miscreants.—Rep.

Proved In Mount Forest.

Every doctor in this town tried his best to relieve Mrs. J. Withom of Asthma; none succeeded. "For years she states, "I was a dreadful sufferer; nothing gave relief. At times I found it necessary to have all the doors and windows open to get my breath. When in despair I heard of "Catarrhzone." I used it and now am perfectly cured." This proves beyond doubt that any case of Asthma is curable with Catarrhzone. No remedy so pleasant, none so absolutely certain to thoroughly cure; try "Catarrhzone" yourself; it's guaranteed.

In the matter of news The Weekly Globe and Canada Farmer covers the whole field. All items of interest are collected, sifted, condensed and presented in an easily accessible and readable form, so the busy farmer may keep himself thoroughly posted regarding the home and foreign events of importance without wasting time. Every effort is made to secure information at first hand to insure its authentic character. The Weekly Globe and Canada Farmer is a high class newspaper of national interest, sympathy and outlook. It is read regularly by people living in the United States and in all parts of the British Empire. For widespread circulation it is, perhaps, unequalled by any other newspaper published on this continent.

Royal Household Flour Is Always Uniform—Why?

It is one thing to make flour pure, well balanced and strong, it is another thing to have it uniformly so—it is make flour that is precisely the same in purity and nutriment on Saturday as on Monday—in May as in November.

Because the "Royal Household" mills have the finest testing equipment available and unlimited resources for securing perfect wheat, they can and do produce—every working day in the year—flour of precisely uniform strength, nutriment and purity.

That is why Royal Household Flour makes always the very best bread and pastry, year in and year out.

That is why Royal Household Flour is the most reliable—the most successful flour—and being scientifically purified by electricity it is the purest—the best of all flours.

The next flour you buy ask for "Royal Household"—and try it for yourself.

The Councils of Normanby, Ventnor and Brant met in Hanover on Saturday to discuss the deviation road between Grey and Bruce. Carrick was also to be represented when it was hoped that an amicable arrangement for the maintenance of this road, which is in Grey but still used as a county road, could be entered into. Carrick failing to take part in the meeting, it was decided to arbitrate, on advice of Mr. A. G. McKay of Owen Sound. The arbitration will consist of Mr. McDonald, Warden of Bruce; Mr. McArthur, Warden of Grey; and Mr. W. J. Hutton, County Judge of Grey.—Clifford Express.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
