**WHAT CAUSES SNORING.**

When asleep, people that snore breathe through the mouth instead of the nostrils which are choked with catarrh. Just use "Catarrhozone" before retiring and you'll quickly cure the snoring habit. By destroying the cause of catarrh and healing the membranes, Catarrhozone makes a complete cure in every case; it cleans the nostrils, stops the discharge and prevents dropping in the throat in a few minutes. Nothing so pleasant or certain to cure snoring catarrh, or colds as Catarrhozone—that's worth remembering.

**160 Acres For Sale**

160 acres of the best land in Manitoba, not away West beyond all civilized surroundings, but right in the oldest and best part of Manitoba, within a mile and a half of two different stations on the C. N. R. Main Line (Curtis & Newton Stations) and only about 8 miles from Portage La Prairie, and about 50 miles from Winnipeg.

This soil is a deep black loam on clay subsoil and is exactly similar to that of the far famed Portage Plains, which have produced as many as 20 successive crops of wheat without fallowing or manuring. There is no better land in the wide world.

The land is covered with light scrub and small poplar, but enough cordwood could be cut to more than pay for clearing. This is in the heart of a first class settlement of English speaking farmers, who are thrifty and prosperous and who would welcome and assist any new settler.

The surrounding land is none of it held at less than \$20 per acre, but to close out an estate, we are authorized to offer this for a short time at \$15 per acre, \$1760 cash, balance in five equal annual instalments. If definite offer was made, a smaller cash payment might be arranged.
