DORNOCH. For the past few weeks there has been a controversy between the two correspondents of the Durham Review, and, having a little to say on the subject, I hope Chronicle readers will pardon my writing this budget.

In our opinion No. 3 correspondent must have been feeding on soaked peas for in this community the unanimous opinion prevails that (he or she) has contracted a remarkably chronic case of swelled head.

LETTER TO THE EDITOR. Mr. Editor.—Kindly give insertion to the following and by the dissemination of our thoughts, and exchanging ideas, good results will come.

The Memorial of the Municipal Council of the Township of Egremont County of Grey, humbly sheweth that whereas, we, your memorialists believe that it would be in the Public interest that a change be made in the County Councils Act, so that the members of that body, and the business they transact would be in close touch with the ratepayers of the Municipal Corporation from which they receive most of their revenue.

Therefore, we your memorialists, would pray that the County Councils Act be so amended that the membership of that body consist of the Reeves of the various municipalities, and such deputy-reeves as the equalized valuation of the municipality for County purposes would warrant and your memorialists will ever pray—Resolved that the above resolution be forwarded to the Hon. N. Monteith Minister of Agriculture for the Province of Ontario.
