(Intended for last week.)

Last Tuesday evening some of the  
 the people of the Hall and Ebenezer  
 congregations decided to give Mr.  
 Wm. Ramage a little surprise. The  
 Hall had arranged to have choir  
 practice at Mr. Ramage's the same  
 evening, and this being understood  
 Mr. Ramage was not at all surprised  
 to receive the members of that choir  
 to his hospitable home, but when the  
 people started to pour in from the  
 east, north and south, Mr. Ramage  
 was fairly astonished and wondered  
 whatever it all meant. However an  
 enjoyable evening was spent in chat  
 and song till about 11 o'clock when,  
 after a few remarks of explanation  
 from Mr. Dixon, an address was read  
 by Mr. Geo. Lothian as follows:

Thistle, 18th January 1906.  
 DEAR MR. RAMAGE,—We again take  
 the pleasure in meeting under your  
 hospitable roof. The future may  
 offer no better opportunity than the  
 present to show you in some other  
 way than in mere words that we  
 appreciate your services as Choir  
 Leader, and as a willing helper  
 wherever your musical talents can be  
 put to use.

Therefore we ask you to accept  
 this purse as a slight acknowledg-  
 ment of the pleasure and profit we  
 have received from your instructions  
 and your help.

We join in wishing you not only a  
 prosperous and useful New Year but  
 many such.

"May your years of joy be many  
 and your hours of sorrow few," is  
 the wish of the Ebenezer and the  
 Hall choirs.

Signed in behalf of the choirs and  
 the congregations.  
 M. J. MOORE  
 W. L. DIXON.  
 MRS. D. P. COLERIDGE.  
 MISS HATTIE E. WATT.  
 MISS MINNIE HOOPER.

Although taken by surprise, Mr.  
 Ramage replied, feeling towards these  
 with whom he had been laboring the  
 past few years, thanking all for their  
 kindness and their appreciation of his  
 services.

Mr. and Mrs. Wm. Tucker have  
 been visiting in Toronto since Christ-  
 mas week.

Messrs W. L. Dixon, Stewart and  
 Thos. Bothwell are home again from  
 the West, all looking as if that  
 country agreed with them.

Miss Bella Weir and W. Halpenny  
 have gone to Toronto to spend the  
 winter months.

We are glad to see that Harry  
 Harrison is somewhat improved in  
 health and able to visit some of his  
 many friends in the neighborhood.  
 We wish him speedy recovery.

This great January thaw will not  
 help the return of the two lovers  
 who left some weeks ago, with horse  
 and cutter for a bit visit with some  
 distant friends. But what's a glare  
 of the city to 'oor ain fireside?

**Varney.**

(Intended for last week.)

A number of the young people  
 spent a very pleasant time at the  
 home of Misses Nellie and Magie  
 McNauty on Wednesday night.

Miss Eva Blyth is spending a week  
 with her cousins the VanAlstines in  
 Durham.

Mr. VanAlstine and family and  
 Mrs. Constable and Miss Ethel Willis  
 spent a few hours very pleasantly at  
 the home of Mr. and Mrs. J. W.  
 Blyth one night last week.

Mrs. Alex Constable left Varney  
 for her home near Barrie, on Friday  
 morning.

A very enjoyable time was spent  
 at our school on Friday afternoon, it  
 being the public examination. A  
 number of the parents were present.  
 The children did well both in lesson  
 work and also in the rendering of  
 their recitations, mouth organ  
 music, choruses, which reflect great  
 credit on the teacher. The speeches  
 were not very numerous nor very  
 lengthy. J. W. Blyth acted as chair-  
 man. After the program was over  
 we all partook of not a few cakes  
 and pies as some would say, but a  
 good tea, after which they all sang  
 God Save the King and went home  
 wishing that Miss MacKenzie would  
 have another gathering of the same  
 kind.

At the annual meeting of the  
 Maplewood Cemetery, Mr. William  
 Grant was elected trustee and Mr. R.  
 Morrice and Jas. Mack auditors.

Mr. John Kerr had the misfortune  
 to lose a horse lately which is no  
 small loss these times. Mr. William  
 Grant also has one very sick.

Mr. B Barber goes to Owen Sound  
 on the 5th of March as Jurymen.

Don't forget the Farmers' Associ-  
 ation meeting in the school house on  
 Friday the 26th at 8 p. m. Come then  
 with us and we will do you good.

Miss Ella Pettigrew of Holstein  
 was the guest of Mrs. Thos. Mc-  
 Nauty for a few days last week.

The League will be withdrawn  
 next Sunday night and will unite in  
 with the Durham church.

Rev. Mr. Colling will preach in  
 the Varney church next Sunday and  
 conduct the Sacrament of the Lord's  
 Supper.

**Edge Hill.**

Mr. Isaac Petch, of Edmonton,  
 was visiting his father-in-law, Mr.  
 Robt. Ector, for a few days recently.

On Tuesday, Jan 23rd, a son was  
 born to Mr. and Mrs. Thos. Morrison.  
 Mother and son are doing well.

Mr. W. J. Fitch was home from  
 Toronto over Sunday.

Mr. and Mrs. John A. Little, of  
 Proton, were guests of the latter's  
 parents, Mr. and Mrs. Robt. Ector, a  
 couple of days last week.

Quite a number of our farmers  
 were plowing on Monday and Tues-  
 day last, a somewhat unusual occur-  
 rence for this season of the year.

We are ever being reminded of the  
 uncertainty of life. A week ago Mrs.  
 John Moffat was going around per-  
 forming her household duties in ap-  
 parently good health. Tuesday  
 morning she was taken ill and on  
 Friday morning at break of day her  
 spirit winged its flight across that  
 stream over which no traveller ever  
 returns. The community is shroud-  
 ed in gloom over the sad event. The  
 deceased lady was a daughter of Mr.  
 and Mrs. Archie McArthur, Durham  
 Road, Glenelg. She was most kindly  
 disposed and to meet her was to know  
 and trust her as a friend. She was  
 beloved and respected by all who  
 made her acquaintance. Besides her  
 mother and several brothers and  
 sisters she leaves her husband and  
 one son, Charlie, to mourn the loss of  
 a loving wife and tender hearted mother.

The funeral on Sunday was very  
 largely attended, Rev. Mr. Farquhar-  
 son officiated at the house and grave.  
 The pall bearers were Thos. and  
 Robt. Moffat, Jos Firth, J. H. Mc-  
 Fayden, Alex. Duffield and Dan Mc-  
 Arthur. We extend to the sorrow-  
 ing family the sympathy of the com-  
 munity in their sad hour of trial.

**Reduced A Hard Swelling**

Mr. Gus E Geroux, writing from  
 Pembroke, tells how he was injured  
 in a lumber camp. "A heavy log  
 rolled against my leg and I was laid  
 up with stiffness and a hard swelling.  
 When I applied Poison's Nerviline I  
 got relief. A few rubbings with this  
 good liniment cured me." In the  
 bush, Nerviline is indispensable; it  
 cures neuralgia, colds, rheumatism  
 and internal disorders too. No per-  
 son can afford to be without Nerviline.  
 Useful for all internal and ex-  
 ternal pains. Large bottles 25c, at  
 all dealers.

**Vickers.**

Spring ploughing commenced Mon-  
 day morning.  
 Mr. and Mrs. Clarke Torry spent  
 Sunday with Mr. and Mrs. Fred  
 Reay.

Miss Mary Black returned to her  
 home in Elmwood after spending a  
 couple of months with Mrs. Robt.  
 Lindsay.

Mr. and Mrs. John Cuff of Aber-  
 deen, Sundayed with Mr. and Mrs.  
 H. W. Hunt.

Mr. Will McCulloch assisted Mr.  
 Dave Robinson in taking out timber.

Mr. Andrew Lindsay and Bro.  
 Robbie spent Sunday with Glenelg  
 friends.

Mr. George Herd, Allan Park, vis-  
 ited his sister, Mrs. Wm. McCulloch,  
 one day recently.

Mr. and Mrs. Dave Hopkins Sun-  
 dayed with the latter's parents, Mr.  
 and Mrs. Ewen, Aberdeen.

Sorry to report that Mrs. T. H.  
 Lawrence is not enjoying her usual  
 health, but hope she may be better  
 very soon.

Mr. John Bailey purchased a three-  
 year-old colt from his mother for a  
 good long price.

THE success of pastry  
 depends upon the  
 flour. Bread and pastry  
 must be more than mere-  
 ly appetising; they must  
 be wholesome, digestible,  
 nourishing.  
 The flour depends  
 upon the wheat and the  
 way it is milled.

**THE CHRONICLE**

Is the People's Paper. Are you  
 one of the People?

**Prevention of Tuberculosis.**

The following points and sugges-  
 tions regarding the prevention of  
 consumption which deserves the at-  
 tention of everybody, are gathered  
 from a recent article by Dr. Knopf of  
 New York which is to be found in  
 the Medical Record of November 18th  
 1905.

There are more cases of advanced  
 tuberculosis to be treated than any  
 other disease.

There is no other disease where so  
 much can be done to render the pa-  
 tient comfortable and hopeful as  
 pulmonary tuberculosis in the ad-  
 vanced stage.

There is no disease where one case  
 in a family can more readily become  
 the cause of infection of other mem-  
 bers particularly in the stage where  
 the consumptive begins to be con-  
 fined to the close association of the  
 family members only.

It is extremely important to re-  
 member that advanced consumptive  
 patients who are able to go about,  
 perhaps able to work at their ordi-  
 nary calling in the office or factory  
 when ignorant or careless, constitute  
 the greatest danger to the health of  
 the community. They must be con-  
 sidered as the most frequent cause of  
 infection. The careless, ignorant or  
 helpless consumptive when confined  
 to bed can do little more than infect  
 his room, but the advanced patient  
 able to follow some calling can, if he  
 is careless, scatter 7,000,000 bacilli  
 every day with the greatest ease.

Of all tuberculosis patients, he  
 should be the most carefully instruct-  
 ed and should be the most deeply im-  
 pressed with the fact that careles-  
 sness in the disposal of the sputum is  
 dangerous to himself as well as to  
 his neighbors.

As yet people generally have not  
 been educated up to the point at  
 which they are willing to carry and  
 use a pocket flask or cardboard purse.  
 Being desirous to conceal their con-  
 dition, they are extremely reluctant  
 to do anything which would call at-  
 tention to their infirmity. Some way  
 less likely to cause remark must be  
 found. Probably the best that can  
 be done in the meantime is to suggest  
 that tuberculosis men should have  
 two pockets lined with some material  
 which can be easily cleaned and that  
 they should carry in one of these  
 pockets very cheap handkerchiefs or  
 bits of cheesecloth or other cheap ma-  
 terial cut like handkerchiefs, which  
 when used can be put into the other  
 pocket and there kept until the close  
 of the day when they can be easily  
 destroyed or sterilized by boiling af-  
 ter their return home. In this way  
 they can escape observation and at  
 the same time secure their fellow-  
 workmen and associates against dan-  
 ger. When so simple a precaution  
 as this, and one so easily within the  
 reach of every right thinking man,  
 is available, not to make use of it,  
 would seem to be little less than  
 criminal neglect.

No medicine can replace food but  
 Chamberlain's Stomach and Liver  
 Tablets will help you to digest your

 and assimilated. If troubled  
 with a weak digestion, don't fail to  
 give these Tablets a trial. Thousands  
 have been benefited by their use.  
 They cost a quarter. For sale at
