DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

Durham, February 8, 1906

OBITUARY.

MRS. PETER MOUNTAIN.

Annie Eveline Dunsmoor, beloved wife of Peter Mountain, died at the home of her parents at the Rocky Saugeen, on February 1st, 1906. She had been a great sufferer for the past five weeks though kind friends and medical aid did everything possible for her. Her life passed peacefully away, her dying words were "peace and rest."

Deceased was a daughter of Mr. and Mrs. Nathan G. Dunsmoor, of Rocky Saugeen, her age being forty-one yrs., nine months and eleven days. The loss of a devoted wife, a loving mother and kind neighbor will be deeply felt by all who knew her. "She leaves to mourn her loss a husband and five children, four sons and one daughter, the youngest being an infant three months old; besides a father and mother, three sisters, Mrs. William Wright, Durham, Mrs. Andrew Ritchie and Mrs. Wm. Vessie, north Durham Road, and one brother, Mr. Nathan Dunsmoor who resides in Owen Sound.

Her remains were laid to rest in the Rocky Saugeen cemetery, on Saturday, February 3rd, Rev. Mr. McDonald officiated at the house and grave.

DONALD McQUARRIE.

There passed away, at his late residence, in the township of Bentinck, at the ripe age of 86 years, one of the oldest and most respected settlers, in this vicinity, in the person of Donald McQuarrie.

He was born at Ross, Argyleshire, Scotland, on February 2nd 1820, from whence he emigrated to Canada in the year 1847. After a brief stay at the town of Orillia, which at that time was a mere hamlet, he came farther west, and in the year 1848 settled in the almost unbroken forest, then known as "The Queen's Bush" on the homestead where he passed the remainder of his days.

Happily married in the year 1850 to Ann Campbell, who survives him, he reared in comfort and respectability, a large family of whom six daughters and three sons are all living: Janet wife of Neil Livingston, Katie wife of

William Pouter, Mary wife of James Ledingham, Sarah wife of William Ferguson, Annie wife of Leslie Adams, Eliza wife of Lachlan McLean, daughters, and Hugh, Duncan and Angus, sons, of whom Duncan alone remains on the old homestead.

Always cheerful and contented though in his later years a great sufferer from rheumatism, his hearty greetings will be sadly missed by his companions of former years, as well as by the younger generation who have grown up around him.

He was consistently Conservative in his politics, and equally so in his choice of a church, being a life long attendant at the Rocky Presbyterian church.

Such in brief is the history of one of our old pioneers, of whom so few remain to tell the story of their hardships in the early days of Canada. All honor to these staunch, hardy stalwarts, who, axe in hand, entered the unbroken forest, to hew out for themselves homes, which to-day their children are happily enjoying.

Truly, "their works live after them."

PSSESS ASSOCIATION MEET.

The Canadian Press Association met in Toronto last week in their Forty-eighth Annual Convention. There was a goodly representation from all parts of the Province and from the Eastern Townships Press Association of Quebec province which is now affiliated with the C. P. A. Several important subjects were introduced for discussion, and the deliberation should result in profit to the craft generally and a greater uniformity in the charges for advertising especially. In this connection we may just say that the County of Grey, is behind in the race and the prices charged for advertising, both local and foreign, are far below the prices obtained elsewhere for similar service. We have long been of the opinion that we were too low and this meeting has confirmed us fully in that belief.

On Thursday evening there was an informal banquet at McConkeys, at which a large number of publishers and friends of the press were present. Interesting and impressive addresses were made by Dr. Goldwin Smith, Hon. R. F. Sutherland, K. C., M. P., Speaker of the House of Commons, Mr. E. J. B. Pense, M. P. P., of Kingston, Mr. Wilgress, of Brockville, Mr. J. A. Ewen, of the Toronto Globe, Mr. J. E. Middleton and Mr. Joseph T. Clark, of Toronto Saturday Night. A splendid feature in the addresses was their brevity, and though brief they were pithy, witty and full of good common sense.

On Friday evening the outside members of the Association were entertained at the Princess Theatre by the Toronto Press Club, who paid the shot and gave a real treat to their country brethren. One who entertains the idea of city printers and publishers lacking in sociability have only to mix up with them a little to get the absurd notion eradicated from his deluded mind. We didn't find them at all troubled with swelled heads, nor yet so distant that you would have to view them through a telescope. They are good practical common sense men, as all men are when they once realize that the old world would still continue to wog even if they were called off and their activities would forever cease to influence this mundane sphere. We feel personally grateful for the way the Toronto Press Club received the outside members of the Fourth Estate.

Mr. Creelman, of the Agricultural College, Guelph, is a happy speaker, and gave an exceedingly cordial invitation to all to visit the College, and partake of whatever hospitality they saw fit to dispense. Accordingly three special coaches left the Union Station Saturday morning at 8:30 and took the party on the excursion returning those who desired to return to Toronto the same evening. Whether the Grand Trunk rendered the service free or not we cannot say, but the party at all events were not taxed for the trip. Mr. J. D. McDonald, District Passenger Agent, accompanied the party and the trip together with the treatment accorded at the College will not soon be forgotten.

The meeting was the most successful ever held by the Association, and all who attended the sessions will likely return next year. The interchange of ideas must be a benefit to the poor country publisher who is likely to fall into a rut if he never meets anybody outside of his own canton.

Chamberlain's Cough Remedy the Best and Most Popular.

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for la grippe," say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold at Parker's Drug Store.

FLESHERTON

NOTES OF THAT BURG BY OUR OWN CORRESPONDENT

Deep sorrow came suddenly to the home of Mr. Stinson, Toronto line, on Sunday afternoon last when after but a few days illness his beloved wife was called away in the prime of life. Mrs. Stinson was a robust, energetic woman and the news of her death was a shock to the community. The funeral takes place to the Flesherton cemetery to-morrow (Tuesday) when an appropriate service will be conducted by Rev. L. W. Thom in the Presbyterian church where the deceased became a member a little over a year ago. By her death the Ladies Aid Society of the church lost a valued member. The deceased was the daughter of the late Captain J. J. Field, was born in Flesherton 36 years ago, and 13 years ago was married to her now sorrowing husband who has been left the care of five children—three boys and two girls—the eldest of whom is a boy 12 years of age and the youngest a son born on Sunday morning. Much sincere sympathy is felt for the father and motherless children as well as for the deceased's mother who also mourns the loss of her son John, who died four months ago.

Deputy Postoffice Inspector Mr. Macarow, was here on Thursday last holding an investigation into the mail service between Flesherton, Eugenia, Vandeleur and Kimberly. Mr. Macarow's visit was in response to a largely signed petition to the department from the patrons of Kimberly office who ask for a direct service from Flesherton to that office via Eugenia and that daily service be continued to Vandeleur direct from Flesherton. The deputation from Kimberly was comprised of Mr. W. A. Bishop, Mr. Jas. Steward and Mr. Harris. Vandeleur was represented by the old satisfactory mail carrier Mr. S. Gilbert. Mr. John Webber, the present mail carrier from Flesherton to Kimberly, advocated a continuance of the present service with slight amendments. The Inspector has the matter now under his consideration.

In the recent newly appointed Justices of the Peace by the Ontario Government we notice those for Artemesia area: Mr. M. K. Richardson, Mr. A. S. VanDusen, Mr. J. A. Boyd, Mr. Wm. Sharp, Flesherton; Mr. R. McGill, Mr. J. L. McMullen, Ceylon; Mr. John McArthur, Mr. C. C. James, Priceville; Mr. Thos. Harness, Mr. H. D. Irwin, Markdale; Mr. S. Pedlar Sr. and Mr. Jas. Williams, Eugenia. All are reliable men and will doubtless perform their duties faithfully. Mr. Richardson and Mr. VanDusen have been in the office for a number of years.

A meeting of the executive of the Centre Grey Liberal Association was held here on Wednesday of last week. Among those present were Mr. C. W. Hartman of Clarksburg and Mr. J. D. Morgan of Dundalk. It was decided to meet here again in the first week in June and also that a monster picnic be held about that time. The Women's Institute here met at the home of Mrs. W. A. Armstrong on Tuesday of last week.

Acetylene Blew Up.

(Toronto Star.)

Mount Albert correspondent New-market Era: About 8 o'clock on Tuesday evening nearly all the residents of Mount Albert thought the town had been visited by an earthquake. Investigation showed that something had happened at the Sovereign Bank, towards which everyone seemed hurrying.

On hastening to the scene it was learned that as the acetylene lights were not working properly the two junior clerks, Messrs. Haigh and Wolfe, went to investigate. The generator for safety was placed about a year ago in a cave constructed for the purpose about two feet outside of the woodshed. One of the clerks carried a lighted candle, and as soon as his companion opened the door leading from the woodshed into the cave there was a blinding flash, accompanied by a deafening explosion, the shock of which was felt by the residents on the hill about forty rods distant. A section of the roof was blown off the woodshed, and nearly all the remaining rafters were cracked. The front windows, which were handsomely lettered with gold letters, were blown, letters and all, clear across the street, and nearly all the windows in the buildings were broken. A large amount of plaster was knocked down and a portion of the floor upstairs was raised up. The doors of the upstairs rooms were forced open, the locks being torn off, while one door was split in two. The windows in the Hopkins

There were sixteen members present and the meeting was enjoyable and profitable.

Though the thermometer has been low and the weather stormy for a few days the sleighing that has come has been appreciated by our business men and the farmers who have teaming to do. Mr. F. G. Karstedt, who is getting out timber for an 80 foot shed for the accommodation of the public, is pleased as any with the renewed sleighing.

Married—By Rev. L. W. Thom at the Presbyterian Manse on Wednesday of last week, Mr. J. Fike, Jr. and Miss—Davidson, both of Osprey.

While attending a meeting at Portlaw school house one evening Rev. Dr. Caldwell had the misfortune to have his cart badly damaged by his horse breaking loose and running away. The horse with upturned cart was found in the ditch a couple of miles from where it started, but fortunately the animal was not much injured.

In our budget last week we overlooked a hockey match here on the Friday evening previous between the Junior clubs of Dundalk and this place. Our boys were badly beaten the score being 13 to 1.

Rev. Jas. Buchanan of Dundalk lectured on Friday evening last and preached very able sermons in the Presbyterian and Methodist churches on Sunday on the Local Option question. At the morning service in the Methodist church Dr. Caldwell preached and dispensed the quarterly communion. The snow plow did appreciated work for church goers in the morning.

Rev. G. F. Hurlburt occupied his pulpit in the Baptist church on Sunday after his holiday to Cuba. Mr. Hurlburt enjoyed his trip and is much pleased with his holidays and the prospects in the land of sunshine.

The vital statistics for 1905 are registered by clerk Bellamy are, births 48, deaths 19, marriages 32, all much lower than the year previous.

Mr. Samuel Warling, of Portlaw, was discovered on Monday to be the victim of smallpox of light type. The Board of Health has closed the school at that point for the present. Rev. L. W. Thom supplied Rev. Mr. Buchanan's pulpits at Dundalk and Ventry on Sunday. Rev. Dr. Caldwell preached for Rev. Mr. Thom at Proton Station in the evening.

Mr. Swift and two little nieces of Toronto, have been visitors at P. Quigg's for a few days.

Mrs. W. T. McKee and mother Mrs. Jos. Pedlar visited the former's sister Mrs. John McKee, at Owen Sound.

Mr. Walter Loucks has been very sick for some days having caught cold which settled in his eyes.

Mr. W. A. Armstrong is in the city a few days this week.

Miss Nellie Boggs leaves this week to attend the marriage of her cousin at Guelph where she will visit for a few weeks.

block, 40 feet distant, were also shattered.

Wolfe's face was badly burned, and his hair and eyebrows scorched, but he was able to attend to his duties on the following morning.

PRESENTATION AND ADDRESS.

On Thursday, Feb. 1st, the friends and neighbors of Mr. and Mrs. Wm. Kenny to the number of about sixty gathered at their home, and spent a most enjoyable evening in dancing, games, etc., and presented them with the following presents and address.

DEAR MR. AND MRS. KENNY:—We, your friends and neighbors, have gathered here this evening for the purpose of spending another pleasant evening in your hospitable home. We were always pleased to be here at former gatherings, and were ever received with hearty welcome, but we are more than pleased to be here on this occasion, being the celebration of your silver wedding. We ask you to accept this small present, (1 doz. silver knives and forks, 1 doz. silver tea spoon, silver butter knife and sugar shell,) not for its intrinsic value, which is indeed small, but as a mere memento of the many happy days we have spent together. Hoping that our Dear Lord in His goodness and mercy may spare you both to celebrate your Golden Wedding.

Signed on behalf of all here present. Mr. and Mrs. Kenny although completely taken by surprise made a very fitting reply, heartily thanking their friends for such a handsome and so generous a gift.
