WE regret to learn that Mrs. J. Carson, who has been in Fergus hospital for the past six weeks, is not gaining her health. In fact there are grave apprehensions in the family that she cannot last much longer. We hope, however, that her fears are unfounded, and that she may soon be restored to her usual health.

Even if a man should happen to be pitchedforked into the Senate he should very little sense to attack a newspaper man just because he happened to make some remarks. Jimmy, the Mt. Forest Senator, attacked Jimmy, the newspaper man, but the latter was able to hold his own in the oratorical debate.

ACQUAINTANCES of Mr. Kenneth McKenzie, of Port Huron, now in his eighty-seventh year, will be pleased to know he is well. He is in the honor of his son-in-law, Mr. C. McLachlan, and enjoys better health than he has had for years. He takes a trip on the lakes every summer, and has not yet lost interest in the CHRONICLE, which he enjoys to read every week.

WE referred last week to the loss of Mr. Twamley sustained by the burning of his house and contents on Sunday while he was at church. Tuesday the second day after the fire, the Great Bruce Fire Insurance Company handed Mr. Twamley a cheque for \$700, the full amount of his claim. This is quick work on the part of the company, for which they deserve credit. No doubt their promptness will bring its reward by way of increased business. Mr. Twamley is still a loser to the extent of more than \$3000.

WE regret to learn that Mr. D. K. McArthur, of Hopeville had the misfortune to have his store burned, with all its contents. The Hopeville correspondent says:—"Great excitement prevailed here on Tuesday night of last week when it was found that D. K. McArthur's general store was on fire. It burned so quickly and fiercely that nothing could be done or a thing saved. It looked for a time as if the adjoining buildings were doomed also but the splendid work of the men prevented further loss. As it is, the business part of our village is wiped out."

THE Canadian Moving Picture show gave an exhibition here on Tuesday night. The attendance was small and the show only fair, so we are told. There were no Press tickets, and these concerns are not generally very liberal towards the newspapers, we didn't feel disposed to pay our way and then give a press puff. You can call us mean if you like, but we are of the opinion that representatives of the Press shouldn't pay to go to any show, either local or otherwise. If a man does a dollar's worth of work and pays two dollars to see the performance, he isn't much ahead. We consider it our business to report what's going on, but it isn't our business to pay for the privilege of doing so.

Hammer blows, steadily applied, break the hardest rock. Coughing, day after day, jars and tears the throat and lungs until the healthy tissues give way. Ayer's Cherry Pectoral stops the coughing, and heals the torn membranes.

### Chamberlain's Cough Remedy the Best and Most Popular.

"Mothers buy it for croupy children, railroad men buy it for severe coughs and elderly people buy it for la grippe" say Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold at Parker's Drug Store.

### Corner Concerns.

On Saturday, Feb. 3rd, Mrs. Peter Brown laid down the cross of life which she had born with so much honor for seventy five long years. Recently she had returned almost to childhood through the frailties of age, and with her husband moved to her son Dave's where she received the kindest attention which was fitting to one whose motherly care had soothed the sufferings of so many though afflicted herself. Beside the hardships of pioneer life she lost two husbands. She was the mother of ten children, eight of whom survive, who with her husband mourn the loss of a loving wife and mother. They are Mrs. Wm. Hunter, William, James, Walker and Alex. Hamilton, of Dakota and the N. W. T., Mrs. Baird and Mrs. Vollett, of North Dakota, and Mrs. Seamans, of Michigan. She spent many days of her widowhood as well as her last days with her stepson, Dave Hamilton, whom she always held equally dear with her own. She was of Scotch nationality and a life-long member of the Presbyterian church. The remains were laid away on Monday in Amos church yard where they were followed by many old admiring friends who availed themselves of the opportunity to pay a last tribute of respect.

A very pleasant event will take place in the home of Mr. Wm. McFadden, on Wednesday evening when the marriage of his daughter, Miss Henrietta, to Mr. John Wilkinson of Boothville, will be celebrated. We will give fuller particulars after the occurrence.

Mr. Geo. Moore was engaged last week making timber for ex. Lawrence's new barn, which is to be 50x60 feet.

Miss McClinton, of Meaford vicinity, spent a few days a week ago with her cousins, Mr. and Mrs. Wm. McMeekin.

Many of our young people attended the Holstein revival meetings and pronounced them the best of the kind they ever attended.

Mr. James Tucker purchased a McCormick Binder from agent Sharpe last week. They seem to give good satisfaction and are becoming rather popular in this part.

A few good draught horses changed hands in this part last week. Barber Bros sold one for \$190, Joe Lennox also sold one for \$200, while Mr. E. Johnston bought a famous prize winner for a sum somewhat over two hundred. There is both money and credit in raising horses of that sort.

We are all sorry to hear of Mr. S. T. Orchard, of Holstein, being laid up with a severe attack of inflammation and hope it may not prove very serious.

Mrs. Ann Chapman had a wood drawing bee on Saturday getting home her year's supply from McLean's woods.

Mr. John Baird, of New York, sold the old homestead on the corner to Mr. Joe Lennox, and was over last week for a couple of days transferring it over to him.

Mr. Duncan McLean's gang of men have cleared the timber from his own two hundred acres, and last week he bought ten acres of good swamp a few rods from his mill from the Nichol Bros.

Your Mulock correspondent says it is coming spring because he sees crows, ganders and all manner of living animal strutting around before his gaze. Of course spring is a long way off yet, and it is much too soon to see those things in reality, but it is a nice way for him to illustrate the evil of those beer and card parties which he says his people are becoming so indignant at.

### Traverston.

Mr. Y. Richardson, of Chatsworth, is visiting his niece, Mrs. Thos. E. Blair, and is having a big time hunting foxes.

Mrs. Duncan and her son Charlie, of Glascoff, visited among friends here the first of the week.

Mr. Abel Wright is to have a chopper put in his shingle mill in a few days.

Mr. Jim McCarty, of the 10th con. is to be wedded on Wednesday to a winsome maiden of Hamilton district.

Mr. Wm. Firth took a big load of household effects up to Holland Centre on Monday, to his newly wedded daughter, Mrs. Harry Holmes.

Mr. D. Sweeny ran over ten thousand feet of maple logs into Mr. Jas. Ross' mill yard, here, last week. They were as fine a lot of logs as ever we saw.

Mr. Harold Clark, of Edmonton, and Mr. C. L. Grant, of Durham, were guests of the Robson home the first of the week. Mr. Clark is son-in-law of Mr. A. Robson and 'twas his first visit to his wife's old home. He has prospered since going West and is now one of the wealthy men of the rising city, being owner of a large factory.

Quite a number from this neighborhood were present at Mr. Neil McCannell's monster sale last Thursday and were strong admirers of the cozy homes and fine barns that are grouped about "Topp Cliff." Everybody had a word of praise for Mr. McCannell as a neighbor, friend and public official.

"Old Tom," the 25-year-old horse of the late W. J. Edwards died since our last budget was written. He was a tough old chap and got decent burial.
