Wilbert and Eva Blyth entertained about thirty of their friends at a week ago Friday night, when according to reports a pleasant time was spent.

The temperance meeting that was announced for last Thursday night was a great treat for the following took part in the program: Recitations by Miss Minnie Johnston and Mabel Mead and Master Percy Aldred; Soles by Mabel Mead and Rev. Mr. Stephenson and a duet by Miss Aggie Sirrs and Mabel Mead, and the choir sang service pieces during the evening. Mr. John Aldred made a short address but to the point, then Mr. Wm. Allan addressed the meeting for an hour or more in his usual good style and was listened to attentively. People went away saying they had a fine meeting. A collection was taken in aid of the temperance cause amounting to \$3.00.

A goodly number of the young people spent a pleasant time at the home of Mr. and Mrs. Daniel McCrie

Not the Oldest—Not the Largest Just the Best.

If you wish to receive the Best Commercial and Shorthand Education, it is necessary that you attend the Best—

The Mount Forest Business College

This College is the Best:—

Because each student is taught separately at his own desk;

Because all difficulties are thoroughly explained as they occur, thus avoiding loss of time to the students and enabling them to accomplish more than is possible in class teaching;

Because each student receives special attention in his weak subjects and may choose his subjects;

Because each student does his work independent of all others thereby establishing confidence in himself;

Because by attending the day and evening classes, students graduate in a short time and at a small cost;

Because its graduates are enjoying the best positions in almost every Canadian and American city;

Because this College enjoys the confidence of the Business Public.

Because it teaches Actual business from start to finish;

Because its Shorthand students are doing marvellous work, some writing 200 words per minute after attending only two months;

Because at the head of it is a man whose qualifications as a teacher are unexcelled and whose ambition is to see his students become good citizens, morally, socially and financially.

If the editor who announced the demise of a fellow citizen under the glaring head lines "found dead in bed" had added that he died "without the aid of a physician" he could be excused, but we cannot forgive him for making so conspicuous a common occurrence as dying in bed. That's the proper place for a performance of that kind and the most popular and fashionable way of winding up our earthly careers.

A LITTLE LAD'S PLUCKY RESCUE.

On Saturday afternoon a quartette of five year old lads were playing on Corporation Pond when one of their number, Master Winston Grace, son of E. W. Grace, butcher, fell into one of the open spaces where the icemen had been harvesting. Two of the lads were frightened and ran away but Master Melvin Williams, son of ex-Reeve Williams, pluckily stayed by his little companion and by lying flat on the ice succeeded in pulling him out of his place of peril. The G. T. R. sectionmen were working within sight and they hurried to rescue the drowning lad, but ere they reached the spot young Williams had him safely landed. The heroic youngster should be rewarded with a life saving medal. Mr and Mrs. Grace called at the Williams home on Monday evening and presented the little hero with a beautiful silver watch and chain, as a mark of gratitude.—Acton Free Press.

Why Suffer From Rheumatism?

Why suffer from rheumatism when one application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping only for a short relief from suffering have been happily surprised to find that after a while the relief became permanent. Mrs. V. H. Leggett of Yum Yum, Tennessee, U. S. A., writes: "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale at Parker's Drug Store.

The Ontario Parliament opened the other day with the usual nonsensical ceremonial apeing the courtly proceedings of monarchial Europe. The excuse most generally put forward for this bombastic flummery and monkeyshines is that the ladies insist upon it. A new species of Women's Rights we presume. It was ever thus since the world began. Father Adam blamed his wife for his transgression, and it has been the convenient excuse of mankind to blame all folly upon the ladies when possible. The simple fact however is that men like to strut about in gold lace and boys' knickers and show their shapes quite as much as the ladies delight in displaying handsome gowns and fine millinery, and it is small business to blame it all on the fair sex. Take any swell function or parade, where a man gets out of his business clothes he just gets giddy when he puts on a cocked hat and a sword and some other regalia, and wants to prance around like a peacock and is hoppin' mad if everybody isn't looking at him. But this whole nonsense at the opening of the Ontario Legislature might be cut out. Black Rcd and his supers could be given some useful employment, and if the ladies and gents (and gents) want to exhibit themselves let them go to the horse show or the Woodbine races. Parliament is an essentially business place, and not an exhibition of frill and furbellows for the favored few for which the people have to pay.—Harriston Review.

A Good Suggestion.

Mr. C. B. Wainwright of Lemon City, Fla., has written the manufacturer that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantaneously," he says. For sale at Parker's Drug Store.

HAD BLOOD POISON 12 YEARS

The New Method Treatment Cured Him After Drugs, Mercury, Hot Springs, &c., all failed.

Wm. H. Patterson, of Saginaw, Mich., relates his experience: "I do not like society and especially of this kind, but I feel I owe this much to Dr. K. & K. for the great good they have done me. I had a serious blood disease when 23 years of age. The skin and blood symptoms gradually developed. Pimples and ulcers formed, running sores broke out, hair became loose, pains in the bones and joints. After treatment dyspeptic stomach, foul breath, itchy skin, etc. It is needless for me to say I tried doctors. I went to hot springs. I visited Hot Springs twice for four months each time. It helped me temporarily, but in six months after returning home I was as bad as ever. Finally a Doctor friend of mine advised me to see Dr. Kennedy & Kergan. He said he had known of them for over 20 years, and as they made a specialty of these diseases and treated the worst cases by the hundred they ought to be expert in curing them. I was afraid of advertising doctors, but I took his advice. They agreed to treat me under a guarantee or no pay. I investigated their financial standing and found they were perfectly responsible, so I commenced the new method treatment. The eruptions disappeared in two weeks, the bone pains in four weeks and in four months I was entirely cured. Yes, sir, I can recommend the New Method Treatment for Blood and Skin Diseases. CURES GUARANTEED OR NO PAY. Consultation Free. Books Free. If unable to call, write for a Question Blank for Home Treatment.
