STRAY SHOTS FROM SOLOMON

(Shoe and Leather Journal)

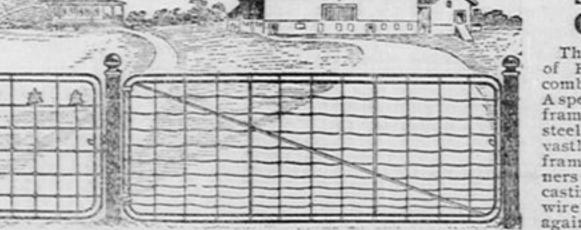

AVOID FADS.

All the lunatics are not in the in sane asylum. There are people out side crazier than some of those that are under restraint. It has been said that everyone is a little "off", of a lothful man a hedge of on some point, and it is only a ques tion of acuteness of the malady that keeps our public institutions from be ing crowded to their utmost capacity This seems to be an age of fads, and man has a hard time for he lazi people are running about With all kinds of ideas to ventilate, from ni of time to the students and enabling them bilism down to going barefoot for to accomplish more than is possible in class health. One has only to look at the multiplication of religious sects and consider some of the ridiculous tenes and claims put forth to realize the Because each student does his work in. riot to human thought has come dependent of all others thereby establish- The hunt for something new has a great fascination for many people who run after every new fad in busi ness, science or religion It was this feature that aroused the old corragement. When tak s good best positions in almost every Canadian Kentuckian recently, who having picked up a paper read a long list of Because this College enjoys the conficures effected by the use of water Throwing the paper aside with a gesture of disgust he said, "Next thing some fool will come along and advocate water for a beverage." In Those who are afrain of the possiper minute after attending only two this tiresome fad business, we are bility of growing wealth, will find in liable to lose sight of some of the old Proverbs xxi. 17, a good receipe for Because at the head of it is a man whose verities of life. The man who starts the prevention of accumulation qualifications as a teacher are unexcelled chasing up these fads is on dangerous "He that loveth pleasure shall be a become good eitizens, morally, socially and ground if he wants to make a success poor man; he that love h wine and of his business Thousands of men oil shall not be rich " Now mark it is have been ruined by listening to the not he that taketh pleasure that shall enticing sophistries of those who are be poor. Many people seem to be W. T. CLANCY, Prin. charmed with the sound of their own afraid of taking a little relaxation voices. Not one in a thousand of that they keep their noses on the those who follow fads ever amount grindstone from January 1st to De to shucks Nearly four thousand cember 31st, and despise those who years ago the warning was sounded, observe the seasons and take a proper "He that tilleth his land shall have vacation. There are some people, plenty of bread; but he that follow- however, who are continually paneth after vair persons shall have dering to their love of pleasure or poverty enough "

vacant mind. Yet the simile is most things. Life's duties and obligations E. E. Knott says of the cotton mar- apt Solomon says, "hell and de take a secondary position and are formed that he could not live over after he entered the establishment. "My opinion is to attempt a bull night. Thinking that he would like The head of the concern was in the movement with the world's stocks to be as presentable as possible in his habit of giving each employee at over 5,000 000 bales, and receipts con. coffin, he had the barber summoned. Christmas, instead of money, an ortinuing on a scale insuring a 11,000. Still unwilling to undergo the ordeal der for a suit of cloths and the young 000 bale crop and the price three cents of a shave in his weak condition he clerk received his order with the per pound higher than a year ago, enquired in short gasps what the others He had just invested in a Neither Mr. Price or anyone else will charge would be for shaving a corpse. very nice outfit and was rather nonattempt to lead a bull campaign from "One dollar," was the reply.
