Corner Concerns.

Mrs. Wm. Allan has been on the sick list, with Dr. MacLaurin in attendance. It is to be hoped that she will soon be restored to her usual health again.

Mr. Archie Baird's sale on Monday was a success despite the frequent showers that occurred during the time. Neither rain nor snow will cause Auctioneer Clark to drop an article until he gets its full worth.

Cottage prayer meetings are being held in this neighborhood at present. There seems to be quite a stir in religious affairs over the country during the past year, and this part is never behind in anything.

The changes of farm occupants have now been made. Robt. McMeeken has moved out on our line to work the old homestead, and Joe Patterson is to work the place vacated by him. Joe Lennox goes onto the old Baird homestead, and Wm. McMeeken for Holstein Supply Co.

Mr. Wm. Black of Durham was amongst the many active horse buyers at the Mount Forest fair last Wednesday and purchased some fine animals. The fair was a very large one in point of attendance, resembling a Durham fall show. A number from this part had good horses at it.

An effort is being made to have Dr. Jamieson, M. P. P. and Inspector Campbell address the Varney Farmers' Association on the contemplated changes in the Educational Department and how they would effect the country.

Miss Aggie Sirrs left a week ago to spend a month in Toronto with old friends before going West.

Miss Sara Tucker returned home from Belgrave on Saturday.

Mr. Lorne Allan has treated himself to a fancy driver and is now in a position to enjoy himself during the summer and help make life brighter for some of his neighbors. He is not going west this summer.

Messrs. Tom and Willie Johnson have secured positions on the Dredge for the season. They are both industrious, reliable chaps who can be depended upon.

Mr. Phelix Curran of Normanby purchased an old cedar log barn from Nichol Bros. of this place to make foundation for the new barn he is going to erect to replace the one destroyed by fire.

Mr. Wm. Allan has got some very prolific cows. One has given birth to four calves inside of eleven months, and all doing well. Another one bids fair to do the trick, having started started off by giving birth to twins a week ago.

The Holstein Leader, at the beginning of Lent, advised all its subscribers to say to all who asked to borrow their paper that it is "lent." We concluded it would be a grand joke and have been patiently waiting for some one to ask to see the Leader. But it looks as if the joke may be very stale, in fact Lent may pass away altogether before we get a chance to spring it on any person.

Quite a number of our citizens attended the monthly Horse Fairs held in Mount Forest and find them a pretty big affair. In fact last Wednesday reminded one of a fall show day. A goodly number of horses changed hands.

Mr. John McKechnie of the Rocky purchased a brood mare last Monday which has stood amongst the best in our township for raising high priced stock.

Our township is much pleased with the result of the fight to hold the Cement Works in Durham because it receives a large tax from the concern, it not being in any way exempt, besides many of our young men get employment at a good wage. The sentiments of all were expressed by some of our leading citizens in conveying to THE CHRONICLE their appreciation of the noble fight which it was putting up in support of right, and for the faithful, fearless stand it had taken against such tremendous odds, and we will now no doubt be ready to ask for our share of the costs for damage to the press in winning for us such a battle. We would feel like thirty cents, if we did not share a willingness to pay for boots equal to our ardor in urging for victory. Besides some other good cause requiring strong support might soon spring up and suffer if we fail to put the press in as good a condition as we found it at the commencement of the fray.

Mr. Gilder's Judicious Reply.

The woman journalist was entertaining half a dozen Wellesley undergraduates at tea. It was an expensive tea, served in an expensive apartment. Plainly the young woman journalist was doing well.

"Yes; I am doing well," she admitted. "I write fashions now. But when I was a high class journalist, interviewing celebrities on my own book, I couldn't afford to give teas. These celebrities—if they would only talk! You visit them expecting to extract a twenty-five dollar story. You come away with a quarter one—or nothing. Once I sought out Richard Watson Gilder in order to get from him five or six columns on 'Young Women in Literature.' A fetching subject, eh? But, alas, Mr. Gilder wasn't in a talkative mood! When I suggested this glorious topic to him, when I opened fire with the first question, 'What is the chief requisite for a young woman entering the literary field?' he replied 'Postage stamps.'" —Buffalo News.

NO MEALS FOR TEN YEARS.

Remarkable Case of a Man Who Lost His Gullet.

London, March 25.—For ten years before his death at Kingstown the other day, a man named Joseph Knight had not eaten any food.

Eleven years ago, while on board the yacht Elba at Gosport he accidentally drank some detergent in mistake for porter with the result that his gullet and other internal organs were destroyed.

He was placed in the hands of an able surgeon, who not only saved his life, but also enabled him to live for more than ten years in comparative comfort by means of feeding through a tube in his side leading directly to his stomach.

It is remarkable that, though unable to eat, he could always enjoy a smoke. He was about forty years of age.

Why Suffer From Rheumatism?

Why suffer from rheumatism when an application of Chamberlain's Pain Balm will relieve the pain? The quick relief which this liniment affords makes rest and sleep possible, and that alone is worth many times its cost. Many who have used it hoping only for a short relief from suffering have been happily surprised to find that after awhile the relief became permanent. Mrs. V. H. Leggett of Yum Yam, Tennessee, U. S. A., writes: "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale at Parker's Drug Store.
