DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

DURHAM, APRIL 19, 1906.

ROUND THE CEMENT MILL.

The first meeting of the Directors of the National Portland Cement Company, Limited, since the starting of the Plant for 1906, was held on Thursday the 12th inst., at the Company's head office in Durham, with the President in the chair. All the rotary kilns and everything about the plant was running. Considering the short time the new management had to make repairs and the bad condition in which they found the plant, the directors were all highly pleased with the careful business way in which the affairs of the Company are being handled.

Mr. McWilliams, the President, has had the new clay siding put in and a reduction in the freight on clay which was very satisfactory to the directors considering what they had been paying last year.

The President in addressing the Board set forth the great advantages which has been arrived at since the installation and changes in the wet end, reducing the moisture to such an extent that there will be a great saving of fuel and will increase the output of the plant by at least 100 barrels per day.

The services of Mr. A. C. Maitland, late of the Imperial Portland Cement Co. Limited, of Owen Sound, had been secured as Secretary and he reported to the meeting that the bulk of the season's output will be disposed of to our regular customers and that orders by wire, phone and letter are pouring in every day.

The Treasurer, Mr. Gilbert McKechnie, has been very active around the plant and is thoroughly alive to the different changes that have been made.

The services of Mr. Chas. Lavelle as accountant have been retained.

Mr. Geo. McGrane, who had charge of the installing of the Company's machinery when the plant was built, has been placed as Superintendent of the entire manufacturing department.

W. Marshall Smith, late at the head of one of the largest plants in the east,

has been placed in charge of the laboratory as chief chemist.

The directors went over the plant carefully inspecting the changes made by the new management and expressed themselves as highly satisfied with the changes and the rapidity with which the work was carried on.

They also took the engine and went out to the Lake to inspect the dredge and how she was working, and found everything working satisfactorily.

The outlook for the season of 1906, as to quality, quantity and price are exceptionally bright and the directors are looking forward with anticipation to a profitable year.

Prior to their motion to adjourn the directors expressed their hearty approval of the thorough manner in which the President had conducted the placing of all the new heads of the different departments and had given his personal attention to the overhauling and repairing of the mill.

In conversation with Mr. Ratz, one of the old Board, he expressed himself while out on the dredge as to the great difference there was this year in handling the material. Talking with the President he expressed himself, that it would be hard for him to believe without seeing it for himself how thick they were handling the material after what had been told the old Board last year and the statements made at the Annual Meeting, and he said that in his opinion it would make a difference of 200 barrels per day of an increase without using any more coal.

Traverston.

Easter eggs were plentiful. We know of a chunk of a lad that got outside of fourteen and didn't "feel bad" afterwards.

Mrs. George Peart and Mrs. Neil McKechnie left by the C. P. R. from Markdale on Thursday to spend the holidays with relatives in the Queen City.

Miss M. E. Hunt, teacher of Rockly, is having a happy week at the old home and among old associates.

Miss E. Scott, teacher of No. 5, is down at the flower enclosed home near "Corner Concerns."

He's a hale fresh, vigorous old fellow, is Mr. Wm. Hall of Toronto Junction, who spent a few days among the old neighbors. Mr. Hall was a most successful mill man, here in bygone years.

Mrs. Murray, with pretty baby girl, is up on a visit from Galt to her cousin and friend, Mr. and Mrs. Jas. Nelson.

Mr. Dick Davis came up on Thursday last with the jolly crowd from Toronto. He is smitty in the Toronto Kennedy Foundry Co. works and has a good situation at smiling wages. A bright future lies before the same likeable Dick.

Miss Ann Jane Lennox passed away in Hamilton asylum on Friday. For some years she has been subject to fits of mental aberration. The remains arrived at Markdale at noon on Saturday, where friends and relatives met them and were conveyed to the home of her sister, Mrs. John McNally on the 10th. The funeral took place to Zion's acre on Sunday afternoon where Rev. T. Colling preached a most eloquent sermon and officiated beside the open grave. The pall bearers were Messrs. John McNally, of the 6th. T. Giescross, Lorne Kerney, Jos. Will and James McNally, jr. Among those present from a distance, we noticed Mr. and Mrs. Joe Lennox, Mr. Bob Lennox, Mr. James Mack and Mr. Tucker, of Egremont. 'Tis seven years ago this month, since her mother passed on before.

Orchard.

Miss Janet Blyth of Sarnia and Miss Ida, teachers, are enjoying the Easter vacation at home.

We welcome to our burg Mr. and Mrs. John Collins, jr. John has rented the blacksmith shop lately vacated by D. McGrath, who has gone to Durham.

Miss Emma Brown is visiting in Durham.

The Misses Dawson, teachers, are holidaying with friends in Mt. Forest.

Miss Mary Calvert is visiting in Toronto.

Miss Aggie Mark is taking a course in Mt. Forest Business College.

Miss Maggie Brown and Mr. Storey, of Durham, were guests at the home of Mr. W. Brown on Sunday last.

The Epworth League sociable was a decided success. The programme, consisting of music by mixed quartet, solos, recitations and readings, was enjoyed by a very appreciative audience, and are worthy of more extended mention than we have space here to give. The pastor, Rev. C. P. Holmes, was in the chair. A most pleasing feature was a ghost story by Mrs. Holmes, in that lady's very charming manner. The narrator held her audience spell-bound, and they were prepared for the most ghostlike proceedings, but were decidedly disappointed at the very unghostly style in which it ended.

We are pleased to report the improvement and recovery of Messrs. J. Calvert and G. Eddington, who have been ill most of the winter.

FLESHERTON

NOTES OF THAT BURG BY OUR OWN CORRESPONDENT

A special meeting of Prince Arthur Lodge A. F. and A. M. was held on Tuesday evening of last week to receive an official visit from Rt. Wor. Bro. A. U. Knight, D. D. G. M. of the Georgian District. After receiving the distinguished visitor with grand honors the Third Degree was exemplified by the officers of the lodge who were complimented by the inspecting officer for the efficient manner in which they performed their work. Rt. Wor. Bro. Knight gave an instructive address for which upon motion by Wor. Bros. M. K. Richardson and A. S. VanDusen he was tendered a hearty vote of thanks. At the conclusion of business all adjourned to the dining room of the lodge where a beautiful spread prepared by the members wives was laid. After satisfying the inner man, an enjoyable season was spent in speech making and song the W. M. Wor. Bro. John Wright, presiding. After the toast to the King and Craft which called forth the National Anthem that to the Grand Lodge was ably responded to by Rt. Wor. Bro. Knight, who also gave a splendidly rendered song. The toast to the Past Masters of Prince Arthur Lodge was fittingly replied to by Wor. Bro. M. K. Richardson and that to the officers of the lodge by Wor. Bros. Bellamy and Hickling and Bros. Blakely and munshaw. Auld Lang Syne brought the pleasing proceedings to a close.

The Flesherton Hotel Company Limited, was regularly organized at the meeting held here for that purpose on Tuesday of last week. Over sixty shareholders were present and after assignment of stock directors were elected as follows: W. A. Armstrong, F. G. Karstedt, R. J. Sproule, W. W. Trimble and W. H. Bont. At a subsequent meeting of the directors F. G. Karstedt was elected president, R. J. Sproule secretary and W. A. Armstrong, treasurer. It is proposed that the new building for which plans and specifications are now being prepared be about 40x50 feet and three stories high. It will be either of cement or brick estimates of which are being obtained. The site opposite J. A. Heard's was chosen by a large majority.

Flesherton football club has been organized for the season with officers as follows: Geo. Mitchell, president; W. Livingston, Captain; W. Summers, Sec-treas; Ed. Thompson, Manager; C. N. Richardson, Geo. Stewart, Ed. Best and Alex. Collinson, Committee. The boys will play in neat orange and black sweaters manufactured by Mr. John Nuha here. Challengers are invited.

That there is big money in live hogs at present we judge from a sale made last week by Mr. Archie Boyd, of the east back line, who delivered to Boyd and Wilson of this place a pen of ten beauties at \$7.00 per hundred. The lot weighed over 2400 and brought \$178.25.

A dose of carbolic acid given in a mistake on Monday last to Ward, the four-year-old son of Mr. Alf. Harrison Toronto line, gave the little fellow's mother who administered the dose, a serious fright. Dr. Carter was summoned and with the use of emetics and stomach pump cause of alarm was soon past.

A munshaw & Son had delivered to them last week their winter's supply of furnace coal—a car of 28 tons direct from the mines at Pittsburg, Pa.

Mr. W. G. Hacking had one of his livery horses so severely injured last week with a kick from its mate in the stable joint that there is little hope of its recovering to usefulness.

Mr. and Mrs. Jos. Clinton are moving to Mr. Kerr's recently purchased cottage near the Methodist church

and Mr. and Mrs. Willett are moving to the house vacated by Mr. Clinton.

There were pretty pulpit platform decorations with plants and flowers and the sermons and music in the churches here on Sunday were appropriate to Easter day. Mr. H. L. Douglas who possesses a splendid bass voice was a valuable acquisition to the Presbyterian choir in which he now sings. On account of the absence of members of the Methodist choir the usual Easter song service was postponed till next Sunday evening when Mr. M. K. Richardson will preach. Dr. Anna Henry will occupy the pulpit in the morning.

Mr. Robt. Blair and family of the west back line left on Monday for Moosomin and will later decide upon their destination.

Mr. Thos. Grainger of this place invested in real estate in Regina about a month ago and has already had a good margin of profit offered him on his property.

Mr. J. L. Wood has resigned the public school at Ceylon. Mr. Wood intends going to the Northwest hoping that a change of climate may help him.

Miss Mabel Boyd is home from Alma College St. Thomas, to spend a couple of weeks with her parents Mr. and Mrs. J. A. Boyd.

Mr. W. E. Richardson has now a unique and attractive illuminated flash light sign decorating his drug store window.

Mrs. Corbett, of Oxbow, Sask., is visiting her daughter, Mrs. W. L. Wright.

Mrs. Pyle left last week to spend a few weeks with her daughter in Toronto.

Miss Walker, of Markdale, has been her brother Mr. J. E. Walker and wife here.

Mr. Ed. Bentham is holidaying with friends in the city.

Miss Conison is visiting her home at Grimsby.

Mrs. W. L. Wright was at Orangeville on Good Friday.

Mr. Ed. Thompson's ponies came near having a bad runaway on Monday. Standing at the bakery door and hitched to the delivery wagon on which was seated Mr. Thompson's daughter, Hazel, the team dashed off, but ran into the bank up the street a little distance where they broke the tongue and were captured. Hazel was thrown from the rig receiving some bruises and a severe shaking up.

Among the Easter holiday visitors here were Mr. J. Shier and Mr. Charles McTavish, of Toronto, at the latter's home, Mr. D. McTavish's; Mr. Henry Richardson, Toronto township, and Mrs. R. C. McIntyre, of Brampton, visited their mother Mrs. Henry Richardson; Mrs. E. Swift, of Toronto, visited her parents Mr. and Mrs. P. Quigg; Mr. Ben. Wilson of Toronto is visiting his parents Mr. and Mrs. T. W. Wilson. Mr. and Mrs. Geo. Wickens, Toronto, visited the former's parents, Mr. and Mrs. Andrew Wickens; Mrs. J. D. Clark and little daughter of Ottawa, visited the former's sister Mrs. F. W. Hickling; Mrs. W. Douglas of Collingwood visited her parents Mr. and Mrs. A. S. VanDusen; M. D. W. Jamieson of Toronto visited his wife's parents Mr. and Mrs. John Whittier; Mr. Charles Mullen of Toronto was a visitor at his home near Ceylon; Mr. Hugh Pedlar of Owen Sound visited his parents on the Collingwood Road.

Among those abroad were Mr. C. H. munshaw, Miss Minnie munshaw, Miss May Hales and Mrs. McKinnon with parents in Toronto; Miss Wass visited her uncle Rev. J. Wass at Jarvis; Mr. R. Trimble and Miss Ruby visited the former's daughter at Owen Sound.

Spring Footwear

IT'S TIME you were thinking about your spring footwear. We have been busy all winter working on this class of wear, and have succeeded in completing the following lines:—

In BOYS' Kip Oil and Box Calf, Isced, sizes 8, 9, 10, 11, 12, 13, 1, 2, 3, 4, 5. These are positively the cheapest and best shoes made for boys because they give the long wear.

Prices, 1.25 to 2.00.

In CHILDREN'S and WOMEN'S Oil and Box Calf, Isced, sizes 8, 9, 10, 11, 12, 13, 1, 2, 3, 4, 5, 6, 7. No woman, girl or child should be without these, for it has been thoroughly proven that they are the only reliable shoe on the market for out door wear.

Prices, 1.00 to 2.00.

In MEN'S Oil, Box, Valour, Canadian, English and French Calf, also Canadian, Veal, English and French Kip, made into Bals, Bluchers, Oxfords and Yankee Ties. The fact that so many men wear these, "buff said."

Prices, 2.00 to 3.50.
