Not the Oldest—Not the Largest
Just the Best.

If you wish to receive the Best Commercial
and Short-hand Education, it is necessary
that you attend the Best—

The Mount Forest
Business College

This College is the Best—
Because each student is taught separate-
ly at his own desk;
Because all difficulties are thoroughly
explained as they occur, thus avoiding loss
of time to the students and enabling them
to accomplish more than is possible in class
teaching;
Because each student receives special at-
tention in his weak subjects and may choose
his subjects;
Because each student does his work in-
dependent of all others thereby establish-
ing confidence in himself;
Because by attending the day and even-
ing classes, students graduate in a short
time and at a small cost;
Because its graduates are enjoying the
best positions in almost every Canadian
and American city;
Because this College enjoys the confi-
dence of the Business Public.
Because it teaches Actual business from
start to finish;
Because its Short-hand students are doing
marvellous work, some writing 200 words
per minute after attending only two
months;
Because at the head of it is a man whose
qualifications as a teacher are unequalled
and whose ambition is to see his students
become good citizens, morally, socially and
financially.

There was rejoicing in the village
at the killing of a pig. Being dead
it was cut up. A neighbor's cat stole
secretly into the larder and annexed
a piece of pork, which she brought in
triumph to her mistress. Next day
the clergyman of the parish visited
the old woman who recounted to him
the remarkable sagacity of the beast.
"It was quite beautiful, sir," she
said piously, "to see the way the
sweet creature brought me the piece
of pork. It brought to my mind
what we read in the Bible about
Elijah and the ravens."

BETROTHAL ANNOUNCEMENT.

Prominent Young People in Church
and Society to Wed in June.

The engagement is announced of
Miss Genevieve Campbell, the popular
young society leader and only daugh-
ter of Mr. and Mrs Henry Clay
Campbell and Dr. J. A. Conkey.

The wedding will take place in
June, at the Tabernacle Presbyterian
Church, of which the bride to be is a
member. The Rev. Neil McPherson,
pastor of the church, will be assisted
by the Rev. Frank O. Ballard, pastor
of the Memorial Presbyterian Church,
of which the groom to be is a mem-
ber.

The event is looked forward to as
one of the largest and most important
social happenings of the season, there
already being many large ante-nup-
tial ceremonies planned in their
honor. In addition to the organist
and Clergyman, the bridal company
will include the parents, maid-of-
honor, two matrons-of-honor, four
bridesmaids, best man, six ushers and
ring and ribbon bearers.

Dr. Conkey, the fortunate suitor,
is a Canadian by birth. He came to
this city from Chicago, some eight
years ago, and is now popularly rec-
ognized as a business, professional
and social success.

For the past five seasons, he has
been president of the Minuet Club;
is 32 degree Scottish Rite and Mystic
Shrine Mason, and a member of the
Benevolent and Protective Order of
Elks.

It is being freely predicted that
there will be a gorgeous and dazzling
array of wedding gifts.

Mr. Campbell, who is a wealthy
real estate and bond broker, will pre-
sent his daughter with a handsome
home, as a bridal gift.

After an extended trip, Dr. and
Mrs. Conkey will return to this city
for permanent residence.

KEEP TOO COOL.

A man and his wife were once stay-
ing at a hotel, when in the night they
were aroused from their slumbers by
the cry that the hotel was on fire.
"Now, my dear," said the husband,
"I will put into practice what I have
preached. Put on all your indispen-
sible apparel, and keep cool."
Then he slipped his watch into his
vest pocket and walked with his wife
out of the hotel.
When all the danger was passed,
he said: "Now you see how neces-
sary it is to keep cool."
The wife for the first time glanced
at her husband.
"Yes, William," she said, "it is a
grand thing, but if I were you I
would have put on my trousers."

she will remain on a visit for some
time

Mr. E. J. Sivil, of Chatsworth,
was in this place on Saturday. Mr.
Sivil is agent for the McCormick Co.
and has employed Mr. D. McDonald
as his local salesman.

Mr. John Hughes of Chesley, a for-
mer resident of this place, called on
some of his old time friends last
week. Mr. Hughes is starting to
farm near Chesley and in the last
few weeks has purchased some of the
best horses in this locality.

Mr. E. J. Sullivan, one of Dornoch's
brightest young men and an all round
sport, leaves this week to start farm-
ing near Walkerton. We wish him
success in his new venture.

Mr. Thomas Davis, the new license
Inspector for South Grey, gave this
village a call a few days ago, in his
official capacity, and found things at
the Bulls Head Hotel in good shape,
and the prospects are that booze will
be sold here for a while at least.

Mr. Robert Dargavel & Sons started
their mills this week and will cut
out their stock in the next few weeks.
This firm has one of the best saw
mills in the locality and has timber
of their own to last them for years.

Dr. and Mrs. F. G. Campbell, who
are spending their honeymoon in To-
ronto and Hamilton, are expected to
arrive in this village to-morrow, Fri-
day and will be entertained at the

Mr. Sam Langrill bought a fine
driver from Mr. Watson, of Norman-
by, and he says he will take nobody's

We would like to know who the
young man was who took the long
drive over the muddy roads on Sat-
urday and did not return till Sunday
night.

Mr. Arnold Noble brought three
fine cows from Mr. T. G. Hutton,
who is giving up farming. We are
sorry to lose Mr. Hutton as he was
an obliging neighbor.

Mr. C. Dunsmoor has returned
home from Toronto where he has
spent a few months.

Mr. Chas. Hutton, of the Mani-
toulin Island, visited her brother, Mr.
Thos. G. Hutton.

Mr. Fred Ayling returned home

GIVE LOCAL MEN A CHANCE.

No man can seriously object to a
citizen sending to Toronto or else-
where for goods when it is not possi-
ble to obtain what is wanted in their
own town. Furthermore no one will
feel aggrieved if articles of one kind
and another are purchased from
smooth-voiced travelling men if the
articles they sell cannot be purchased
from local merchants. Loyalty to
local interests suggests that the local
merchants be given a chance at least
to show what they can do before
there is a rush to departmental stores,
or before a receptive ear is turned to
the loquacious travelling salesman.
It is astonishing how much money is
sent out of town by thoughtless peo-
ple in this way. This vicinity had
been visited of late and is being vis-
ited by gentlemen selling stores. The
articles they sell are doubtless all
right. We have no reason to believe
that they are not, but the local
merchants who handle stores help to
pay the taxes of this town and they
should be supported. Buy at home.
The prosperity of Hanover as a town,
the prosperity of us all, individually
and collectively, demands that we
should deal one with the other and
keep the money here. Give travel-
ling salesmen the go-by.—Hanover
Post.

[This is all right Brer Mitchell, but
are the home merchants all true to
themselves and true to the paper
that supports them so vigorously.
