Absolutely white flour makes the most beautiful white bread—the kind we all like. But white bread is not necessarily pure because it is white. To be pure it must be made from purified flour. There is only one method of making flour absolutely pure, and that is by electricity. No impurity can withstand the searching, purifying work of this electrical process.

The electrical method is employed by every big mill in the United States. In Canada the only flour purified by electricity is

Royal Household Flour therefore it is the only flour that can be considered as absolutely pure. Say "Ogilvie's Royal Household" to your grocer—he'll do the rest.

Ogilvie Flour Mills Co., Limited, MONTREAL.
"Ogilvie's Book for a Cook," contains 130 pages of excellent recipes, some never before published. Your grocer can tell you how to get it FREE.

Uses of an Education.

A Kansas girl graduate to whom had been assigned the theme "Beyond the Alps Lies Italy," wrote this essay: "I do not care a cent whether Italy lies beyond the Alps or in Missouri. I do not expect to set the river on fire with my future career. I am glad that I have a very good education, but I am not going to misuse it by writing poetry or essays on the future woman. It will enable me to correct the grammar of any lover I may have should he speak of 'dorgs' in my presence or 'seen a man.' It will also come handy when I want to figure out how many pounds of soap a woman can get for three dozen eggs at the grocery. So I do not begrudge the time I spent in acquiring it. But my ambitions do not fly so high. I just want to marry a man who can lick anybody of his weight in the township, who can run an eighty-acre farm, and who has no female relatives to come around and try and boss the ranch. I will agree to cook dinners for him that won't send him to an early grave, and lavish upon him a wholesome affection and to see that his razor has not been used to cut broom wire when he wants to shave. In view of all this, I do not care if I get a little rusty on the rule of three and kindred things as the years go by."

Stomach Troubles.

Mrs. Sue Martin, an old and highly respected resident of Faison, Miss., was sick with stomach troubles for more than six months. Chamberlain's Stomach and Liver Tablets cured her. She says: "I can now eat anything I want and am the proudest woman in the world to find such a good medicine. For sale at Parker's Drug Store. Samples free."

REMARKABLE TEST.

Hyomei Has Been Known for Years and is Guaranteed to Cure Catarrh.
We have given Hyomei a most thorough and remarkable test. The remedy has made so many cures that we have urged its use in the most chronic cases of catarrh. Breathed for a few minutes four times a day, through an inhaler that comes with every outfit, it soothes the irritated mucous membrane of the nose, throat, and lungs, kills the catarrhal germs, and restores complete health. It's healing, antiseptic fragrance penetrates to the most remote air passages, as no medicine taken into the stomach can possibly do. Immediate relief almost always follows the use of Hyomei, and great benefit is seen after a few days' treatment. The complete Hyomei outfit costs only \$1, and consists of an inhaler that can be carried in the pocket or purse, and will last a lifetime, a medicine dropper, and a bottle of Hyomei. If this is not sufficient for a complete cure, additional bottles of Hyomei can be obtained for 50 cents. Compare this small expense with the fees charged by specialist. If you cannot obtain Hyomei of your dealer, it will be forwarded by mail, postage paid, on receipt of price. Write to day for consultation blank that will entitle you to services of our medical department without charge. The R. T. Booth Company, Hyomei Building, Ithaca, N. Y.

Grow Seed Peas—little risk now—good profit—

Been reading about peas in Guelph College Bulletin and Provincial Crop Records? They say the pea-weevil is gone for seven years. Queer thing about pea-weevil... he comes for seven years and vanishes for seven. This is his first year for vanishing. Safe now to grow seed peas. Report of Department of Agriculture shows average crop is twenty bushels of seed peas to the acre. Some Canadians raise three crops a year. Price ranges from 75c to 85c a bushel. Easy crop to grow... market never glutted... profit sure. Why don't you go into seed peas this Spring?

Varney.

(Received too late for last issue.)
We sympathize with Mr. and Mrs. H. Wilkinson in the death of their only son. We hoped when we last wrote that he might be spared but God willed differently, and we have to submit to His will. An intention was made last week in THE CHRONICLE of his death and funeral. I will not do more than say that the bereaved parents have the sincere and heartfelt sympathy of the whole community in this their sad trial.

John Aldred and his son Roy left for the West a week ago Tuesday. Mrs. Aldred and Maggie and Percy will remain here for some time before going out there.

Miss Lizzie Derby returned to Niagara on the 28th where she is engaged at book binding.

One morning a few days ago Mr. Isaac Hutton had one of his sheep take very sick and he sent his son Charlie up to Mr. Wm. Morrison with the horse and buggy, and before Mr. Morrison had got safely into the rig the horse which was a little lively started off and as they tried to hold it the breaching broke and that let the buggy run on the horse's heels and started him to kick. He soon turned the rig over, the wheels passing over Mr. Morrison, and as a result Mr. Morrison was confined to his bed for a few days, and Charlie Hutton was also a little sore but both are better again. The horse was stopped by Wm. Morice, none the worse, but the buggy did not come off so safe, it being somewhat broken up, but that doesn't matter, so long as the occupants came off so well as they might have been killed. Defective harness was the cause of the whole affair.

Miss Aggie Dunn has returned to the Queen City again after spending a short time at home.

Mrs. Christopher Williams is at present with Mrs. Wm. McKeen. She is a very fine old lady and smart too for her years.

Miss Edith Allan returned to her duties as school teacher at Gowans-town on Monday.

Miss MacKenzie is again on duty in U. S. No. 1, Egremont and Normanby.

Richard Allan drove down to Palmerston with the team on Thursday of last week for a load of Mrs. Allan's belongings, and while there one of his horses took dangerously sick. Dick was sure he was going to lose her, and how to get home was the query, but the Vet. told him on Saturday morning that if he would let her walk he thought she could get home. So he started, and at 12 o'clock at night he landed home a happy boy. The horse, we are glad to say, is still getting better, so is Dick after getting no sleep from the time he left home until he got back again.

Jim Hoy made his first appearance for the season with his dandy Hackney horse on Tuesday and put up for the night at J. W. Blyth's stable where he will stop every Tuesday night during the season. The horse has improved a lot since last summer and is a beauty now, so don't miss seeing him.

Robt. Petty, it seems, got into hot water over something he had been telling. Bob says that he can back up anything that he said. My lands if they give me time!

Miss Maggie Aldred is living in Durham now. She intends learning dressmaking and pursuing her music studies.

Master Percy Aldred is making his home at H. Wilkinson's at present and going to school.

Wm. Crawford got his license for another year in spite of a petition signed by fifty or sixty of the rate-payers in the north end of Polling Sub division No. 5, Normanby. I suppose what we can't cure we will have to endure. There is about as much need of it in Varney as a wagon has of the fifth wheel.

We are sorry to hear of Sam. Caldwell's little baby having bronchitis. Hope soon to hear of its complete recovery.

Mrs. H. W. Leeson is very poorly at present. Her appetite has left her and the doctor it seems cannot do anything for her, but we hope to hear of her being around again soon in good health.

Wm. Clark is sawing for Robt. Smith, Durham, and Robt. Petty is also assisting him.

Rev. Mr. Stephenson came back to his charge again after three weeks absence. We were glad to see him back again. He preached to the S. S. children on Sunday and was very interesting, his theme being the parable of the vine and the branches.

There was no Sunday School on Sunday afternoon and a goodly number of the S. S. went back to Knox. The Epworth League will hold a business meeting on Tuesday night for the election of officers.

Not as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Colera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. Every family should be supplied with it. Sold at Parker's Drug Store.

CENTRAL Business College
STRATFORD, ONT.

Our classes are much larger than they were a year ago. The public have learned that this is the best place in the Province to obtain a Commercial Education or Short-hand Training. Students are entering each week. All graduates get good positions. Write now for catalogue.

Elliott & McLachlan
PRINCIPALS.

TO CONSUMPTIVES.

The undersigned having been restored to health by simple means, after suffering for several years with a severe lung affection, and that dread disease Consumption, is anxious to make known to his fellow sufferers the means of cure. To those who desire it, he will cheerfully send, free of charge, a copy of the prescription used, which they will find a sure cure for Consumption, Asthma, Catarrh, Bronchitis and all throat and lung affections. He hopes all sufferers will try his remedy, as it is invaluable. Those desiring the prescription, which will cost them nothing and may prove a blessing, will please address Rev. EDWARD A. WILSON, Brooklyn, N. Y.
