BREAD is never better than the flour it is made of. Often it is not nearly so good, but that is the fault of the bread-maker.

Without good flour, good bread is impossible, no matter how skilfully it is handled. Now, good bread must be good to eat, as well as good to see or to taste. Good-to-eat bread is bread that nourishes.

In the matter of nutriment,

Royal Household Flour

is supreme. It represents the best that is in the wheat, ground to a snowy whiteness and purified by electricity.

It produces bread that is light, easy to digest and best of all—nutritious. Ogilvie's Royal Household is to be had at all grocers.

Dornoch.

(Chatsworth News.)

Mr. D. S. Campbell accompanied by his sister, Miss Effie Campbell, has returned from Owen Sound after an extended visit.

Mr. Wm. Priel was over at Markdale Friday last on business. As a merchant Mr. Priel has made a success in this place and we predict still brighter prospects for him in the future.

Mr. Mack Jones, one of the clerks at the Hunt establishment is taking advantage of the slack in trade at this season of the year and is on a two weeks' hummer in Walkerton. He is expected to return this week.

A few evenings ago one of our local kickers put the ball through the window in the corner store. The offender in this case was a gentleman and put up the price.

In the summer of 1905 this place received a visit from what was known as the town brute, which was the cause of much trouble and was later disposed of by the local cop without costs. The coming of summer brings from behind the curtain something new in the form of Jack the Huggler who has been acting on Main and Dundas streets for the past few nights. It is supposed that he is the same Jack that kept east hill in Owen Sound in trouble during last summer. Jack has left the local option town on account of the drouth and come to our fountain for drink. Chief McKnight and the Hunt-Pinkerton staff are expected to investigate.

Miss L. Vasey is home on a visit from Toronto.

Miss M. E. Shewell will return to the city to-morrow, Friday, after four weeks' visit at the old home in Bentinck.

Mr. James Dargavel was in Owen Sound recently.

Mr. Ed. Muldoon was in Markdale last week on business.

Mrs. Jones of Duluth, Minnesota, is at present the guest of her parents Mr. and Mrs. Duncan Campbell, of Bentinck.

Mr. James Lester spent Sunday visiting the Shewell family in Bentinck, and reports a very pleasant time.

It's expected the health inspector and the junk pedlar will call here next week.

The Daily Independent, of Hutchinson, Kan., makes the following announcement referring to the death of Mrs. O. Corlett: "Hutchinson, Kansas, April 30th—Mrs. Ruby S. Corlett died at 7 o'clock on Sunday night at the home of her parents, Mr. and Mrs. L. W. Steinbecker, 540 East B Avenue. The death was the result of septic. The deceased has been ill for two weeks. She was married to Mr. Corlett on October 23rd of last year and has lived in Kansas City. A short time ago they came to this city, where Mr. Corlett was employed as fireman in the Kelly mills. Ruby S. Steinbecker was born in Columbus, Ill., thirty years ago. She was brought to Hutchinson by her parents when but a child and has lived here nearly all her life. She had many friends in this city, who will regret to hear the sad news of her death. The funeral will be held from the Steinbecker home at 2:30 o'clock Tuesday afternoon, conducted by the Rev. E. W. Cole of the Christian Church." Mr. George O. Corlett is a son of Mr. John Corlett of this place and seven brothers of the junior member of the firm of Ledingham & Corlett, Williamsford. His many friends here deeply regret this early and sudden demise, and extend sympathy to the bereaved.

A GUARANTEED CURE FOR PILES

Not as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Colera and Diarrhoea Remedy. The most eminent physician can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. Every family should be supplied with it. Sold at Parker's Drug Store.

PRICEVILLE.

(Intended for last week.)

Sunday last was cold enough to wear fur coats, but we did not see many, as we suppose they were laid by some time ago.

On Wednesday morning of last week the barn of Mr. Robt. Fisher, South Line, Glenelg, was struck by lightning and one of his horses was paralysed and otherwise injured from the shock. The animal is improving and will recover, but will never be as good as he was. No damage was done to the barn, only a few boards splintered.

There is quite a lot of sickness in this locality at present, and our doctor is kept on the move pretty much day and night.

Although the weather was wet the most of the week, the dry spell commenced here on Tuesday morning at one minute past twelve the 1st of May. Some are greatly missing the internal wetting which they claim to be a remedy for external drenching, but we hope that suitable weather will be the result, whether we be wet or dry. Our hotels are kept open as usual, only the bar is closed as far as intoxicants are concerned.

Last Sunday was Gaelic day for preaching in the Presbyterian church here. Although there are lots of Gaelic people the attendance in general is small, but we admire the pluck of one venerable gentleman, Mr. John Campbell, who is 85 years of age and comes eight miles once a month to hear a sermon in his beloved language—the Gaelic. This ought to make our young people ashamed of themselves when a lot of them prefer staying at home on account of being too tired or something else.

The sons of the late Hugh McDonald are putting a fine monument in memory of their beloved father who is buried in the graveyard in this town.

Mrs. John Campbell, of the north line, one mile from here, had the misfortune to break her leg above the ankle one day lately. She is getting along as well as can be expected.

The choir in the Presbyterian Church has been reorganized, and Professor Wm. Ramage is teaching once a week the rudiments of music.

Died, on the 30th of April, Mrs. Kinsman, nee Mary Lizzie McDonald, beloved wife of Fred Kinsman, of Boothville, Ont. Mrs. Kinsman was a daughter of the late James McDonald (Fiddler Jim). She leaves an infant two weeks old, and another aged two years. The mother of the deceased has taken charge of the motherless babes. Mrs. Kinsman was only 24 years of age.

Notwithstanding the cool weather all spring, early sowed grain give the fields a greenish appearance already.

The fall wheat is showing well and appears to be in a very healthy condition.

Died, at Priceville, on the 29th of April, Mrs. John Simpson, at the age of 76 years, a resident of this place for forty-nine years. She leaves three sons and six daughters to mourn her loss.
