We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, all vegetable.

The Epworth League held a literary and social evening last Thursday in the Orange Hall and a good time was spent. There was a very good program and refreshments were also served and a good deal of amusement was created by the guessing of places that each one represented by the badge they wore. A prize was given to the one that guessed the greatest number and was won by Miss Annie MacKenzie. The prize consisted of a box of chocolates, which she liberally distributed among the crowd. A silver collection was taken at the door and \$6.05 was added to the Treasury.

We hear that some of the boys are out so late at night that their mothers are afraid that something has happened to them and can't sleep for thinking about them. Now this is a "Harry" trick but boys will be boys you know. We were boys once ourselves.

The Rev. L. L. Kerruish occupied the Varney pulpit on Sunday morning and delivered a very instructive sermon, his text being "But God commandeth his love toward us in that while we were yet sinners Christ died for us." The expression of every one was, "wasn't that a grand sermon?" He administered the Sacrament of the Lord's Supper at the close of the sermon.

We are sorry to report that Mrs Wm. Long is somewhat indisposed at present but hope she may soon be in the best of health again.

Despite the busy time we are ready to devote a few minutes to the Chronicle.

Seeding is the dirty farmer's task at present. Quite a number are through.

Mrs. A. Gordon and daughter, of your town, spent some time visiting the former's sister, Mrs. H. Seeley, prior to their departure for the West.

Mr. Alex. McKenzie, of Dromore, purchased a fine type of horse from Mr. George Meyers, for which he paid the round sum of \$180.

Mr. H. Seeley has bought the old McDonald farm recently owned by the McKechnie firm of your town

Mr. Eckhardt had the misfortune to lose a horse recently.

Since the heavy thunderstorm which passed over this section on Wednesday last we found in our pasture field four head of young cattle piled up by the fence having been struck dead by lightning. The fence near by was shattered and an elm tree barked in several places. It was rather an unwelcome sight to greet the eyes of the observer.

One of our stalwart young men, we understand, is going to pitch head and heels into the ranks of the benedictines before long.

Mr. T. Moore had the sad misfortune to lose a very fine young horse recently, valued at \$175.

Mr. James Brown invested in a nobby new top buggy, seed drill and land roller recently.

Mr. John Lawrence, Sr., is improving the look of his cosy home by having a new wire fence erected up each side of his lane.

Mr. John Lawrence, Jr., is also making the same improvements and is giving things a more snug appearance.

COUGHERS, HAWKERS, SPITTERS!
