

THE cost of living is an important thing in most homes. You may have to figure closely in these matters. A little extra on a barrel of flour may look big to

But there is a difference between spending money wisely and spending it foolishly.

Sometimes it is economy to spend instead of to save. It is in the case of Royal Household Flour. Those few extra cents a week, that give you

in preference to inferior flour, buy health.

Nothing contributes so much to the tood you eat as flour, and therefore nothing should be more carefully bought. Ogilvie's Royal Household Flour is the whitest, cleanest and most nutritious flour that's milled. It is the only flour

that is absolutely pure. Ask your grocer.
