Edge Hill.
Mrs. W. R. Edge is at present visiting friends in Simcoe, Norfolk Co. Messrs. Thos. and J.W. Firth are home from Toronto University.
Rev. Mr. Farquharson conducted a prayer meeting in the Grange Hall on Tuesday last. It was very well attended.
Miss Maria Ritchie was under the doctor's care but is now recovering her usual health.
The new grader, purchased by the township council was in operation in the neighborhood last week. It did very satisfactory work.
Mrs. Frank Vickers, of Toronto, was visiting her parents, Mr. and Mrs. R. H. Banks recently.
Mr. Archie Ector leaves this (Tuesday) morning on a trip to the West. He will go as far as Edmonton. We wish him a pleasant and profitable time.
Inspector Campbell paid his semi-annual visit to our school last week, and reported favorably on the standing of the classes and the condition of the school premises.
The first beef of the Edge Hill Fresh Beef Association is to be butchered on the evening of June 19.
Messrs. Dan Greenwood and Geo. Ritchie have jacked up their horse stables and are having stone foundations built under them.

Sackett's Corners.
Well, Mr. Editor, here we are again.
The farmers are busy planting potatoes and other garden products. There is a good show of fruit blossoms if Jack frost lets them alone.
Mrs. Wm. Haw leaves this week to visit friends in Port Hope. We wish her a safe journey and a pleasant time.
Miss May Ernest has returned to Durham after visiting her parents for a few days.
Miss Margaret McDougall, of Durham High School, spent Sunday at her home.

Corner Concerns.
Last Tuesday Mrs. Wm. McFadden and her daughter Sadie were driving down McGirr's hill just east of Durham, the breaking of the hip strap of the harness caused them an unwholesome experience and some painful cuts and bruises. The horse kicked up and took the lines out of the driver's hands both ladies were thrown out with considerable force, the younger one sustaining the greater injury, several stitches were required to close the cut in her forehead. Mrs. M. received a severe bruise about the same place as well as injury to the left arm. Under the care of Dr. Jamieson they will soon be around again, as for the horse and rig they were little the worse of the mishap. The animal is a well behaved one under favorable circumstances quite fit for ladies' company and on reaching rising ground slowed up and was easily caught by Mr. Ryan who happened to be on the road at the time.

Darkies Corner Crow says he made a flying trip to Egrement last week. It is the natural way for crows to travel anyway when in ordinary condition, and we are pleased to see the Chronicle's Crow after a long hard winter able to be around as usual, pleased to have his visit and glad to hear he got such a fine catch of fish even though he could not afford anything better than an old shoe lace to fish with. As for the drove of cattle that he says travelled ten miles from his part to visit our township they were also, we presume, looking after something to eat. Egrement, like other good sources of abundance, frequently has its professed friends and followers who are merely seeking after the loaves and fishes.

Mr. John Morice had a very good sale last week. Stock sold for good prices and the implements realized

Stop That Headache!
Foolish to Suffer When a Simple Remedy Will Prevent and Cure.
Ever stop to think what caused your headache?
Probably not. Then look to the bowels and stomach, and you'll find plenty of cause. Chances are you'll find constipation, liver sluggish, stomach overburdened with half-digested food.
No wonder you are dull, tired, restless day and night.
You need the cleansing influence of Dr. Hamilton's Pills which cure your condition in short order.
Being composed of natural vegetable remedies Dr. Hamilton's Pills possess great power, yet they are harmless. They aid all organs connected with the stomach, liver, and bowels. In consequence food is properly digested, the blood is pure and nourishing; the body is kept strong and resists disease.

Headaches never come to those who use Dr. Hamilton's Pills, and this fact is vouched for by the Assistant Manager of the Poultry Success Magazine, of Springfield, O. Mr. J. H. Callander, who writes: "No better medicine than Dr. Hamilton's Pills. We use them regularly and know of marvelous cures that resisted everything else. They cleanse the whole system, act as a tonic on the blood, enliven digestion, help the stomach, and make you feel strong and well. For headaches, indigestion, and stomach disorders I am confident that the one prescription is Dr. Hamilton's Pills."

You can rely on Dr. Hamilton's Pills with implicit confidence; their effect is wonderful. Sold by all dealers. Price 25c. per box, or five boxes for \$1.00, or by mail from N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

more than he paid for them three years ago. Auctioneer Clark is a natural born implement seller, he can always get more than double the price of an old crosscut saw after he has explained how valuable it can be made by sharpening it well and nailing it on the bottom bar of the garden gate to keep the old saw from rooting it off the hinges or put it on the top bar of the front gate keeps it from sagging.

Church service in the school next Sunday will at eleven a. m. instead of three p. m., owing to the Oldfellows' parade in the afternoon.
Mr. and Mrs. John Hampden, of Holland, drove through this part on Saturday to see what changes had taken place since they were residents of this neighborhood some thirty years ago.

A foot ball team was organized last Tuesday night, and a choir was formed the same night to help improve the singing on Sundays. These two institutions will likely do a good deal of kicking during the summer as church choirs are reputed to equal anything yet heard of at kicking.
The acreage of corn sown this year will more than double that of the past few years.

Mr. David Hamilton raised a drove shed last Friday night. Jim Eden had the contract which insures him of having a good job when finished.

Mr. John McNally, of the 7th con., sold a three-year-old filly on Monday to Mr. McLean, of the Durham Road, for \$180. "Mac" is wearing the smile that won't come off.

Mrs. Joe Firth and family, who have been at her old home here for a fortnight, returned home to Durham on Tuesday.

Ever since Hyomei has been known, its formula has been given to physicians, druggists, and, in fact, to all intelligent people who could appreciate the true merit of the combination of healing gums, oils, and balsams, of which it is composed.

Many leading physicians endorse Hyomei and prescribe it for catarrhal troubles. In fact, quite a few of them use it themselves to break up a cold and prevent pneumonia. They regard it as a natural, yet scientific way of curing catarrh.

Breathed through the pocket inhaler that comes with every outfit, Hyomei destroys all catarrhal germs in the air passages of the throat and nose, soothes and heals the irritated mucous membrane and effectually drives from the system all traces of catarrhal poison.

No one should confound Hyomei with the patent medicines that are advertised as catarrhal cures. It is as superior to them all as the diamond is more valuable than cheap glass.

The complete Hyomei outfit, consisting of a neat pocket inhaler, a medicine dropper, and a bottle of Hyomei costs but \$1, and extra bottles can be obtained for 50 cents, making it the most economical method of curing catarrh, as well as the most reliable.

If you cannot obtain Hyomei of your dealer, it will be forwarded by mail, postage paid, on receipt of price. Write to-day for consultation blank that will entitle you to services of our medical department without charge. The R. T. Booth Company, Hyomei Building Ithaca, N. Y.

Traverston.
Very favorable are the comments made by teamsters on the work being done by the roadgrader; but lovers exclaim "Where, oh where, is our grassy path gone?"

Mr. Sam Jack and a fellow moulder Mr. Frank Kingdon, of Brantford, were up to the old jack homestead for a few days' fishing last week.
