Varney.

The Farmers' Association at their last meeting decided to hold their meeting on the last Friday in every month.

Rev. Mr. Stevenson returned to his charge again after being away attending the conference at Niagara.

Mr. Latimer took Mr. Stephenson's pulpit work last Sunday and gave us a splendid discourse. We understand this was his first attempt at preaching, if so he did well.

Mr. and Mrs. John Morice and little girl left on the 5th. for the West to superintend a farm for a Mr. Brown. We wish them success.

Inspector Campbell paid his second official visit to our school, lately, and reported everything in applepie order, the classes well up in their studies and the school well conducted and the very best of order which speaks well for our teacher.

The whole community nearly, attended the funeral of Mrs. Wm. Allan, to pay their respects to the departed. It was one of the largest funerals that ever was seen around here, which goes to show that Mr. and Mrs. Allan were highly respected. We can assure the heart felt sym pathy of this whole neighborhood in this sad hour of loss and bereavement, but we commend him and his family to the one that has promised to wipe away all tears from our eyes. FATAL ACCIDENT.

Chatsworth was shocked by and interested in a fatal accident which occurred on Tuesday evening of last week at the railway crossing a short distance from "Starvation Corner." Angus Gillies, of Bognor, had gone to Owen Sound to meet his cousin, Peter Gillies, who was coming home to visit at Bognor, and the two were driving with a team and waggon and were crossing the track at the point named when an engine and van, running north at about twenty five miles an hour, struck the rig fair in the centre and smashed it to atoms. Angus was thrown into the ditch and Peter was thrown against the fence. The latter died without regaining consciousness, but the other escaped with cuts and bruises that are not serious. Deceased was known to several in Chatsworth, and was a brother of Mr. Archie Gillies, who was in buiness here for some time as a tailor. The funeral on Saturday was one of the largest in the history of the Township of Sydenham .- Banner.
