

Profitable Painting.

When you cover a house with a coat of good paint it is not an expense—it is an investment.

Pearcy's Mixed Paint

It costs no more per gallon than some brands, but costs less than any by the square yard of surface covered and is the most profitable paint of all because it lasts longer than the others.

Household Paints

There are a hundred and one places around the home where a little paint would work wonders in freshening things up and we have the paints to do it with.

DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

DURHAM, JUNE 14, 1906.

CHRONICLE SUIT FUND.

Owing to the rush we had last week many items of interest were omitted and some items recorded were only partly told.

Table with 2 columns: Name, Amount. Total amount reported \$79.25. Total to date \$716.75.

DANGEROUS TO NAVIGATION.

In one of our Toronto dailies we read of many recent wrecks to fishing vessels, especially those sailing from Grimsby.

A press representative secured one of the knives on Friday last, and took it with him to the works of a well-known Grimsby adjuster.

Orders have been issued by the Grimsby skippers, and seamen are prohibited to enter the bridge-room with knives in their possession.

Not only knives are dangerous, but many other little things a person

would never think about are liable to send a ship to the bottom if allowed in close touch with the compass.

The ship, whose name we won't mention, was bound for Manila via the Bernardino straits. Everything was shipshape and in order, and our course nearing an end.

Divers sent down in Manila reported the whole forward part of the hull gone except the false bottom, the keel damaged and twenty-five feet missing, and the rolling chocks ruined.

I. O. O. F. AT CHURCH.

The Oddfellows of Grey Lodge No. 109 attended Trinity Church in a body last Sunday afternoon. The procession of about fifty members was led by the band and on entering the church the choir started up that grand old hymn "Onward Christian Soldiers" which was rendered in very fine form.

The church services were conducted in the usual manner and all responses were heartily made by the members of the congregation, which made the whole service not only beautiful but impressive.

The lessons read by the Rector were exceedingly appropriate, the first being the story of Jonathan and David as recorded in the 20th chapter of 1st Samuel. The New Testament Lesson was the story of the good Samaritan.

Before entering on his sermon proper the Rector, Rev. A. A. Bice, expressed it as a delight and an honor to be called upon to address a society whose foundation principles were based on Love and Christianity as portrayed in the two chapters just read.

The services rendered by the band were much enjoyed and a resolution was passed on Monday night to give them a vote of thanks and a cheque for ten dollars.

CARD OF THANKS.

It is with feelings of deep gratitude I tender my sincere thanks to the members of the Independent Order of Oddfellows, the Canadian Order of Foresters, and the citizens of Durham and surrounding country generally for their kind sympathy and substantial assistance during the short illness of my late husband.

MRS. DONALD CAMPBELL.

CARD OF THANKS.

I beg respectfully to tender my sincere thanks to the residents of Durham and vicinity for the very kind way in which they ministered to my wants during the illness and death of my beloved wife.

DROPPED ALL OTHERS.

"I dropped all liniments but Nerviline because I found Nerviline the quickest to relieve pain," writes E. S. Benton of St. John's. "If my children are crampy or sick, Nerviline cures them. If a case of cramps or stomach ache turns up, Nerviline is ever ready. We use Nerviline for neuralgia, rheumatism and all kinds of aches and pains; it's as good as any doctor." The great Canadian remedy for the past fifty years has been Polson's Nerviline—nothing better made.

MISS FERGUSON was not only happy in her numbers but her sweet contralto did them full justice.—Ottawa Journal. In the rink with Jarvis on July 2nd.
