

WITH THE SPORTS.

LACROSSE

The first championship game of the season for intermediate district No. 4 was played on the Exhibition Grounds here on Friday between the Tigers of Arthur and Durham.

The Arthur team, was, collectively superior in weight, but lacked in combination, head work and alertness the locals who played around them at all times with ease.

But the Tigers are no mean opponents at that. They have a good strong line-up, seemingly, and, with practice, will improve wonderfully.

The first quarter was by far the best. Here, it seemed that Arthur had a chance. Some fast combination work was engaged in, and the ball was never still.

The second quarter started off for Durham, with Arthur on the defence. The visitors couldn't stand the pace set by our boys and were perceptibly fatigued.

The third and fourth quarters were all Durham, and if the local home did look used up and tired it was because they had been continually handling the ball for nearly forty minutes with little or no rest.

Table with columns for TIGERS and DURHAM, listing players and their positions (Goal, Point, Cover Point, etc.).

Mr. Art. Rogers, Mt. Forest, was referee and kept the game well in hand, penalizing for the slightest offence.

11-4. Looks pretty good, doesn't it? Arthur is a good team but—Durham is better.

"Why the deuce don't they bring in a good team?" says another defence man, "we want some practice."

The Arthur goal keeper is credited with saying we won't score two goals there on Aug. 2nd. Perhaps he isn't going to play.

One of Billy Lavelle's goals was so easy he's ashamed to talk about it.

Pete Matheson thought the ball was lost and came up on the home to help them hunt for it.

Howard McDonald got the ball once, and, just for luck played Indian with it.

Herman Wendorf got cold waiting and cross-checked a man to warm up. He got two minutes, and took a run for exercise.

Bert McDonald is thoroughly disgusted, and threatens to leave the team and play the more exciting game of marbles.

Murray Smith says his part of the game was slower than the Durham Street-watering Department.

"Shoot it in" says Mulvey Cowan to Tommy Lawlor. "Oh, go and chase yourself," says Tommy.

Charlie Briggs was on his knees a couple of times. We don't know what he was doing, but presume he was offering up one for Arthur.

Fred Glass said he'd have stayed at work if he knew as much before as after.

Bert Moore got three minutes "in the shade of the old elm tree" for not allowing a Tiger to appropriate his stick.

The next championship match is Mount Forest at Arthur on the 21st. This is a bad date for them, as none of our sports will leave town that day.

Durham plays in Mount Forest on the 29th. Mt. Forest will have her best team on and a good fast game will be the outcome.

The next match to be played in Durham is on the 21st at the Oddfellows' Demonstration, when the Strathecons of Guelph and Durham will give an exhibition game in the afternoon of that date.

REMEMBER the Oddfellows' Demonstration June 21st. Whitney, Gamey, Downey, Miller, McMullen and many other representatives of the people in parliament will be present on the occasion.

A very pleasant event occurred at the home of Mr. and Mrs. Hugh McKechnie, Bethune, Sask., on June 6th when their eldest daughter, Cassie, was united to the man of her choice, Mr. Thos. Ledingham, of Weyburn, Sask. At 5 o'clock the bridal party entered the parlor to the strains of the Wedding March played by Mrs. Wm. Ogilvie.

The bride was attired in brocaded lustre trimmed with ivory lace and insertion, and carried a bouquet of white roses.

The vows having been plighted and congratulations over the guests assembled to partake of the wedding dinner, while a large, beautiful four-storey cake occupied the place of honor at the end.
