"Miss Kirby Ferguson is one of the most satisfactory singers that has ever honored Calgary."—Herald. At the S. of S. Concert on July 2nd.

ON Saturday afternoon last Mr. John Henderson left here for his home in Owen Sound taking five horses with him. He intends to go West shortly with a full load of heavy horses.

We give amongst the birth notices, the announcement of a baby girl at the home of Mr. and Mrs. Alex Firth, who is located as teacher at a place called Strange, but no one will think strange to hear of an increase in the Firths' family. We congratulate the parents.

We regret to chronicle the sad circumstances of the mental condition of Miss Annie Burns, and her necessary removal to Hamilton on Saturday morning last. She was accompanied by Mr. T. R. Whelan who remained over a day or so to visit his son John P. Whelan who is in business in the ambitious city. Miss Burns was in our office only a few days ago and was exceedingly cheerful and quite natural. That such a change should have taken place so soon is hard to account for.

It's awful to think of the fools that still live. Cattle of this brand strike Durham as well as other places. A few days ago the latest importation dropped into town. He struck a job and spent three days at it when he got tired, donned his coat at nine o'clock in the morning and before eleven was so drunk he didn't know his own name. He spent Saturday night in the cooler, and when Constable Clark turned him loose Sunday he advised him to keep straight or put up with the consequences. Such characters are very little use to anybody, but it takes all kinds to make a world. Providence never made any mistakes, when he made a fool he must have meant it.

THE Rev. S. W. Gamble, D. D., the author of "Sunday, the True Sabbath of God," will be in Durham on Sunday, June 24th, under the auspices of the Lord's Day Alliance. Arrangements have been made, according to which he will take the service in the Presbyterian church at 11 a. m., in the Methodist church at 2 p. m., and at 8.15 p. m. will address a mass meeting in the Baptist church. Rev. T. Albert Moore, of Toronto, says of him: "Dr. Gamble has made a distinct addition to the argument on Sunday as the Christian Sabbath, the Lord's Day; his material is new, his style popular, indeed breezy; his argument convincing, and to all open-minded people conclusive. He covers his series of addresses the ground of the Patriarchal Sabbath, the Jewish Sabbath, the Lord's Day; the biblical as well as the Biblical Sabbath; yet all in an exceptionally interesting and popular way, holding the close attention of all his hearers throughout. He is specially successful in addressing children. Special offerings are requested to assist the Alliance in bearing the expenses of his mission."

HAROLD JARVIS at Ben Nevis Camp Concert on July 2nd.

THE Methodist Epworth League Excursion to Niagara Falls will take place on Friday, July 6th.

To people wishing to buy medium class footwear you will get the best values at Peels.

J. H. CAMERON, most amusing and refined entertainer, at Rink Concert, July 2nd.

Mr. Edmond Johnston, of Vickers moved to Fort Erie a few weeks ago and intends to remain there for some time.

DON'T forget the Excursion to Niagara Falls, July 6th. Tickets from Durham, Varney and Holstein are valid up to Monday, July 9th. Persons below these points wishing to remain over should purchase tickets from one of the points named.

THAT Hamilton will be the site of the new Normal to be given to Ontario is more than a mere probability if we are to accept at par the newspaper reports relating to Premier Whitney's speech there a few days ago. It is not likely now that Mt. Forest will stand a show.

THE Twentieth Century Flyer was wrecked at West Seneca, near Buffalo, on Sunday. With sixty-seven passengers aboard, and skidding over the ties 500 feet, no one was injured. This same train was wrecked a few months ago with more disastrous results. Eighteen hours from New York to Chicago, a distance of nine hundred miles is herschedule, and the fact that no one was injured is certainly little short of the marvellous.

FOUR weeks ago we made reference to the magnificent veranda in course of erection in front of Dr. Jamieson's residence. Since then, the work has gone steadily on, and to-day the finished structure, even more graceful and beautiful than we at first anticipated, is there in all its splendor, a standing advertisement of the wood-workers' and painter's art. On Thursday the carpenter work was finished, and the following Monday Bert Willis, who had the contract for the painting and decorating declared his part of the work over, and the veranda complete. Mr. Willis has an enviable reputation in Durham as an artistic painter and decorator and as a sample of his capabilities, his work on this occasion, will, no doubt, assist him in future contracts.

WE regret to learn of a loss sustained by Mr. George Lawrence a few days ago. He is buying up horses to take to the North-west and purchased a magnificently matched team from Dr. Fortune, of Aytton. The horses were tied together and on taking them out of the hotel stable one of them became frightened at a piece of paper that was blown along the street. In some way they got tangled up and plunged into a ditch on the side of the street. Here one horse fell and the other stepped on his front leg, breaking it in two places. Mr. Lawrence ordered the horse to be shot and buried, but Dr. Fortune thought he might save the animal and put him in a sling where splints were applied, and hopes are entertained that he may yet be of some use.

The Oddfellows' Concert THURSDAY, JUNE 21

The Management of the Concert have secured talent which provides a program of exceptional merit, with perhaps more of a humorous trend than is usual at such entertainments. The following artists will contribute to the program.

MRS. HELEN WRIGHT, Soprano Soloist.

MR. FRANK BARBER, Baritone Soloist.

MR. BERT HARVEY, Canada's Favorite Singing Comedian.

MR. C. LE ROY KENNY, Refined Impersonator.

HARVEY & KENNY, in the very laughable sketch entitled, "Seeing is believing."

MRS. NEWTON, Pianiste.

The concert will be held in the Rink which will be comfortably seated and well lighted for the occasion. Admission 25 and 35 cents. Plan at MacFarlane's Drug Store.

PERSONAL.

Mr. J. C. Capper, of the N. P. C. Co. left on Wednesday morning for Raven Lake.

Mrs. H. P. Ball and baby boy, are visiting Mrs. Ball's parents, Mr. and Mrs. Chas. Brown.

Mr. Geo. A. Staples of Cranbrook, B. C., has our thanks for contribution towards defraying expenses of Libel Suit.

Mr. S. P. Saunders left Wednesday morning for Windsor. Likely he'll take in Detroit and other cities before his return.

Mrs. N. W. Campbell and three children left Monday afternoon to spend the summer at Norwood, Bay of Islands, near Huntsville.

Mrs. T. P. Jones, of Palouse, Washington, is visiting her father, Mr. Duncan Crmpbell, of Bentinck, and other relatives and friends in the vicinity of Welbeck.

Wm. Coleman, of St. Thomas, is now engaged in the Hardware Department of the Big Store. This department has been somewhat neglected in the past and Mr. Russell is now preparing to rush it.

ROYAL Canadian Dragoons in Durham 2nd July.

THE Cement Company's plant will be open to visitors to the big Oddfellows' Demonstration. This is a great opportunity to see the works in actual operation, and the Oddfellows are grateful to Mr. McWilliams and his courteous staff for the trouble he has consented to go to in showing visitors through the works. Many have longed in vain to see the wheels go round and should avail themselves of the opportunity that isn't available every day.

THE store recently occupied by Mr. Frank Lenahan in the McIntyre block is being fitted up for Mr. Ireland who intends to move in there in the course of a few days. Mr. Ireland has been in Laidlaw's stand for the past five or six years and is sufficiently well known here to need no introduction.

J. W. Fox departed Sunday for his home at Winnipeg to spend a few days. It is whispered that he will return with his fair bride. Will tell you next week. Mr. Fox is a masonry contractor and an experienced workman and an all around good fellow and we should be pleased to welcome the young couple as residents of Beach.—Golden Valley Chronicle.

ON Tuesday Mr. Ellman, of St. Thomas Acetylene Gas Manufacturing Co. was in town and put some additional implements on our acetylene gas plant. He had with him a small heating apparatus which works on the same principal as a gasoline stove. The contrivance is very clean producing no soot or dirt of any kind and gives a good strong heat. Persons having acetylene plants installed would find this attachment a great convenience for summer cooking.

MR. THOMAS GADD had the misfortune on Tuesday or Wednesday of last week to have his arm broken. While taking off a load of hay at Mr. Livingston's in town here he fell from the load and in the fall he met with the accident which will lay him off work for several weeks. An accident of this kind is exceedingly inconvenient and painful at any time, but at this season of the year it is almost a calamity for a man on the farm. We hope he will soon be able to remove the wrappings and have full use of the broken member.

THE Port Hope Times is sued for libel because of articles published relating to the selling of impure milk. We imagine the law relating to liberty of the press is altogether too limited, and the scallawags can do about as they like and any aggrieved idiot may enter an action for libel with a chance of winning when left to a jury of "twelve good men and true." The pure food investigations has made some awful revelations, which the daring newspaper man would suffer for if he had the audacity to give the facts brought out in the evidence. The press needs more liberty and it seems the time has come when they should put up a fight for it.

ROYAL CANADIAN DRAGOONS

The Sons of Scotland Demonstration Committee at Durham, have succeeded in securing for their Annual Celebration on Dominion day, a first class attraction in having a detachment of the Royal Canadian Dragoons present. This unique feature will be thoroughly enjoyed and turned to profitable use as well for it will give farmers and horse-men a good idea of the class of horses required by the Military.

In addition to this they offer of course the usual large prizes for Scottish events so keenly contested. Pipe Bands, Dancing, etc., and the Paloro Bros. in pantomime and fire acts, ending with a Grand Rink concert at which Harold Jarvis, of Detroit, and other stars will be present.

The mammoth works of the National Portland Cement Co. will be open to ticket holders.

Burnett—Lynn.

A pretty home wedding took place at the residence of Mr. and Mrs. Lynn Allan Park, on Wednesday afternoon June 20th., when their daughter Miss M. Lynn was united in marriage to Mr. E. Burnett of Durham. Only relatives witnessed the ceremony which was performed by the Rev. Thomas Colling B. A., in the drawing room tastefully decorated by ferns and flowers. The bride looked charming being attired in a very choice dress with veil and blossoms. After the ceremony a sumptuous repast was partaken of, after which Mr. and Mrs. Burnett left for their own beautiful home in Durham.
