The Song of the Hair

There are four verses. Verse 1. Ayer's Hair Vigor stops falling hair. Verse 2. Ayer's Hair Vigor makes the hair grow. Verse 3. Ayer's Hair Vigor cures dandruff. Verse 4. Ayer's Hair Vigor makes the scalp healthy, and keeps it so. It is a regular hair-food; this is the real secret of its wonderful success.

How Pneumonia Starts.

You catch a little cold to-day, by to-morrow it has reached the throat, next day the lungs are affected and you wish you had used "Ca-arh-ozone" which kills colds in five minutes. In the first place Ca-arh-ozone soothes the irritated membrane and relieves congestion—then it cuts out the phlegm and destroys the germs. It enables the blood to retain a natural supply of oxygen, lung food, and vitality. In any case, catch bronchitis or lung affection it's guaranteed to positively cure. Decline any substitute for "Ca-arh-ozon."

WOMAN WENT DOWN FIRST.

Montreal, June 17.—Emile Picotte and Mrs. Yvonne Gagnon were drowned in the St. Lawrence opposite Dominion Park this afternoon by the upsetting of a rowboat, in which, at the time, were Picotte, Mrs. Gagnon and a man named Mooney. As soon as the boat upset the woman disappeared, but the two men held on to the boat, and a party put out to their assistance.

Picotte, however, was overcome by exhaustion and sank before he could be rescued.

DIED TWO MONTHS AFTER BEING INSURED.

Sandwich, June 15.—In the case of Hartford versus the Toronto Life Insurance Company, the jury returned a verdict for the full amount of the policy, \$500, and costs.

Andrew Hartford was insured May 10, 1905, and died in July, after an operation for cancer of the stomach. The insurance company resisted payment on the ground that Hartford was suffering from cancer at the time he was insured. It was shown that Hartford and his family refused to take a policy for \$1,000, and the plaintiff claimed that this showed conclusively that the deceased had no knowledge that he was suffering from cancer.

Insurance companies all over the Dominion watched the progress of the case with unusual interest.

Judge Horne charged that the only question for the jury to consider was as to the physical condition of the deceased at the time when the policy was issued.

THE DRAGOONS AT WINDSOR.

On the 24th of May last the Royal Canadian Dragoons who are to be in Durham on 2nd July next were in Windsor and we extract from the Windsor Record of 29th May the following: "The city was invaded by 15,000 visitors, a large portion being Americans. Detroit's Canadian population helped to swell the crowd and joined as heartily as any others in the celebration. The Highlanders made a very pleasing appearance and received a hearty reception. The presence of cavalry represented by the detachment of the Royal Canadian Dragoons found much favor with the spectators. The Dragoons were mounted on lively and fine appearing chargers and gave an exhibition of rough riding on their fiery steeds. Probably the most exciting event on the whole program was a 'military mele' by eight of the mounted Dragoons." These and other evolutions will be presented at the big Demonstration on 2nd July. The Highlanders are coming too, so that with the Paloros, the Windmill, the games races, etc., pipes and band music, all records will be smashed.

In Womanly Ailments and Weaknesses

Dr. Shoop's Night Cure Soothes, Heals and Cures while the Patient Sleeps.

The best remedy which physicians know for Female Weaknesses is composed of parts of a certain white lily. To this are added other remedies which draw out the poisons and heal the inflamed membranes. This soothing anti-septic local application is known by druggists and physicians everywhere as Dr. SHOOP'S NIGHT CURE—because it cures while the patient sleeps and the morning finds the pain, the inflammation, the discharges, the records of martyrdom, the lives of women who are sick, they are well, they are strong, they are vigorous and vibrant and perfect in health. It is to the credit of Dr. SHOOP'S NIGHT CURE that Dr. SHOOP sends this message of hope and cheer to these sick and ailing women: "You may not know your trouble by the name of Dr. SHOOP'S NIGHT CURE will come as a Balm of Gilead.
