Corner Concerns.

Mrs. Robert Mead was under the
 doctor's care a week ago, but is im-
 proving nicely at time of writing.

Mr. and Mrs. James McCallum, of
 McKillop township, visited their ne-
 phew, Mr. James Tucker, last week.
 They have also many other friends
 to call on in Bentinck and Glenelg.

Mrs. Crittenden is enjoying a visit
 from her daughter and granddaugh-
 ter, Mrs. Noble and daughter, of
 uncle Sam's land

Miss Blanche Matthews had about
 two score of the juveniles at her
 birthday party on Thursday. A
 handsome new organ, the gift of her
 papa was one of her best presents.

The road work done here this year
 was of the good kind put in the right
 places. The road grader was used
 here this spring for the first time

Mrs. John Jenkins, of British Co-
 lumbia, arrived on Saturday to spend
 a few months with her parents, Mr.
 any Mrs. Samuel Lawrence who are
 drawing close to the celebration of
 their golden wedding.

Mr. Edwin Johnson who advertis-
 ed his farm for sale in the last issue
 of The Chronicle is one of our most
 obliging and honest neighbors. We
 hope he may yet change his mind
 about leaving this part.

We voice the feeling of the neigh-
 borhood in extending sympathy to
 the Jaques family in their bereave-
 ment. Although they have been but
 a few years amongst us they have
 many warm friends.

The O'angemen have been anx-
 iously waiting the arrival of their new
 banner for use on the Glorious Twel-
 fth. It will likely insure them the
 prize for best dressed Lodge. It is a
 dandy.

Mr. Wm. Johnston went to Ed-
 monton last week to seek fortune.
 He is the right stuff to go to a new
 country as he is both sober and in-
 dustrious.

The Rev. Mr. Bice in company with
 Mr. Wm. McFadden spent Friday
 taking subscriptions for the erection
 of a new church. Their success in-
 dicates that we will have a church
 quite in keeping with our new school
 and the many other good buildings
 of this place. Rev Bice has had the
 experience of building in two or
 three different parishes before and it
 serves him well now.

There was a nice moderate rainfall
 here on Saturday that lasted for
 about two hours, the first of impor-
 tance since early spring and its worth
 can scarcely be estimated as spring
 crops which were beginning to suffer
 will now be very good and the root
 crop has good prospects. A few
 miles south they got the storm with
 a vengeance, almost a deluge accom-
 panied by hail. Mr. S. Neal's barn,
 the largest in our Tp., was set on
 fire by the lightning and the shingles
 burned off a patch about three feet
 in diameter, but the rain came so fast
 as to almost extinguish it, very little
 effort on the part of the tenant, Mr.
 Cornish did the work.

Mrs. Geo. Lawrence spent a few
 days with her father and brother, J.
 and J. Mack before leaving for Port
 Arthur.

Miss Kate Allan came home from
 Toronto on Dominion Day to meet
 her many friends on the hillside.

Our picnic this year fell on an ideal
 day for such an occasion. Every-
 body enjoys a day in the cool woods,
 and Johnston's grove is a pleasant
 place to go although not central for
 this section. Swing, games and foot-
 ball with eatables prepared by our
 young ladies and tea brewed by wo-
 men who have had twenty years' ex-
 perience in preparing it for our pic-
 nics and other entertainments formed
 the day's pastime, excepting a neat
 little programme given by the schol-
 ars under the skillful training of our
 teacher, Miss C. Aljoe. It consisted
 of singing and recitations, also sing-
 ing by three young ladies, the Misses
 Orchard, Mead and McLaughlin.
 Mr. Samuel Queen made an efficient
 chairman and in a brief speech spoke
 of the success of the S. S. and the
 importance of the work. The Sec'y
 of the School Board represented the
 day school for a couple of minutes on
 the platform. Votes of thanks by
 the Superintendent and chairman
 concluded the program. A goodly
 number of handsome young ladies
 from Durham and vicinity were pres-
 ent to add to the appearance of the
 gathering amongst whom were Misses
 M. Aldred, A. Lawrence, A. Aljoe
 and others. Miss Irwin, who is so
 much appreciated by the pupils and
 parents of No. 12, was also present.
 The football match between Dromore
 and our own team resulted in favor
 of the former 2 to 0. Our boys or-
 ganized only a fortnight ago.

Egremont was well represented at
 the Niagara Falls excursion on Fri-
 day. It was liberally advertised by
 the committee and they were well
 rewarded for their enterprise and all
 enjoyed the trip.

Although it is but a small incident
 compared with the many greater ones
 on record, the action of the Dominion
 Government in connection with the
 1st July celebration is enough to
 convince any person that they are
 not capable of looking after our best
 interests. The elaborate advertise-
 ment that they were sending the
 Horse Dragon to Durham to profit
 the surrounding farmers thousands
 of dollars by giving them a sample
 of the horses they should raise, was
 a greater drawing card for the day
 than even the announcement that
 they were getting funds to buy a
 park for Durham, (and by the way
 the more credit it is for the Scotch-
 men's liberality that they are mak-
 ing so generous a donation,) but those

eight bronchos were a stunner, and
 the advice of the Government that
 we give up raising our high class
 animals of \$200 each, more especially
 as fodder here is so costly, and try
 to compete with the western plains
 in raising bronchos at twenty dollars
 apiece would bring our country to
 ruination as fast as their legislation
 is likely to do.

Misses Dorothy and Martha Law-
 rence spent last week with their
 cousins Misses Annie and Aggie Law-
 rence. We presume the topics dis-
 cussed were numerous and varied as
 they all leave shortly for different
 places and occupations, the first two
 for Port Arthur, Annie to Ottawa
 Normal School and the latter we leave
 to report about later on.

Mr. Geo. Lawrence's barn raising
 week ago Wednesday resulted as all
 Jim Eden's frames do in everything
 going together in good shape. Jas.
 Lawrence and Wm. Jacques were
 captains, the latter winning. The
 barn when finished, will be a credit
 to the neighborhood.

Darkie's Corners.

Our last report was mislaid or
 found its way to the waste basket,
 either of the two. However, we
 will try again.

This community was shocked to its
 very centre when on Thursday even-
 ing, June 28th, the sad news spread
 like wild fire of the sudden calling
 away to the great beyond of Mrs. J.
 Jacques, who up to that time had
 been going around in her usual
 health, doing the work of her house-
 hold without a complaint and at the
 moment of her decease, was finish-
 ing up her daily work by milking the
 cows. Deceased, as known to us
 personally, was an intelligent and
 industrious woman, kind hearted and
 generous, and everybody visiting at
 her home was always greeted with a
 smile of welcome. We join the com-
 munity in extending our heartfelt
 sympathy to the sorrowing husband
 and family in this their sad bereave-
 ment.

Mr. Hiram Dean is at present em-
 ployed in the cement mill at Durham.

Miss Emma Atkinson, of the Queen
 City, is at present visiting her pa-
 rents here. She is looking well.

Mr. and Mrs. Wm. Ryan, Curtis,
 and baby Melville, of your town,
 were callers on the Hewitt family
 last Sunday.

Mr. Thomas Meenaugh has recent-
 ly improved his house by the putting
 on of a cornice and a coat of paint.

The work of framing at Mr. Wm.
 Andrew's is rapidly being carried on,
 and a barn raising will, no doubt, be
 on hand in the course of two or three
 weeks. Mr. Ben Sharpe, of your
 town, is the framer, and is boss of
 his trade.

We observed the Corner Gander
 driving through the burg a week ago
 Sunday.

Miss Bella McGirr was the guest
 of Miss Annie Aljoe last Sunday.

Vickers.

Miss Maggie Alexander, of Toron-
 to, was the guest of Mrs. H. W.
 Hunt, one day last week.

Mr. and Mrs. Walls, of Hanover,
 visited Mr. and Mrs. David Donnelly
 Sunday before last.

Mr. and Mrs. Pearson, of Allan
 Park, spent Sunday with the Hunt
 family.

Mr. and Mrs. Thos. Mighton called
 on Mr. and Mrs. Herb Hunt one day
 recently.

A number of people from around
 here took in the excursion to the
 Falls and report a good time.

Prayer meeting was held at the
 home of Mr. Donnelly last Sunday
 evening, the house was crowded to
 the door. Sunday evening next will
 be held at Mr. Harry Millar's, back
 line.

Cures Worst Catarrh.

**Just Breathe Hyomei Four Times a
 Day and Be Cured.**

Not until Hyomei was discovered,
 had it been possible to say truthfully
 that a remedy for catarrh was
 known.

Hyomei cures the worst cases of
 catarrh simply by breathing the rem-
 edy through the pocket inhaler that
 comes with every outfit. Using the
 treatment in this way for a few mi-
 nutes four times a day, every particle
 of air taken in the air passages and
 lungs is laden with germ killing and
 health-giving Hyomei.

Stomach drugging often causes
 disordered digestion and never makes
 a permanent cure of catarrh. Hy-
 omei not only kills the germs in the
 throat and nose, but penetrates to
 the minutest air cells in the lungs
 and enters the blood with the oxy-
 gen killing the catarrhal germs in
 the blood.

The complete Hyomei outfit, con-
 sisting of a vest-pocket inhaler and
 medicine dropper, and a bottle of
 Hyomei, costs only \$1. If this does
 not effect a complete cure, extra bot-
 tles can be obtained for 50 cents.

If you cannot obtain Hyomei of
 your dealer it will be forwarded by
 mail postage paid, on receipt of
 price. Write to day for consultation
 blank that will entitle you to services
 of our medical department without
 charge. The R. T. Booth Company,
 Ithaca, N. Y.

Spring Bank.

Well, Mr. Editor, you there still?
 We are again at the helm, trying to
 scribble off a few items. We have
 been a little slow of late, but we hope
 our slowness will be overlooked.

Our jolly old friend, Mr. William
 Wright, of Philadelphia, is again in
 our midst to spend the summer with
 his daughters, Mesdames Brown and
 Lawrence.

Rumor has it that the Glenmont
 dove fell off the old maid's shelf last
 week, but we cannot believe it.

Mrs. J. Jenkins (nee Kate Law-
 rence) of B. C., is at present visiting
 her parents and numerous other
 friends in this section.

The old routine of doing statute
 labor has again been gone through,
 and has left the roads with a rough
 surface once more so that young men
 have now got to drive at a lover's
 gait for fear of shaking their precious
 love to pieces.

Winsome Miss Maud Whitmore of
 Toronto, is at present cheering the
 old home here.

Mrs. James Moore visited her
 daughter, Mrs. Hugh Firth, of Mark-
 dale, recently.

Our L. O. L. No. 1192 attended
 divine service in the Presbyterian
 church on Sunday. They purpose
 spending the glorious twelfth this
 year in the town of Hanover.

Mr. George Meyers purchased a
 couple of fine horses recently at a
 good figure.

To the Public

I HAVE PURCHASED THE
 "Bus and Dray business from
 Mr. John Volter, and wish to
 announce to the people of Dur-
 ham and vicinity, that it will be
 my aim to make the business,
 so successfully carried on by my
 predecessor for the past two
 years, more successful than ever.
