Help! Help! I'm Falling

Thus cried the hair. And a kind neighbor came to the rescue with a bottle of Ayer's Hair Vigor. The hair was saved! This was because Ayer's Hair Vigor is a regular hair medicine. Falling hair is caused by a germ, and this medicine completely destroys these germs. Then the healthy scalp gives rich, healthy hair.

Varney.

Mr. and Mrs. Smith of Hamilton were visiting at the latter's parental home for a few days, but have returned home again.

Edgar Trotter from Toronto is visiting his aunt, Mrs. Z. Clark.

Miss Edith Allan is spending her holidays at home.

We are sorry to chronicle the death of Mr. Hoy which took place at her son's in Varney, June 29th, after a long illness. The funeral on Sunday to Maplewood Cemetery was largely attended, the services at the church and grave being conducted by Mr. Clark. We extend our sincere sympathy to the bereaved friends.

Mrs. James Burt and her sister, Mrs. ——— were visiting at Mrs. A. McClinton's last week.

A large number went to Durham Dominion Day and were well pleased with the program of sports put up by the Sons of Scotland.

Rev. Mr. Sanderson preached his first sermon the Sunday before last and made a very favorable impression on the congregation. His text was: "I was glad when they said unto me let us go into the House of the Lord."

A gentleman whose name we have forgotten a relative of Mrs. Wm. Bryans has been visiting at the home of Mr. Wm. Bryans for a week or two.

The young people around Varney are very partial to color. One of them is extremely fond of "Gray," another would go a long way for "Brown" and another goes it one better by nearly breaking his neck for "Black." If any of our correspondents can let us know we would like to hear from them.

Mr. and Mrs. Wm. Morrison had had some friends from Bruce visiting them last week.

The Varney Sunday School picnic was a splendid success. The races were well patronized. A great deal of mirth was created by the three-legged races of both boys and girls and the sack race created lots of laughter, but the crowning one was the target race, which about fifty took part in. This race had to be run with the eyes bandaged, and you can bet there was fun. After the races they engaged themselves in foot and base ball and games until about nine o'clock when all went home satisfied we think. The Rev. Mr. Sanderson drove all the way from Walkerton to be present at it.

Mrs. Jas. Watson came home last week after spending a few months with her son in Detroit. Widowed has taken to himself a partner so now we suppose he will leave father and mother and cleave to his wife.

Eight or nine of the Varney Sunday School drove down to Hoistain on the 5th, to attend the Sunday School convention and had a very enjoyable and helpful time.

Mrs. Shilling is visiting with her parents Mr. and Mrs. Jas. Hoy at present.

The Varney L. O. L. have got their new banner and it is beautiful. Come out and see it on the 12th.

A large number of the Varney L. O. L. members joined the brethren of the district to attend divine service at the Presbyterian church on Sunday last and were delighted with the sermon preached by the Rev. Mr. Farquharson.

There were about fifteen or twenty who took in the excursion to Niagara from Varney station. Some of those who went from this hamlet were C. T. Leeson and Misses Elanor and Mildred Leeson, Misses. Lena and Edith Allan and Mrs. Nelson Eden, Wm. Caldwell and daughter and Mrs. S. Caldwell.

There is some one leaving the gates open and letting the cows into the crops which is not very pleasant to bear and we hear that one of our stalwarts spends a good part of the night on some of the village verandas watching for the culprit. My lands it won't be well for them if he catches them.

Mr. Alex VanAlstine and family are spending a few days at J. W. Blyth's.

ADDRESS AND PRESENTATION.

The scholars of S. S. No. 2, Wallace, and their parents gathered at the home of Mr. Schneider, 3rd line, Wallace, on Thursday night of last week for the purpose of bidding farewell to Mr. John Backus, and presenting him with a slight token of their love and esteem for him. The evening was spent in games and other amusements, during which Mr. Backus was presented with an address and a gold locker and chain. John will be much missed in town as well as in his school section, as he has been one of the leading men on the football team for the past two years, and we join in wishing him a bright and prosperous future in his new field of labor. Following is the address: Wallace, June 28th, 1906.

John S. Backus.

Dear Teacher:—We have learned with deep regret that you are about to sever your connection with us and enter another field of labor. We can testify to your earnest and faithful efforts on our behalf during the past two and a half years; to your judgment and tact in the management of the school, and also to the good will and kind feeling manifested toward you by the pupils, and we wish to show in some tangible manner our appreciation of your earnest endeavors to advance the interests of our children under your charge as well as the section generally. Therefore, we ask you kindly to accept this gold chain and locker as a token of our love and esteem, and which we hope will often call to mind the happy hours spent with your many friends in S. S. No. 2, Wallace, and as you go along the pathway of life we trust you will have a happy and prosperous journey, and by and bye when the trials of earth are ended that "On the banks of the river We may meet no more to sever, In the bright, the bright forever, In the summer-land of song." Signed on behalf of the section.

Weak Kidneys Bright's Disease and Diabetes

Use Dr. Shoop's Restorative to Cure the Cause, If You Suffer From These Symptoms.

Here are the symptoms of Kidney complaint: Urine laden with sediment, brick dust in urine, highly colored urine, greasy froth or blood in it, stringy mucous in urine, unusual desire to urinate, pain in passing water, pain in the back and over the kidneys, hot, dry and itching skin, hair dry and brittle, painful joints, less sleep, heavy, sleepless, dullness, loss of memory, general debility, irregular heart, disorders of eyesight, vertigo, or trouble with hearing, waxing and waning of the other in an improvement is often worse than none. Most of these symptoms are caused by the kidneys. These are practically acting as cathartics, and act on the bowels. They excite the kidneys to unusual action, they cause over-strain. These diuretic remedies are them selves the frequent cause of serious kidney disease. Don't try to doctor the kidneys themselves, for you will only harm them. Their only strength is nerve power. Dr. Shoop's Restorative (Tablets or Liquid) vitalizes the nerves that operate the kidneys. Sold and recommended by
